(3) If requested by the department, a law enforcement agency possessing jurisdiction shall assist in the investigation of any case of suspected adult maltreatment or long-term care facility resident maltreatment, including accompanying the department’s investigator if the department has a reasonable belief that the investigator’s safety could be compromised.

SECTION 2. Arkansas Code § 12-12-1711 is amended to read as follows:

12-12-1711. Procedures for investigation by the Department of Human Services.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
General Assembly of the State of Arkansas that currently each finding of
abuse or neglect by the Department of Human Services is subject to challenge
unless the department sends a person to conduct an investigation in person;
that the department’s review and adoption of the maltreatment investigation
record submitted by a nursing home, a practice in place for decades, was
determined to be out of compliance; and that this act is immediately
necessary because this act would correct that situation. Therefore, an
emergency is declared to exist, and this act being immediately necessary for
the preservation of the public peace, health, and safety shall become
effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor,
the expiration of the period of time during which the Governor may veto the
bill; or

(3) If the bill is vetoed by the Governor and the veto is
overridden, the date the last house overrides the veto.
