13 division shall provide written notice by certified mail of its designation
14 under subdivision (b)(1) of this section to all nonprofit community programs

8 (B) If the application is denied, the division shall send
9 written notice of the denial to the applicant that sets forth the criteria
10 that the proposed nonresidential service expansion failed to meet.

11
12 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General
13 Assembly of the State of Arkansas that managed expansion of the child health
14 management services program and the developmental day treatment clinic
15 services for children program is in the best interest of children served and
16 critical to economic efficiencies necessary to sustain the Medicaid program;
17 that managed expansion is also necessary to ensure adequate geographic
18 coverage in rural areas; and that the managed expansion rules in place for
19 developmental day treatment clinic services have worked well and should serve
20 as the model for child health management services or any successor program.
21 Therefore, an emergency is hereby declared to exist and this act being
22 necessary for the immediate preservation of the public peace, health and
23 safety shall become effective on July 1, 2013.
