(d) Fifty percent (50%) of the increase in the amount allocated to general revenues under § 24-11-213, using the dollar amount allocated in fiscal year 1999-2000 as the base amount, shall be transferred to the Future Supplement Fund—Police under § 24-11-212.

(e) The amounts under § 24-11-217 shall be reduced proportionately so that the remainder portion for general revenue does not fall below four million dollars ($4,000,000).

(f)(1)(A) The factor applied to groups allocated under § 24-11-214(j) is forty percent (40%).

(B) The factor applied to groups allocated under § 24-11-214(m) 24-11-214(k) is thirty percent (30%).

(2) The factors under subdivision (f)(1)(e)(l) of this section may be reduced proportionately to meet the following criteria:

(A) The general revenue portion resulting from this subsection does not fall below four million dollars ($4,000,000); and

(B) If the amount resulting from the application of the
percentages under subdivision (f)(1) (e)(1) of this section, and the amounts in subsections (b)–(d) (b) and (c) of this section, and the amounts described in § 24-11-217 in total reduce the general revenue portion of the allocation below four million dollars ($4,000,000), the amounts resulting from the percentages in this subsection take precedence.

SECTION 5. Arkansas Code § 24-11-217(a) and (b), concerning additional allocations for certain underfunded plans, are amended to read as follows:

(a)(1)(a) Beginning with the allocation in fiscal year 2012, an additional allocation for certain underfunded plans as described in this section is created.

(b) The additional allocation replaces the Arkansas Fire and Police Pension Guarantee Fund under § 24-11-209 [repealed] after the allocation in fiscal year 2015.

SECTION 6. Arkansas Code § 24-11-217(d) and (e), concerning additional allocations for certain underfunded plans, are amended to read as follows:

(d) For the allocations in fiscal years 2012 through 2015, the amount of the additional allocation to a policemen’s pension and relief fund or a firemen’s relief and pension fund shall not be less than would have been provided by the Arkansas Fire and Police Pension Guarantee Fund under § 24-11-209 [repealed]. An amount that is not distributed due to a policemen’s pension and relief fund or firemen’s relief and pension fund not meeting the requirements of subsection (c) of this section shall be retained and used to supplement the amounts needed for future years when the reductions under subsection (e) of this section apply.

(e) The amounts provided under this additional allocation are subject to the limits under § 24-11-215.
SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that this act includes provisions that will impact premium tax distributions that will occur in June of 2019; and that this act is necessary because it will ensure that the operations of the Arkansas Local Police and Fire Retirement System and the Arkansas Fire and Police Pension Review Board as they relate to premium tax distributions will not be interrupted or impaired. Therefore, an emergency is declared to exist, and this act being necessary for the preservation of the public peace, health, and safety shall become effective on May 1, 2019.
