8 ~~(2) An employee whose classification and grade assignment are on~~
9 ~~the career service compensation plan may have his or her salary eligibility~~
10 ~~further adjusted as follows:~~

11 ~~(A) An employee whose adjusted annual salary falls below~~

13 ~~be further adjusted to the entry pay level;~~

14 ~~(B) An employee whose adjusted annual salary falls above~~

33 ~~the professional and executive pay plan may have his or her salary~~
34 ~~eligibility further adjusted as follows:~~

3 ~~salary rate is at or above the maximum level rate of pay authorized for the~~
4 ~~grade assigned to his or her classification shall be eligible for the~~
5 ~~increase provided in subdivision (b)(1) of this section, but the increase is~~

17 ~~this section.~~

18 ~~(e)-(1)(b)(1)(A)~~ The maximum annual rate of compensation for which an
19 employee is eligible on July 1, ~~2010~~ 2011, shall be determined by increasing
20 the employee's June 30, ~~2010~~ 2011, salary by ~~two and three tenths percent~~
21 ~~(2.3%)~~ one and eighty-six hundredths percent (1.86%).

22 (B) The maximum annual rate of compensation for which an
23 employee is eligible on July 1, 2012, shall be determined by increasing the
24 employee's June 30, 2012, salary by two and thirty-eight hundredths percent
25 (2.38%).

26 (2) The additional salary increase of ~~two and three tenths~~
27 ~~percent (2.3%)~~ one and eighty-six hundredths percent (1.86%) on July 1, 2011,
28 and the additional salary increase of two and thirty-eight hundredths percent
29 (2.38%) on July 1, 2012, shall not allow an employee's compensation to exceed
30 the maximum pay level amount set out for the position unless the employee is
31 eligible for the career pay level as established in § 21-5-214.

32 (3) If an employee does not meet the service requirements in §
33 21-5-214(a), the increase shall be paid as a lump sum on the last pay period
34 of the fiscal year of the year in which the increase is to occur.

35 (4)(A) An employee compensated at the highest pay level rate
36 authorized for the grade assigned to his or her classification may receive

1 the July 1, 2011, salary increase of ~~two and three tenths percent (2.3%)~~one
2 and eighty-six hundredths percent (1.86%) and the July 1, 2012, salary
3 increase of two and thirty-eight hundredths percent (2.38%) authorized in
4 this section as a lump-sum payment.

5 (B) However, the increase shall be paid as a lump sum on
6 the last pay period of the fiscal year of the year in which the increase is
7 to occur, and the payment shall not be construed as exceeding the maximum
8 salary.

9 ~~(d)(1)~~(c)(1) An employee covered by this subchapter is eligible for an
10 additional salary increase of two percent (2%) each fiscal year upon approval
11 by the Governor if:

12 (A) The Chief Fiscal Officer of the State determines that
13 sufficient general revenues become available; and

14 (B) The additional salary increase of two percent (2%)
15 does not result in an employee's compensation exceeding the maximum pay level
16 amount set out for the position unless the employee is eligible for the
17 career pay level on the career service pay plan as established in § 21-5-214.

18 (2)(A) An employee compensated at the highest pay level rate
19 authorized for the grade assigned to his or her classification is eligible to
20 receive the salary increase of two percent (2%) authorized in this section as
21 a lump-sum payment.

22 (B) However, the increase shall be paid as a lump sum on
23 the last pay period of the fiscal year of the year in which the increase is
24 to occur, and the payment shall not be construed as exceeding the maximum
25 salary.

26 ~~(e)(1)~~(d)(1) If the Chief Fiscal Officer of the State determines that
27 general revenue funds are insufficient to implement the salary increases
28 authorized in this subchapter or by any other law that affects salary
29 increases for state employees, the Chief Fiscal Officer of the State upon
30 approval by the Governor may reduce the percentage of all authorized salary
31 increases for all state employees covered by this subchapter without regard
32 to whether or not the employees are compensated from general or special
33 revenues, federal funds, or trust funds.

34 (2) However, if sufficient general revenues should then become
35 available at any time during the year to provide the maximum additional
36 salary increases for all state employees without regard to the source of

1 revenues, salary increases for state employees provided for in this
2 subchapter or by any other law may be fully implemented by the Chief Fiscal
3 Officer of the State.

4 (3) Any salary adjustments made by the Chief Fiscal Officer of
5 the State in accordance with this subsection shall be reported to the
6 Personnel ~~Committee~~ Subcommittee of the Legislative Council.

7 ~~(f)~~(e) All percentage calculations stipulated in this subchapter or
8 any other law affecting salaries of state employees may be rounded to the
9 nearest even-dollar amount by the office when making the percentage changes
10 to state employee salaries.

11

25 ~~assigned to the shift on a regularly scheduled rotating basis.~~

27 ~~the grade assigned to their classification may be compensated at an~~
28 ~~additional rate not to exceed five and one half percent (5.5%) of their~~
29 ~~eligible salary under the provisions of this subchapter.~~

30 ~~(2) In those instances where the granting of such additional~~
31 ~~compensation would have the effect of temporarily exceeding the maximum~~
32 ~~annual rate for the grade assigned to the employee's classification, the~~
33 ~~additional compensation shall not be considered as exceeding the maximum~~
34 ~~allowable rate for that grade.~~

35 ~~(c) An employee who is receiving additional compensation under the~~
36 ~~provisions of this section and then is reassigned to a normal shift shall~~

1 ~~revert, on the day of the reassignment, to the rate of pay for which he or~~
2 ~~she is eligible under the provisions of this subchapter.~~

7 ~~(e)(a)~~ An employee compensated with the maximum annual salary rate as
8 set out in dollars by law enacted by the General Assembly for a department,

14 ~~(ii) An employee whose annual base salary rate is at~~
