TO CREATE AN EXEMPTION FOR LICENSURE FOR
HEALTHCARE PROFESSIONALS OFFERING FREE
HEALTHCARE SERVICES THROUGH A PROGRAM IN
PARTNERSHIP WITH THE FEDERAL INNOVATIVE
READINESS TRAINING.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Legislative findings.
(a) The General Assembly finds that:
   (1) The Delta Regional Authority operates a program in
   partnership with the federal Innovative Readiness Training within the United
   States Department of Defense;
   (2) This program offers free medical, dental, optical, and
   veterinary care to the medically underserved and communities with high
   poverty rates in the forty-two (42) counties that are served by the Delta
   Regional Authority;
   (3) The program provides free medical, dental, optical, and
   veterinary care periodically at local venues in the Delta region;
   (4) The healthcare professionals who participate in the program
are military medical staff who are licensed in their respective fields;

(5) Often, these healthcare professionals licensed in their respective fields are not licensed to practice within the State of Arkansas; and

(6) In order to participate in the program, the healthcare professionals must obtain temporary licensure from their respective boards in Arkansas, which can cause delays and barriers to offering free medical, dental, optical, and veterinary care under the program.

(b) It is the intent of the General Assembly to standardize and streamline the licensing process to authorize healthcare professionals licensed in other states, commonwealths, territories, or the District of Columbia to practice while offering free medical, dental, optical, and veterinary care through a program in partnership with the federal Innovative Readiness Training.
