12 follows:

13 (1) To create a viable procedure by which a local government may

 10 governmental and taxing entities having the power to levy taxes on property  
 11 located within the proposed redevelopment district and to the school board of

 8 the event any bonds, notes or other obligations are outstanding with respect  
 9 to the redevelopment district, any change in the boundaries shall not reduce

 29 redevelopment project district, the county assessor of the county in which  
 30 the district is located shall transmit to the county clerk, upon the request  
 31 of the local governing body, the base value, total ad valorem rate, debt  
 32 service ad valorem rate, and applicable ad valorem rate for the redevelopment  
 33 district and shall certify to it.

34 (2)(A) The assessor shall undertake, upon request of the local  
 35 governing body, an investigation, examination, and inspection of the taxable  
 36 real property in the district and shall reaffirm or revalue the base value

1 for assessment of the property in accordance with the findings of the  
 2 investigation, examination, and inspection.

3 (B) The assessor shall determine, according to his or her  
 4 best judgment from all sources available to him or her, the full aggregate  
 5 value of the taxable property in the district which aggregate valuation, upon  
 6 certification thereof by the assessor to the clerk, constitutes the base  
 7 value of the area.

8 (b)(1)(A) The assessor shall, annually, give notice to the designated  
 9 finance officer of each taxing unit having the power to levy taxes on  
 10 property within each district of the current value and the incremental value  
 11 of the property in the redevelopment district. The assessor shall also  
 12 determine the tax increment by applying the applicable ad valorem rate to the  
 13 incremental value.

14 (B) The notice shall also explain that the entire amount of  
 15 the tax increment allocable to property within the redevelopment district  
 16 will be paid to the special fund of the redevelopment district.

17 (2) The assessor shall identify upon the assessment roll those  
 18 parcels of property which are within each existing district specifying on it  
 19 the name of each district.

20  
 21 SECTION 13. Division of ad valorem real property tax revenue.

22 (a) For so long as the redevelopment district exists, the tax assessor  
 23 shall divide the ad valorem tax revenue collected with respect to taxable  
 24 property in the district, as follows:

25 (1) The assessor shall determine for each tax year:

26 (A) The amount of total ad valorem tax revenue which  
 27 should be generated by multiplying the total ad valorem rate times the  
 28 current value;

29 (B) The amount of ad valorem tax revenue which should be  
 30 generated by multiplying the applicable ad valorem rate times the base value;

31 (C) The amount of ad valorem tax revenue which should be  
 32 generated by multiplying the debt service ad valorem rate times the current  
 33 value; and

34 (D) The amount of ad valorem revenue which should be  
 35 generated by multiplying the applicable ad valorem rate times the incremental  
 36 value.

1           (2) The assessor shall determine from the calculations set forth  
 2 in subdivision (a)(1) of this section the percentage share of total ad  
 3 valorem revenue for each according to subdivisions (a)(1)(B), (a)(1)(C), and  
 4 (a)(1)(D), by dividing each of such amounts by the total ad valorem revenue  
 5 figure determined by the calculation in subdivision (a)(1)(A).

6           (3) On each date on which ad valorem tax revenue is to be  
 7 distributed to taxing units, such revenue shall be distributed by

8                   (A) Applying the percentage share determined according to  
 9 subdivision (a)(1)(B) to the revenues received and distributing such share to  
 10 the taxing entities entitled to such distribution pursuant to current law;

11                   (B) Applying the percentage share determined according to  
 12 subdivision (a)(1)(C) to the revenues received and distributing such share to  
 13 the taxing entities entitled to such distribution by reason of having bonds  
 14 outstanding; and

15                   (C) Applying the percentage share determined according to  
 16 subdivision (a)(1)(D) to the revenues received and distributing such share to  
 17 the special fund of the redevelopment district.

18           (b) In each year for which there is a positive tax increment, the  
 19 county treasurer shall remit to the special fund of the redevelopment  
 20 district that portion of the ad valorem taxes that consist of the tax  
 21 increment.

