27 STATE POLICE."
28

29 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
30

31 SECTION 1. This Act shall be known and may be cited as the Department
32 of Arkansas State Police Headquarters Facility and Wireless Data Equipment
33 Financing Act.
34

35 SECTION 2. (a) The General Assembly finds:

36 (1) that the Arkansas State Police are daily faced

1 with:

2 (A) problems related to out-of-date methods of
3 transmitting and processing information between officers in the field and
4 headquarters,

5 (B) the need for a more efficient means of
6 allocating Department personnel and other resources, particularly in emergency
7 circumstances,

8 (C) radio frequency congestion and information
9 bottleneck,

10 (D) greater personal risk for officers using
11 out-of-date information support,

12 (E) inadequate access to information databases,
13 and

14 (F) inadequate security for transmission of law
15 enforcement information;

16 (2) that there is a need to improve the
17 Department's information system by providing Wireless Data Equipment to
18 support the Arkansas State Police;

19 (3) that Wireless Data Equipment will be supported
20 by the Department's Land-Mobile Communications System and that the costs of
21 implementing the use of Wireless Data Equipment is greatly reduced by the
22 availability of the Land-Mobile Communications System to provide wireless
23 transmission capability;

24 (4) that a method of financing is necessary to
25 enable the Department to obtain Wireless Data Equipment;

26 (5) that the use of tax exempt revenue bonds to
27 finance the new Headquarters Facility will lower the cost of the facility by
28 substantially reducing the interest expense that otherwise would be paid; and

29 (6) that certain drivers license fees which were
30 pledged to obligations issued to finance the Land-Mobile Communications System
31 are now available to be pledged to the acquisition of the new Headquarters
32 Facility and Wireless Data Equipment.

33 (b) The General Assembly hereby determines that Wireless Data Equipment
34 is needed to maintain modern law enforcement and is therefore essential to
35 the safety and welfare of the people of the State.

36 (c) It is hereby legislatively determined that the most feasible and

1 least expensive way of financing the acquisition of Wireless Data Equipment is
2 by authorizing the use of revenue bonds.

3 (d) It is hereby legislatively determined that the acquisition and
4 financing of the new Headquarters Facility with revenue bonds will result in a
5 substantial savings when compared to the method currently in place.

6
7 SECTION 3. Any fees generated by Arkansas Code 27-16-801(a) and
8 Arkansas Code 27-23-118(a)(3) which are pledged to meet obligations under
9 Arkansas Code 12-8-301, et seq., for the Department's Land-Mobile

31 necessary, convenient or desirable to carry out the powers, purposes and
32 authority set forth in this act and to carry out the intent of this act.

33

34 SECTION 6. (a) The Debt Service Payments and other costs relating to
35 Wireless Data Equipment and the Headquarters Facility shall be secured by a
36 lien on and pledge of the Pledged Revenues. To the extent that Pledged

1 Revenues are not required to make Debt Service Payments, they shall be
2 released to the Department to provide operating funds as described below.

3 (b) On July 1, 1997, all Pledged Revenues are hereby specifically
4 declared to be cash funds restricted in their use and dedicated and to be used
5 solely as provided and authorized in this act. The Pledged Revenues shall
6 not be deposited into the State Treasury but, as and when received (by the
7 Commissioner of Motor Vehicles, the Department of Motor Vehicles, the
8 Department, the Commission, the Commissioner of Revenues, the Department of
9 Finance and Administration or by any other state agency) shall be deposited in
10 a bank or banks selected by the Department, to the credit of a fund hereby
11 created and designated as the Department of Arkansas State Police Financing
12 Fund.

13 (c) Commencing on the date that bonds are issued by the Authority
14 pursuant to this act and the Authority Act, the Financing Fund shall
15 constitute Pledged Revenues as defined in this act. Debt Service Payments
16 shall be paid from the Financing Fund as set forth in the Financing Documents.
17 If and so long as all Debt Service Payments have been properly made on the
18 last day of each fiscal quarter, the Pledged Revenues remaining in the
19 Financing Fund shall be withdrawn from the Financing Fund and deposited in the
20 State Treasury as special revenues to the credit of the Department. So long
21 as any Debt Service Payments remain to be paid, all moneys in the Financing
22 Fund shall continue to be pledged to Debt Service Payments, and other costs
23 in connection with the bonds and the maintenance of reserves, not
24 withstanding the Department's right to withdraw funds on the last day of
25 each fiscal quarter if Debt Service Payments are current. The provisions of
26 this Section shall expire upon payment or provision for all Debt Service
27 Payments as authorized in the Financing Documents, and any balances remaining
28 in the Financing Fund shall be deposited in the State Treasury to the credit
29 of the Department as a non-revenue receipt.

30 (d) So long as there are remaining any Debt Service Payments to be
31 made, the General Assembly may modify or change the fees referred to as
32 Pledged Revenues above but only on condition that there is always maintained
33 in effect and made available for the payment of Debt Service Payments, sources
34 of revenue, comparable in amount and time of receipt, which produce revenues
35 sufficient to provide for and secure Debt Service Payments when due.

36

1 SECTION 7. The Commission shall submit any Purchase Agreement for the
2 acquisition of Wireless Data Equipment, as authorized by this act, to the
3 Arkansas Legislative Council for its advice and counsel prior to any
4 obligation being incurred by the Commission.

5

6 SECTION 8. All provisions of this act of a general and permanent nature
7 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code
8 Revision Commission shall incorporate the same in the Code.

9

10 SECTION 9. If any provision of this act or the application thereof to
11 any person or circumstance is held invalid, such invalidity shall not affect
12 other provisions or applications of the act which can be given effect without
13 the invalid provision or application, and to this end the provisions of this
14 act are declared to be severable.

15

16 SECTION 10. All laws and parts of laws in conflict with this act are
17 hereby repealed.

18

19 SECTION 11. EMERGENCY. It is found and determined by the General
20 Assembly of the State of Arkansas that certain drivers license fees are
21 pledged to secure bonds which mature on July 1, 1997; that upon the maturity
22 of those bonds the fees will no longer be obligated; that those fees are
23 needed to provide vital services to the Arkansas State Police; that this act
24 will allow such use of those fees; and this act should go into effect as soon
25 as possible to provide the additional revenues to the State Police. Therefore
26 an emergency is declared to exist and this act being immediately necessary for
27 the preservation of the public peace, health and safety shall become effective
28 on the date of its approval by the Governor. If the bill is neither approved
29 nor vetoed by the Governor, it shall become effective on the expiration of the
30 period of time during which the Governor may veto the bill. If the bill is
31 vetoed by the Governor and the veto is overridden, it shall become effective
32 on the date the last house overrides the veto.
