8 SECTION 4. DISBURSEMENT OF FUNDS. (a) Expenditure of the funds
9 authorized by the Eighty-Sixth General Assembly in either the regular or
10 extraordinary session from the 86th Session Projects Account shall be made
11 only upon documentation to the Chief Fiscal Officer of the State, in such
12 form as deemed necessary, that all criteria or pre-conditions established in
13 the appropriation act have been met or in the case of state agencies, and
14 that a Method of Finance has been filed with the Office of Accounting in the
15 Department of Finance and Administration, if required.

16 (b) Any matching funds as may be provided in law shall be certified to the
17 Chief Fiscal Officer of the State prior to the commencement of the project.

18 (c) Any recipient of the funds appropriated herein:

19 (1) may be required to file a compliance audit and

20 (2) is also subject to an audit by the Division of Legislative Audit in
21 order to determine that the use of the funds was in compliance with the
22 intent and appropriated purposes of the General Assembly.

23

24 SECTION 5. (a) Any enactment of the 86th General Assembly in either
25 regular or extraordinary session appropriating, transferring or allocating
26 funds to be payable from the "General Improvement Fund", for which a specific
27 allocation of funds is specifically authorized in this Act, shall be deemed
28 to be payable from the "86th Session Projects Account" within the "General
29 Improvement Fund" unless a specific intent is otherwise provided by law.

30 (b) Any enactment of the 86th General Assembly, meeting in either Regular or
31 Extraordinary Session, appropriating, allocating or transferring funds
32 payable from the General Improvement Fund which is not enumerated in this Act
33 shall not be financed from monies accruing to the 86th Session Projects
34 Account.

35 (c) Monies reappropriated by the 86th General Assembly for projects for
36 which appropriations were made by the 85th General Assembly, which are not

19 Council.

20
21 SECTION 8. This Act shall not be incorporated into the Arkansas Code
22 nor published separately as Special, Local and Temporary law.

23
24 SECTION 9. EMERGENCY CLAUSE. It is found and determined by the
25 General Assembly that it has considered and enacted appropriations for
26 construction projects and other programs to be financed from the accumulated
27 balances and reserve funds available in the State Treasury; that the total of
28 the enacted appropriations exceed the estimated available funding available
29 for such projects and that the immediate passage of this Act is necessary to
30 establish a method of providing for the orderly financing and a system of
31 priority for the financing of such projects. Therefore, an emergency is
32 declared to exist and this act being immediately necessary for the