22           (c) Any additional monies appropriated to the redevelopment district  
 23 pursuant to an appropriation by the local governing body and any additional  
 24 moneys dedicated to the fund from other sources shall be deposited to the  
 25 redevelopment district fund by the treasurer of the local government.

26           (d) Any funds so deposited into the special fund of the redevelopment  
 27 district may be used to pay project costs, principal and interest on bonds,  
 28 and to pay for any other improvements of the redevelopment district deemed  
 29 proper by the local governing body.

30           (e) Unless otherwise directed pursuant to any agreement with  
 31 bondholders, moneys in the fund may be temporarily invested in the same  
 32 manner as other municipal funds.

33           (f) If less than all of the tax increment is to be used for project  
 34 costs or pledged to secure tax increment financing as provided in the plan  
 35 for the redevelopment project, the assessor shall account for such fact in  
 36 distributing the ad valorem tax revenues.

1  
 2           SECTION 14. Payments in lieu of taxes and other revenues. The local  
 3 governing body may elect to deposit in the special fund of the redevelopment  
 4 district all or any portion of the local government's share of payments in  
 5 lieu of taxes on property within the redevelopment district. Other revenues  
 6 to be derived from the redevelopment project may also be deposited in the  
 7 special fund at the direction of the local governing body.

8  
 9           SECTION 15. Bonds generally.

10           (a) Bonds may be issued for project costs which may include interest  
 11 prior to and during the carrying out of a project and for a reasonable time  
 12 thereafter, with such reserves as may be required by any agreement securing  
 13 the bonds and all other expenses incidental to planning, carrying out, and  
 14 financing the project. The proceeds of bonds may also be used to reimburse  
 15 the costs of any interim financing entered on behalf of the redevelopment  
 16 district.

17           (b) Bonds issued under this act shall be payable solely from the tax  
 18 increment or other revenues deposited to the credit of the special fund of  
 19 the redevelopment district and shall not be deemed to be a pledge of the  
 20 faith and credit of the local government.

21           (c) Every bond issued under this act shall recite on its face that it  
 22 is a special obligation bond payable solely from the tax increment and other  
 23 revenues pledged for its repayment.

24  
 25           SECTION 16. Redevelopment bonds or notes -- Authority to issue. For  
 26 the purpose of paying project costs or of refunding notes issued under this  
 27 act for the purpose of paying project costs, the local governing body may  
 28 issue redevelopment bonds or notes payable out of positive tax increments and  
 29 other revenues deposited to the special fund of the redevelopment district.

32           (a) Redevelopment bonds and notes shall be authorized by ordinance of  
 33 the local governing body.

34           (b)(1) The ordinance shall state the name of the redevelopment project  
 35 district, the amount of bonds or notes authorized, and the interest rate to  
 36 be borne by the bonds or notes.

1           (2) The ordinance may prescribe the terms, form, and content of  
 2 the bonds or notes and such other matters as the local governing body deems  
 3 useful, or it may include by reference the terms and conditions set forth in  
 4 a trust indenture or other document securing the redevelopment bonds.

5  
 6           SECTION 18. Redevelopment bonds or notes -- Terms, conditions, etc.

7           (a)(1) Redevelopment bonds or notes may not be issued in an amount  
 8 exceeding the estimated aggregate project costs, including all costs of  
 9 issuance of the bonds or notes.

10           (2) The redevelopment bonds and notes shall not be included in  
 11 the computation of the constitutional debt limitation of a local government.

12           (b)(1) The bonds or notes shall mature over a period not exceeding  
 13 twenty-five (25) years from their date of issuance or a period terminating  
 14 with the date of termination of the redevelopment district, whichever period  
 15 terminates earlier.

16           (2) The bonds or notes may contain a provision authorizing their  
 17 redemption, in whole or in part, at stipulated prices, at the option of the  
 18 local government on any interest payment date and, if so, shall provide the  
 19 method of selecting the bonds or notes to be redeemed.

