24 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
25
26

27 SECTION 1. The Department of Finance and Administration is hereby
28 authorized to develop and implement a career ladder incentive program for
29 employees of all state agencies, boards, commissions, and institutions of
30 higher education covered by the Uniform Classification and Compensation Act.
31 For the purpose of this act, a "career ladder incentive program" means a
32 competency based pay system which incorporates pay and performance standards
33 and establishes criteria for competency based promotions and salary
34 adjustments for employees who exhibit effective performance and support the
35 key agency or institution goals and objectives.
36

1 SECTION 2. The Department of Finance and Administration is authorized
2 to promulgate rules and regulations necessary for the implementation of the
3 career ladder incentive program and shall report the rules and regulations to
4 the Arkansas Legislative Council no later than December 31, 1999. For
5 purposes of establishing such rules and regulations, the Governor shall
6 appoint a Career Ladder Incentive Program Task Force, representative of all
7 boards, commissions, state agencies and institutions of higher education to
8 provide technical assistance to the Office of Personnel Management. Following
9 approval by the Arkansas Legislative Council, the Department of Finance and
10 Administration may begin a phased implementation of the program during the
11 remainder of the 1999-2001 biennium. All reclassification of positions
12 related to the implementation of the career ladder incentive program by any
13 agency, board, commission, or institution of higher education must be approved
14 by the Office of Personnel Management after receiving prior approval of the
15 Arkansas Legislative Council or Joint Budget Committee. The Office of
16 Personnel Management shall report at least quarterly during the biennium
17 regarding its progress and agency institution involvement in the career ladder
18 incentive program. The requirement of approval by the Legislative Council or
19 Joint Budget Committee is not a severable part of this section. If the
20 requirement of approval by the Legislative Council or Joint Budget Committee
21 is ruled unconstitutional by a court jurisdiction, this entire section is
22 void.

23
24 SECTION 3. All provisions of this act of a general and permanent nature
25 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code
26 Revision Commission shall incorporate the same in the Code.

27
28 SECTION 4. Except as provided in Section 2 herein, if any provision of
29 this act or the application thereof to any person or circumstance is held
30 invalid, such invalidity shall not affect other provisions or applications of
31 the act which can be given effect without the invalid provision or
32 application, and to this end the provisions of this act are declared to be
33 severable.

34
35 SECTION 5. All laws and parts of laws in conflict with this act are
36 hereby repealed.
