30  
 31           SECTION 2. Arkansas Code § 15-4-1026(a)(1), concerning tax credits  
 32 under the Arkansas Capital Development Company Act, is amended to read as  
 33 follows:

34           (a)(1) Subject to the limitations contained in this section, A a  
 35 person who purchases an equity interest in a capital development company in  
 36 any of the calendar years 2003 - 2015 is entitled to a credit against any

 2 the purchaser for any tax year commencing on or after the date of the  
 3 purchase.

4  
 5 SECTION 3. Arkansas Code § 15-4-1026, concerning tax credits under the  
 6 Arkansas Capital Development Company Act, is amended to add an additional  
 7 subsection to read as follows:

8 (h)(1) No capital development company shall enter into an agreement or  
 9 a commitment for the purchase by any person of equity interests in the  
 10 capital development company on or after July 1, 2007.

11 (2) However, all agreements and commitments of the capital  
 12 development company related to the purchase of equity interests in existence  
 13 before July 1, 2007, and certified to the Department of Economic Development  
 14 shall remain valid and enforceable, shall be entitled to the tax credits set  
 15 forth in this section, and shall be completed in accordance with their  
 16 respective terms.

17  
 18 SECTION 4. EMERGENCY CLAUSE. It is found and determined by the  
 19 General Assembly of the State of Arkansas that the flow of development  
 20 capital funds into and within the state continues to be insufficient to  
 21 support the growth of businesses that will bring higher-paying jobs to  
 22 inhabitants of the state; that as a result of the lack of available capital  
 23 sources the state has suffered economic losses because of the inability to  
 24 compete with other states in providing capital resources for high-wage  
 25 businesses; that this legislation will stimulate the flow of private capital  
 26 vital to the attraction, growth, and modernization of targeted businesses and  
 27 allow the coordination by state agencies of tax credits with other economic  
 28 development tools; that unless such a program of tax credits is undertaken,  
 29 the state will suffer further irreparable loss as a result of the continued  
 30 inability to attract and support business development and from lost  
 31 opportunities for economic expansion. Therefore, an emergency is declared to  
 32 exist and this act being immediately necessary for the preservation of the  
 33 public peace, health, and safety shall become effective on:

34 (1) The date of its approval by the Governor;

35 (2) If the bill is neither approved nor vetoed by the Governor,  
 36 the expiration of the period of time during which the Governor may veto the

1 bill; or

2 (3) If the bill is vetoed by the Governor and the veto is  
3 overridden, the date the last house overrides the veto.
