16

AN ACT TO REQUIRE A PRIOR APPROVAL

17

PROCESS FOR EXPERIMENTAL AND

18

INVESTIGATIONAL SURGICAL PROCEDURES AND

19

MEDICAL DEVICES.

20

21

22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

23

24 SECTION 1. Arkansas Code Title 23, Chapter 86, Subchapter 1, is

25 amended to add an additional section to read as follows:

26 23-86-122. Prior approval process for experimental and investigational

27 surgical products and medical devices.

28 (a) "Health carrier" means a health maintenance organization, hospital

29 medical service corporation, or a disability insurance company.

30 (A) "Health carrier" includes a self-insured governmental

31 or church plan and third-party administrators that administer or adjust

32 disability benefits for a disability insurer, hospital medical service

33 corporation, health maintenance organization, self-insured governmental plan

34 or self-insured church plan.

35 (B) "Health carrier" does not include:

36 (i) An automobile insurer paying medical or hospital

1 benefits under § 23-89-202(1) or a self-insured employer health benefits
2 plan; or

3 (ii) A person, company, or organization licensed or
4 registered to issue or who issues any insurance policy or insurance contract
5 in this state as described in §§ 23-62-102 and 23-62-104 – 23-62-107
6 providing medical or hospital benefits for accidental injury or disability.

7 (b) A health carrier that excludes or denies coverage for a specific
8 surgical product or medical device approved for marketing by the United
9 States Food and Drug Administration as experimental, investigational, or both
10 shall develop a process by which a surgeon, before utilizing the device or
11 treatment, may present medical evidence to obtain a review for the individual
12 patient for coverage of the surgical product or medical device.