20           (3) The principal and interest on the bonds and notes may be  
 21 payable at any place set forth in the resolution, trust indenture, or other  
 22 document governing the bonds.

23           (4) The bonds or notes shall be issued in registered form.

24           (5) The bonds or notes may be in any denominations.

25           (6) Each such bond or note is declared to be a negotiable  
 26 instrument.

27           (c) The bonds or notes may be sold at public or private sale.

28           (d) Insofar as they are consistent with subdivisions (a)(1), (b)(1)-  
 29 (6), and subsection (c) of this section, the provisions of Arkansas Code 14-  
 30 169-220 and 14-169-221 relating to procedures for issuance, form, contents,  
 31 execution, negotiation, and registration of municipal bonds and notes are  
 32 incorporated by reference therein.

33           (e) The bonds may be refunded or refinanced and refunding bonds may be  
 34 issued in any principal amount, provided that the last maturity of the  
 35 refunding bonds shall not be later than the last maturity of the bonds being  
 36 refunded.

1  
 2 SECTION 19. Redevelopment bonds or notes -- Security -- Marketability.  
 3 To increase the security and marketability of redevelopment bonds or  
 4 notes, the local government may:

5 (1) Create a lien for the benefit of the bondholders upon any public  
 6 improvements or public works financed by the bonds; or

7 (2) Make such covenants and do any and all such actions, not  
 8 inconsistent with the Arkansas Constitution, which may be necessary or  
 9 convenient or desirable in order to additionally secure the bonds or notes or  
 10 which tend to make the bonds or notes more marketable according to the best  
 11 judgment of the local governing body.

12  
 13 SECTION 20. Redevelopment bonds or notes -- Special fund for  
 14 repayment.

15 (a) Redevelopment bonds and notes are payable out of the special fund  
 16 created for each redevelopment district under this act.

17 (b)(1) The local governing body shall irrevocably pledge all or part of  
 18 the special fund to the payment of the bonds or notes.

19 (2) The special fund, or the designated part thereof, may  
 20 thereafter be used only for the payment of the bonds or notes and their  
 21 interest until they have been fully paid.

22 (c) A holder of the bonds or notes shall have a lien against the  
 23 special fund for payment of the bonds or notes and interest on them and may  
 24 bring suit, either at law or in equity, to enforce the lien.

25  
 26 SECTION 21. Redevelopment bonds or notes -- Tax exemption. Bonds and  
 27 notes issued under this act, together with the interest and income therefrom,  
 28 shall be exempt from all state, county, and municipal income taxes.

29  
 30 SECTION 22. Excess funds. Moneys received in the special fund of the  
 31 district in excess of amounts needed to pay project costs may be used by the  
 32 local governing body for other purposes of the district, or for any other  
 33 lawful purpose of the local governing body. Upon termination of the  
 34 district, all amounts in the special fund of the district may be used by the  
 35 local governing body for any lawful purpose.

36

1           SECTION 23. Impact reports. The Assessment Coordination Department,  
 2 in cooperation with other state agencies and local governments, shall make a  
 3 comprehensive impact report to the Governor and General Assembly at the  
 4 beginning of each biennium as to the economic, social, and financial effect  
 5 and impact of community redevelopment financing projects.

7           SECTION 24. Repealer. Arkansas Code 14-168-201 through 14-168-220 are  
 8 repealed.

9           ~~14-168-201. Title.~~

10           ~~This subchapter shall be known and may be cited as the "Arkansas~~  
 11 ~~Community Redevelopment Financing Act."~~

