20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. Arkansas Code § 19-4-1405, concerning bidding procedures,
23 is amended to add an additional subsection to read as follows:

24 (f)(1) State agencies shall not require in plans or specifications
25 that a bidder or supplier:

26 (A) Hold membership in any professional or industry
27 associations, societies, trade groups, or similar organizations;

28 (B) Possess certification from any professional or
29 industry associations, societies, trade groups, or similar organizations as
30 steel building fabricators; or

31 (C) Be endorsed by any professional or industry
32 associations, societies, trade groups, or similar organizations.

33 (2) However, plans and specifications may include or reference
34 standards adopted by professional or industry associations, societies, trade
35 groups, or similar organizations.

1
2 SECTION 2. Arkansas Code § 19-4-1413(b), concerning provisions
3 applicable to projects constructed with private funds, is amended to read as
4 follows:

5 (b) Notwithstanding anything in this subsection to the contrary, the
6 provisions of § 19-4-1405(f), §§ 22-9-301 - 22-9-315, §§ 22-9-401 - 22-9-404,
7 §§ 22-9-501 - 22-9-505, §§ 22-9-601 - 22-9-604, and §§ 22-9-701 - 22-9-702
8 shall remain in full force and effect and not be affected hereby.

9
10 SECTION 3. Arkansas Code § 19-4-1415(h)(6)(B)(iii), concerning
11 projects exceeding five million dollars, is amended to read as follows:

12 (iii) Notwithstanding anything in this subsection to
13 the contrary, the provisions of §§ 19-4-1405(f), 19-4-1413, 19-11-801, 22-9-
14 101, 22-9-103, 22-9-104, 22-9-213, 22-9-301 et seq., 22-9-401 et seq., 22-9-
15 501 et seq., 22-9-601 et seq., and 22-9-701 et seq. shall remain in full
16 force and effect and not be affected hereby.

17
18 SECTION 4. Arkansas Code § 22-9-203, concerning public improvements
19 generally and award procedures, is amended to read as follows:

20 (k)(1) The state, an agency of the state, a county, a municipality, a
21 school district, or other local taxing unit shall not require in plans or
22 specifications that a bidder or supplier:

23 (A) Hold membership in any professional or industry
24 associations, societies, trade groups, or similar organizations;

25 (B) Possess certification from any professional or
26 industry associations, societies, trade groups, or similar organizations as
27 steel building fabricators; or

28 (C) Be endorsed by any professional or industry
29 associations, societies, trade groups, or similar organizations.

30 (2) However, plans and specifications may include or reference
31 standards adopted by professional or industry associations, societies, trade
32 groups, or similar organizations.

33
34 SECTION 5. EMERGENCY CLAUSE. It is found and determined by the
35 General Assembly of the State of Arkansas that requirements in plans and
36 specifications which require bidders and suppliers to hold membership in

1 certain professional organizations limit the number of eligible bidders and
 2 suppliers for projects; that by requiring bidders and suppliers to hold
 3 membership in professional organizations, an entity may increase the
 4 possibility of certain bidders and suppliers receiving projects, which is an
 5 inequitable outcome; and that the state of Arkansas and its citizens will
 6 benefit from enhanced competition for bidders and suppliers on public
 7 construction projects. Therefore, an emergency is declared to exist and this
 8 act being immediately necessary for the preservation of the public peace,
 9 health, and safety shall become effective on:

10 (1) The date of its approval by the Governor;

11 (2) If the bill is neither approved nor vetoed by the Governor,
 12 the expiration of the period of time during which the Governor may veto the
 13 bill; or

14 (3) If the bill is vetoed by the Governor and the veto is
 15 overridden, the date the last house overrides the veto.
