17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
18

19 SECTION 1. Arkansas Code Title 20, Chapter 64 is amended to add an
20 additional subchapter to read as follows:

21 20-64-1101. Findings – Purpose.

22 (a) The General Assembly finds:

23 (1) There is a great need to develop and recommend long-range
24 alternative means for reducing the ever-growing and costly demands on the
25 substance abuse treatment and criminal justice systems in the State of
26 Arkansas;

27 (2) Research models have demonstrated that the prevention of
28 early initiation into alcohol and drug use and other risky behaviors requires
29 a sustained communitywide effort;

30 (3) Community-wide substance abuse prevention efforts must
31 target the life spectrum and must include efforts to curb the misuse of
32 common household products, over-the-counter medications, prescription
33 medicines, alcohol, and illegal substances;

34 (4) To date, very few state resources have been invested to
35 prevent one of the most ubiquitous and costly issues confronting our state,

1 that is, substance abuse;

2 (5) Most substance abuse prevention efforts within Arkansas have
3 been at the mercy of the federal government rather than at the direction of
4 the state; and

5 (6) Consequently, as federal resources wane, so do substance
6 abuse prevention efforts throughout this state.

7 (b) The purpose of this subchapter is the improvement of substance
8 abuse prevention programs in the state.

9