12           ~~14-168-202. Legislative findings and purpose.~~

13           ~~(a) The General Assembly finds:~~

14           ~~(1) That the existing system of allocating aggregate property tax~~  
 15 ~~revenues among tax levying municipalities and public entities has resulted in~~  
 16 ~~significant inequities and deterrents. The cost of public works or~~  
 17 ~~improvements within a municipality has been borne entirely by the~~  
 18 ~~municipality, while the expansion of tax base which is stimulated, directly~~  
 19 ~~or indirectly, by the improvements benefits not only the municipality but~~  
 20 ~~also all public tax levying entities which share the tax base. This situation~~  
 21 ~~is inequitable. Moreover, when the cost to a municipality of a public~~  
 22 ~~improvement project exceeds the future benefit to the municipality resulting~~  
 23 ~~from it, the municipality may decide not to undertake such projects. This~~  
 24 ~~situation has resulted in the postponement or cancellation of socially~~  
 25 ~~desirable projects. Also, the current shortage of funds for property~~  
 26 ~~acquisition and preparation and for construction and rehabilitation has~~  
 27 ~~severely reduced redevelopment and renewal projects;~~

28           ~~(2) That the financial inability to improve communities contributes to~~  
 29 ~~disease, environmental deterioration, and poverty and impairs the economic~~  
 30 ~~value of large areas which are characterized by depreciated values, impaired~~  
 31 ~~investments, and reduced capacity to pay taxes;~~

32           ~~(3) That these conditions are a menace to the health, safety, morals,~~  
 33 ~~and welfare of the citizens of the state and necessitate excessive and~~  
 34 ~~disproportionate expenditures of public funds for crime prevention and~~  
 35 ~~punishment, public health and safety, fire and accident protection, and other~~  
 36 ~~public services; and~~

1           ~~(4) That the recurring shortage of funds for construction and~~  
2 ~~rehabilitation has caused substantial unemployment in the construction~~  
3 ~~industry, which results in hardships, wastes human resources, increases the~~  
4 ~~public assistance burdens of the state, impairs the security and formation of~~  
5 ~~family life, impedes the economic and physical development of the state, and~~  
6 ~~adversely affects the welfare, health, and prosperity of all the people of~~  
7 ~~this state.~~

8           ~~(b) The General Assembly further finds that accomplishment of the~~  
9 ~~vital and beneficial public purposes is being frustrated because of a lack of~~  
10 ~~incentives and financial resources. The purpose of this subchapter is to~~  
11 ~~create a viable procedure by which a municipality, through its own initiative~~  
12 ~~and efforts, may finance projects which will tend to accomplish laudable~~  
13 ~~community improvement objectives.~~

14           ~~(c) A more stable and adequate source of funds for community~~  
15 ~~improvement construction and rehabilitation financing is required to~~  
16 ~~encourage community improvement in an orderly and sustained manner, and~~  
17 ~~thereby reduce and improve the enumerated conditions. In order to encourage~~  
18 ~~the investment of private capital and to encourage private enterprise to make~~  
19 ~~such community improvements so as to alleviate deteriorating conditions and~~  
20 ~~improve the health, safety, convenience, and welfare of the citizens of the~~  
21 ~~state, provision should be made to supplement the powers of municipalities to~~  
22 ~~finance redevelopment projects by adding the tax incremental method of~~  
23 ~~financing such improvements.~~

24           ~~(d) It is declared that for the benefit of the people of this state,~~  
25 ~~for the increase of their commerce, welfare, and prosperity, and for the~~  
26 ~~improvement of their living conditions, it is essential to provide new~~  
27 ~~employment opportunities, to prevent, arrest, and alleviate blight and decay~~  
28 ~~in communities, to increase the supply of housing available at low rentals,~~  
29 ~~to improve the tax base and to improve the general economy of the State of~~  
30 ~~Arkansas and that it is the purpose of this subchapter to provide an~~  
31 ~~additional and alternative means to municipalities to finance public~~  
32 ~~facilities and residential, commercial, and industrial development and~~  
33 ~~revitalization, all to the public benefit and good, in the manner provided in~~  
34 ~~this subchapter.~~

35           ~~14-168-203. Definitions.~~

36           ~~As used in this subchapter, unless the context otherwise requires:~~

 10 ~~revitalization, or to eliminate unhealthful, unsanitary, or unsafe~~  
 11 ~~conditions, or lessen density, mitigate or eliminate traffic congestion,~~

 13 ~~public welfare, or otherwise remove or prevent the spread of blight or~~  
 14 ~~deterioration; or~~

