(8) Require reassignment of some or all of the administrative,
instructional, or support staff of a public school district;

(9) Require reorganization, closure, or dissolution of one (1) or more of the public schools within the public school district;

(7)-(A)-(10)-(A) Return the administration of the public school district to the former board of directors or to a newly elected board of directors if:

(i) The Department of Education certifies in writing to the state board and to the public school district that the public school district has corrected all issues that caused the classification of fiscal distress and the public school district has not experienced any additional indicators of fiscal distress; and

(ii) The state board determines the public school district has corrected all issues that caused the classification of fiscal distress.

(B) If the commissioner calls for an election of a new public school district board of directors, the public school district shall reimburse the county board of election commissioners for election costs as otherwise required by law;

(8)-(11) Otherwise reconstitute the public school district; or

(9)-(12) Take any other action allowed by law that is deemed necessary to assist a public school district in removing the classification of fiscal distress.

SECTION 7. Arkansas Code § 6-20-1910(d), concerning the process for returning a public school district to local control, is repealed.

(d) If the Commissioner of Education assumes authority over a public school district in fiscal distress under § 6-20-1909, the state board may pursue the following process for returning a public school district to the local control of its residents:

(1) During the second full school year following the assumption of authority, the state board shall determine the extent of the school district’s progress toward correcting all issues that caused the classification of fiscal distress;

(2)(A) If the state board determines that sufficient progress has been made by a school district toward correcting all issues that caused the classification of fiscal distress, but the school district has not yet
resolved all issues that caused the classification of fiscal distress, the
commissioner, with the approval of the state board, may appoint a community
advisory board of either five (5) or seven (7) members to serve under the
supervision and direction of the commissioner.

(B) The members of the community advisory board shall be
residents of the school district and shall serve on a voluntary basis without
compensation.

(C) The Department of Education shall cause to be provided
to the community advisory board technical assistance and training in, at a
minimum, the areas required in § 6-13-629.

(D) The duties of the community advisory board include
without limitation:

(i) Meeting monthly during a regularly scheduled
public meeting with the state-appointed administrator regarding the progress
of the public school or school district toward correcting all issues that
caused the classification of fiscal distress;

(ii) Seeking community input from the patrons of the
school district regarding the progress of the public school or school
district toward correcting all issues that caused the classification of
fiscal distress;

(iii) Conducting hearings and making recommendations
to the commissioner regarding personnel and student discipline matters under
the appropriate district policies;

(iv) Working to build community capacity for the
continued support of the school district; and

(v) Submitting quarterly reports to the commissioner
and the state board regarding the progress of the public school or school
district toward correcting all issues that caused the classification of
fiscal distress.

(E) The members of the community advisory board shall
serve at the pleasure of the commissioner until:

(i) The school district is returned to local control
and a permanent board of directors is elected and qualified; or

(ii) The state board annexes, consolidates, or
reconstitutes the school district under this section or under another
provision of law.
(3)(A) By April 1 of each year following the appointment of a community advisory board under subdivision (d)(2) of this section, the state board shall determine the extent of the school district’s progress toward correcting all issues that caused the classification of fiscal distress and shall:

(i) Allow the community advisory board to remain in place for one (1) additional year;

(ii) Return the school district to local control by calling for the election of a newly elected board of directors if:

(a) The department certifies in writing to the state board and to the school district that the school district has corrected all criteria for being placed into fiscal distress; and

(b) The state board determines the school district has corrected all criteria for being placed into fiscal distress; or

(iii) Annex, consolidate, or reconstitute the school district pursuant to this title.

(B) If the state board or commissioner calls for an election of a new school district board of directors, the school district shall reimburse the county board of election commissioners for election costs as otherwise required by law;

(4)(A) If the state board calls for an election of a new school district board of directors pursuant to subdivision (d)(3)(A)(ii) of this section, the commissioner, with the approval of the state board, may appoint an interim board of directors to govern the school district until a permanent school district board of directors is elected and qualified.

(B) The interim board of directors shall consist of either five (5) or seven (7) members.

(C) The members of the interim board of directors shall be residents of the school district and otherwise eligible to serve as school district board members under applicable law.

(D) The members of the interim board of directors shall serve on a voluntary basis without compensation.

SECTION 8. Arkansas Code Title 6, Chapter 20, Subchapter 19, is amended to add additional sections to read as follows:

6-20-1912. Fiscal support and monitoring.
(a) When a public school district is returned to local control or removed from fiscal distress status, the Department of Education:
   (1) Shall monitor the fiscal operations and accounts of the public school district for a period of three (3) years;
   (2) Shall provide support to the public school district regarding maintaining fiscal integrity and best financial management practices; and
   (3) May impose various reporting requirements on the public school district.

(b) A public school district that is returned to local control shall:
   (1) Comply with all monitoring and reporting requirements established by the department and the State Board of Education, including without limitation review of the public school district’s budget and approval for staffing;
   (2) Not incur any debt without prior written approval of the department; and
   (3) Use Arkansas Legislative Audit to conduct an annual audit.

6-20-1913. General business manager — Definition.
(a) As used in this subchapter, "general business manager" means a chief financial officer or business manager, however the position is titled, who:
   (1) Is responsible for the fiscal operations of a public school district; and
   (2) Performs duties under the direction of a superintendent of a public school district.

(b)(1) A general business manager for a public school district shall meet the minimum qualifications established by Department of Education rules.
   (2) These department rules shall ensure minimum qualifications that support the implementation of best financial management practices for public school districts.

(c) A general business manager who was hired before July 31, 2007, is exempt from subsection (b) of this section.

6-20-1914. Review of financial management practices.
(a) The Department of Education shall implement a system for reviewing
the financial management practices of public school districts to determine the support that is needed by public school districts.

(b) The system established under subsection (a) of this section shall address without limitation a public school district's:

(1) Use of resources;
(2) Financial accountability; and
(3) Personnel systems and benefits management.
