

Act 330 of the 1989 Regular Session.

Act 330

HB1591

By: Joint Budget Committee

"AN ACT TO ALLOW THE TRANSFER OF APPROPRIATION SAVINGS FOR THE SECRETARY OF STATE FOR THE FISCAL YEAR ENDING JUNE 30, 1989; AND FOR OTHER PURPOSES."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. The Office of the Secretary of State is hereby granted the authority to direct that an appropriation transfer be made on the books of the State Auditor and Chief Fiscal Officer of the State, from savings that may accrue in the various appropriations made to the Secretary of State and which are payable from the State Central Services Fund for the 1988-89 fiscal year. Such transfers shall be made only to the appropriation provided for Maintenance and General Operations and in an amount not to exceed \$104,000; to the appropriation for the publication of legal notices and in an amount not to exceed \$128,078.68; or both.

SECTION 2. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Seventh General Assembly, that an emergency repair on the State Capitol dome was required to preserve the Senate and House of Representatives chambers and that the repairs were made from the budget of the Secretary of State; that due to an unanticipated number of initiated Acts required to be published in newspapers by the Secretary of State, sufficient appropriation was not provided by the Seventy-Sixth General Assembly for such publication; and that sufficient savings are available in the various appropriations for this year to the Secretary of State which will allow additional appropriation to be provided without additional funds being required. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after the date of its passage and approval.
