16

17 SECTION 6. Subsection (i) of Arkansas Code § 27-35-203 is amended to

5 SECTION 7. All provisions of this Act of a general and permanent nature  
6 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code  
7 Revision Commission shall incorporate the same in the Code.  
8

9 SECTION 8. If any provision of this Act or the application thereof to  
10 any person or circumstance is held invalid, such invalidity shall not affect  
11 other provisions or applications of the Act which can be given effect without  
12 the invalid provision or application, and to this end the provisions of this  
13 Act are declared to be severable.  
14

15 SECTION 9. All laws and parts of laws in conflict with this Act are  
16 hereby repealed.  
17

18 SECTION 10. Emergency. It is hereby found and determined by the  
19 Eightieth General Assembly of the State of Arkansas that the current  
20 provisions of Arkansas law providing for penalties for overweight violations  
21 are wholly inadequate as a deterrent to unlawful movements of overweight  
22 vehicles and that only by the immediate implementation of new penalties by  
23 this act may this problem be solved. Therefore, an emergency is hereby  
24 declared to exist, and this act being necessary for the immediate preservation  
25 of the public peace, health, and safety, shall be in full force and effect  
26 from and after its passage and approval.
