Subtitle

11 TO REPEAL OBSOLETE LAWS IN TITLE 26 OF
12 THE ARKANSAS CODE.
13

14
15
16
17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
18

19 SECTION 1. Arkansas Code Title 26, Chapter 4, Subchapter 2, which
20 expired on June 30, 1993, is repealed.

21 ~~26-4-201. Title.~~

22 ~~This subchapter may be referred to and cited as the "Motion Picture~~
23 ~~Incentive Act of 1983".~~
24

25 ~~26-4-202. Purpose.~~

26 ~~It is found and determined that:~~

27 ~~(1) Arkansa's natural beauty and diverse topography provide a~~
28 ~~variety of excellent settings from which the motion picture industry might~~
29 ~~choose a location for filming a motion picture or television program;~~

30 ~~(2) Several successful motion pictures have been filmed in~~
31 ~~Arkansas, due to the unique qualities of the state in terms of natural~~
32 ~~settings, availability of labor, materials, climate, and hospitality of its~~
33 ~~people;~~

34 ~~(3) The motion picture industry brings with it a much-needed~~
35 ~~infusion of capital into areas of the state which may be economically~~
36 ~~depressed;~~

1 ~~(4) The multiplier effect of the infusion of capital resulting~~
 2 ~~from the filming of a motion picture or television program serves to~~
 3 ~~stimulate economic activity beyond that immediately apparent on the film set;~~

4 ~~(5) Due to the distance of Arkansas from the film industry~~
 5 ~~center on the West Coast and due to this period of economic depression, it is~~
 6 ~~necessary to provide financial incentives to the film industry in order that~~
 7 ~~Arkansas might compete with other states for filming locations; and~~

8 ~~(6) Since a significant portion of the cost of a motion picture~~
 9 ~~production will not be eligible for a tax incentive due to the fact that~~
 10 ~~portions of the production are carried out in another state, this subchapter~~
 11 ~~may also serve as an inducement for the motion picture industry to locate~~
 12 ~~operations within the State of Arkansas in order to take advantage of the tax~~
 13 ~~incentive afforded by this subchapter.~~

14
 15 ~~26-4-203. Definitions.~~

16 ~~As used in this subchapter, unless the context otherwise requires:~~

17 ~~(1) "Financial institution" means any bank or savings and loan in the~~
 18 ~~state which carries Federal Deposit Insurance Corporation (FDIC) or Federal~~
 19 ~~Savings and Loan Insurance Corporation (FSLIC) insurance;~~

20 ~~(2) "Motion Picture Office" means the division of the Arkansas~~
 21 ~~Economic Development Council charged with the responsibility of promoting and~~
 22 ~~assisting the motion picture industry in Arkansas;~~

23 ~~(3) "Motion picture production company" means a company engaged in the~~
 24 ~~business of producing motion pictures intended for a theatrical release or~~
 25 ~~for television viewing;~~

26 ~~(4) "Resident" means natural person and includes for the purpose of~~
 27 ~~determining eligibility for the tax incentive provided by this subchapter any~~
 28 ~~person domiciled in the State of Arkansas and any other person who maintains~~
 29 ~~a permanent place of abode within the state and spends in the aggregate more~~
 30 ~~than six (6) months of the taxable year within the state; and~~

31 ~~(5) "Revenue Division" means the Revenue Division of the Department of~~
 32 ~~Finance and Administration.~~

33
 34 ~~26-4-204. Penalties.~~

35 ~~(a) Any motion picture production company failing to comply with § 26-~~
 36 ~~4-205 may be enjoined from engaging in the business of producing motion~~

1 ~~pictures in the State of Arkansas by any court of competent jurisdiction~~
 2 ~~until the requirements of that section are met.~~

3 ~~(b) Any person, business, or motion picture production company~~
 4 ~~exploiting or attempting to exploit the tax incentive afforded by this~~
 5 ~~subchapter shall be subject to penalty in accordance with applicable state or~~
 6 ~~federal law.~~

7 ~~(c) Any motion picture production company attempting to abuse the~~
 8 ~~intent of this subchapter shall be denied any tax incentive to which it would~~
 9 ~~otherwise be entitled and shall be prohibited from applying for any future~~
 10 ~~tax incentive afforded by this subchapter.~~

11
 12 ~~26-4-205. Registration.~~

13 ~~Each motion picture production company which plans to film any scenes~~
 14 ~~within the borders of the State of Arkansas shall register with the Motion~~
 15 ~~Picture Office prior to the commencement of filming.~~

16
 17 ~~26-4-206. Tax incentive.~~

18 ~~Any motion picture production company which expends in excess of one~~
 19 ~~million dollars (\$1,000,000) in connection with the filming or production of~~
 20 ~~one (1) or more motion pictures in the State of Arkansas within a twelve-~~
 21 ~~month period or which expends in excess of five hundred thousand dollars~~
 22 ~~(\$500,000) in connection with the filming or production of one (1) motion~~
 23 ~~picture in this state within a six-month period shall, upon making~~
 24 ~~application therefor and meeting other requirements prescribed in this~~
 25 ~~subchapter, be entitled to a tax incentive benefit of five percent (5%) of~~
 26 ~~the funds so expended in Arkansas in connection with the filming or~~
 27 ~~production of a motion picture.~~

28
 29 ~~26-4-207. Expiration date.~~

30 ~~The opportunity for a tax incentive provided by § 26-4-206 shall expire~~

34 ~~(a) Any motion picture production company that intends to film all or~~
 35 ~~parts of a motion picture in Arkansas and desires to take advantage of the~~

2 ~~production of the motion picture. The estimate of expenditures shall be filed~~
3 ~~with the Motion Picture Office prior to the commencement of filming in~~
4 ~~Arkansas.~~

5 ~~(b) At the time the motion picture production company provides the~~
6 ~~estimate of expenditures to the office, it shall also designate a member or~~
7 ~~representative of the motion picture production company to work with the~~
8 ~~office and the Revenue Division of the Department of Finance and~~
9 ~~Administration on the reporting of expenditures and other information~~
10 ~~necessary to take advantage of the tax incentive afforded by this subchapter.~~

11 ~~(c) Within two (2) weeks after principal photography begins, the~~
12 ~~motion picture production company shall begin filing weekly expenditure~~
13 ~~reports. Failure to file weekly expenditure reports may result in a delay in~~
14 ~~the disbursement of the tax incentive benefit as provided in § 26-4-209. The~~
15 ~~weekly expenditure report shall be filed in accordance with, but not limited~~
16 ~~to, the following provisions:~~

18 ~~by this subchapter, payments shall be made from a checking account from any~~
19 ~~Arkansas financial institution;~~

20 ~~(2) Direct cash payments by the production company to Arkansas~~

30 ~~this subchapter;~~

33 ~~and~~

34 ~~(6) Payments for penalties or fines, payments to nonprofit~~
35 ~~organizations, and payments to federal and state entities that do not pay~~
36 ~~state taxes are to be excluded.~~

2 ~~the tax incentive provided by this subchapter begins on the date of the~~
3 ~~earliest expenditure reported.~~

5 ~~picture production company shall file an application for the tax incentive~~
6 ~~afforded by this subchapter. The application shall include a final~~
7 ~~expenditure report giving a total amount of expenditures which were made in~~
8 ~~the state in connection with the filming or production of a motion picture~~

33 ~~state food catering service to food businesses located in Arkansas, shall be~~
34 ~~allowed as eligible expenditures if actual receipts or copies of invoices~~

 21 ~~ten (10) working days of the receipt of the certification of the amount~~
