26 REALLOCATION OF RESOURCES. Upon determination by the Board of Correction and
27 Community Punishment that a reallocation of resources within the Department of
28 Community Punishment and Department of Correction is necessary for the
29 efficient and effective operation of the departments, the Board, with approval
30 of the Governor and *approval* by the Arkansas Legislative Council or Joint
31 Budget Committee, shall have the authority to instruct the department
32 directors, to request from the Chief Fiscal Officer of the State, a transfer
33 of positions, programs, funds, appropriations, and line-item appropriations
34 within or between existing and newly created divisions, offices, sections, or
35 units of the departments. If it is determined that the requested transfer
36 should be made, the Chief Fiscal Officer of the State shall then initiate the

1 necessary transfer documents to reflect the transfers upon the fiscal records
2 of the State Treasurer, the State Auditor, the Chief Fiscal Officer of the
3 State, and the Departments of Correction and Community Punishment. Provided,
4 however, that the Board shall be limited to submitting no more than
5 Four requests during any fiscal year. Transfer authority for unforeseen
6 purposes shall further be limited to no more than five percent (5%) of the
7 total appropriation, funding, and positions specific to each agency. Other
8 than for unforeseen purposes, transfers shall be limited to the following
9 specific purposes:

- 10
11 a) Payment of County Jail Reimbursement expenses;
12 b) Costs to open and operate temporary beds;
13 c) Payment of Debt Service;

20 mission of the agency.

21
22 Determining the maximum number of employees and the maximum amount of
23 appropriation and general revenue funding for a state agency each fiscal year
24 is the prerogative of the General Assembly. This is usually accomplished by
25 delineating such maximums in the appropriation act(s) for a state agency and
26 the general revenue allocations authorized for each fund and fund account by
27 amendment to the Revenue Stabilization law. Further, the General Assembly has
28 determined that the Department of Correction and the Department of Community
29 Punishment may operate more efficiently if some flexibility is provided to the
30 Board of Correction and Community Punishment authorizing broad powers under
31 the Reallocation of Resources provisions herein. Therefore, it is both
32 necessary and appropriate that the General Assembly maintain oversight by
33 requiring prior approval of the Legislative Council or Joint Budget Committee
34 as provided by this section. The requirement of approval by the Legislative
35 Council or Joint Budget Committee is not a severable part of this section. If
36 the requirement of approval by the Legislative Council or Joint Budget

1 Committee is ruled unconstitutional by a court jurisdiction, this entire
 2 section is void.

3

 10 percent (5.5%) of the annual salary authorized by law to any eligible employee
 11 and shall only be made available to the personnel occupying the following
 12 positions.

24

25 Employees assigned to these classifications may be eligible for hazardous duty

5 considered as exceeding the maximum authorized annual salary allowance for
6 employees in receipt of such amounts. Such amounts shall be considered as
7 Regular Salary and the Department of Finance and Administration shall adopt
8 the necessary rules and regulations for the administration of this provision.

9
10 Employees covered by the provisions of this Section shall be eligible for
11 special compensation for hazardous duty and additional compensation for
12 maximum security assignment only upon a determination by the Chief Fiscal
13 Officer of the State that sufficient general revenues are available to sustain
14 payment of the additional compensation levels herein authorized. It is the
15 intent of this section that such payments shall be optional, at the discretion
16 of the Chief Fiscal Officer of the State and the Director of the Department of
17 Correction, dependent upon sufficient revenues and shall not be implemented
18 using funds specifically set aside for other programs within the Department.

11 Correction will be eligible for all holiday pay accrued during the years of

13 the State after the Director of the Department of Correction has verified that
14 sufficient revenues are available to make such payments to employees in the
15 following classifications:

- 16

32 SECTION 38. SEVERABILITY. If any provision of this act or the application
33 thereof to any person or circumstance is held invalid, such invalidity shall
34 not affect other provisions or applications of the act which can be given
35 effect without the invalid provision or application, and to this end the
36 provisions of this act are declared to be severable, *except as provided in*

1 Section 27 herein.

3 SECTION 39. GENERAL REPEALER. All laws and parts of laws in conflict with
4 this act are hereby repealed.

6 SECTION 40. EMERGENCY CLAUSE. It is hereby found and determined by the
7 Eighty-second General Assembly, that the Constitution of the State of Arkansas
8 prohibits the appropriation of funds for more than a two (2) year period; that
9 the effectiveness of this Act on July 1, 1999 is essential to the operation of
10 the agency for which the appropriations in this Act are provided, and that in
11 the event of an extension of the Regular Session, the delay in the effective
12 date of this Act beyond July 1, 1999 could work irreparable harm upon the
13 proper administration and provision of essential governmental programs.
14 Therefore, an emergency is hereby declared to exist and this Act being
15 necessary for the immediate preservation of the public peace, health and
16 safety shall be in full force and effect from and after July 1, 1999.
