SECTION 5. EMERGENCY. It is found and determined by the General Assembly of the State of Arkansas that without cost impact statements on bills which have an impact on prison populations the General Assembly cannot adequately review and debate those bills; the present law does not now require those cost impact statements; that this act will require cost impact statements on those bills and this act should go into effect immediately in order to be applicable to the Eighty-First General Assembly in its regular session. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto.
