SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that certain employees and contractors of the Department of Workforce Services have access to confidential federal income tax information without having undergone a proper criminal background investigation; that to protect certain financial information, any individual that has access to confidential federal income tax information should have appropriate clearance; and that this act is immediately necessary because the Department of Workforce Services must conform with federal laws and regulations regarding confidential federal income tax information. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
