 35 functions and responsibilities of the Rehabilitation Division of the  
 36 Department of Workforce Education that are performed for the State Kidney

1 Disease Commission as created in Arkansas Code beginning at §20-15-602 would  
2 be more beneficial to the clients of the State Kidney Disease Commission and  
3 more cost effective, the Governor may direct, by Executive Order, that such  
4 functions and responsibilities along with associated funds, appropriations,  
5 positions and other assets, be transferred to the Department of Human  
6 Services. The Governor shall notify the Legislative Council and the Senate and

14 SECTION 38. If any provision of this act or the application thereof to  
15 any person or circumstance is held invalid, such invalidity shall not affect  
16 other provisions or applications of the act which can be given effect without  
17 the invalid provision or application, and to this end the provisions of this  
18 act are declared to be severable.

19

27 1999 such changes will not be timely. Therefore, an emergency is declared to  
28 exist and this act being immediately necessary for the preservation of the  
29 public peace, health and safety shall become effective on July 1, 1999.