15           ~~(C) A project involving any of the aforementioned types of projects. A~~  
 16 ~~project may include the provision of financial and other assistance in the~~

 22 ~~systems, and other like improvements necessary for carrying out the project~~  
 23 ~~plan, together with such site improvements as are necessary for the~~  
 24 ~~preparation of any sites for uses in accordance with the plan, and making any~~  
 25 ~~land or improvements acquired in the project area available, by sale or by~~

 30 ~~municipality for a redevelopment project. The plan shall set forth an~~  
 31 ~~estimate of project costs and the amount and sources of funds to be used to~~  
 32 ~~defray such costs and shall include provisions for tax increment financing of~~  
 33 ~~project costs, in whole or in part. The tax increment financing provision of~~  
 34 ~~the plan shall:~~

35           ~~(A) Set forth the amount of indebtedness to be incurred pursuant to~~  
 36 ~~this subchapter;~~

1           ~~(B) Set forth an estimate of the tax increment to be generated as a~~  
2 ~~result of the project;~~

3           ~~(C) Set forth the method for calculating the tax increment, together~~  
4 ~~with any provision for adjustment of the method of calculation; and~~

5           ~~(D) Designate the board or officer of the municipality or county~~  
6 ~~responsible for calculating the tax increment. The plan may include such~~  
7 ~~other provisions as may be deemed necessary in order to carry out the tax~~  
8 ~~increment financing of the project. The project plan shall be consistent with~~  
9 ~~such comprehensive plan for the municipality as is then applicable, shall be~~  
10 ~~sufficiently complete to indicate the location and boundaries of the~~  
11 ~~redevelopment project area and such land acquisition, demolition, removal,~~  
12 ~~and rehabilitation of structures and such development, redevelopment, and~~  
13 ~~general public improvements as are proposed to be carried out within the~~  
14 ~~project area and indicate the proposed method for relocation of such persons~~  
15 ~~or organizations as may be displaced as a result of carrying out the project;~~

19 ~~or open spaces, high density of population and overcrowding or the existence~~  
20 ~~of conditions which endanger life or property by fire and other causes or any~~  
21 ~~combination of such factors, is conducive to ill health, transmission of~~  
22 ~~disease, infant mortality, juvenile delinquency, or crime and is detrimental~~  
23 ~~to the public health, safety, morals, or welfare. "Blighted area" includes~~  
24 ~~any area which, by reason of the presence of a substantial number of~~  
25 ~~substandard, slum, deteriorated or deteriorating structures, predominance of~~  
26 ~~defective or inadequate street layout, faulty lot layout in relation to size,~~  
27 ~~adequacy, accessibility or usefulness, unsanitary or unsafe conditions,~~  
28 ~~deterioration of site or other improvements, diversity of ownership, tax on~~  
29 ~~special assessment delinquency exceeding the fair value of the land,~~  
30 ~~defective or unusual conditions of title, or the existence of conditions~~  
31 ~~which endanger life or property by fire and other causes or any combination~~  
32 ~~of such factors, substantially impairs or arrests the sound growth of a city,~~  
33 ~~retards the provision of housing accommodations, or constitutes an economic~~  
34 ~~or social liability and is a menace to the public health, safety, morals, or~~  
35 ~~welfare in its present condition and use, or any area which is predominantly~~  
36 ~~open and which because of obsolete platting, diversity of ownership,~~

deterioration of structures or of site improvements, or otherwise, substantially impairs or arrests the sound growth of the community;

(4) "~~Redevelopment project district~~" means a geographic area within a city defined and created by resolution of the local legislative body. The district may consist of one (1) or more parcels or lots of land, if, upon adoption of the project plan, the aggregate taxable valuation of the property within all redevelopment districts within the municipality does not exceed twenty five percent (25%) of the taxable valuation of all property subject to taxation in the municipality;

(5) "~~Project costs~~" means expenditures made in preparation of the project plan and made or estimated to be made or monetary obligations incurred or estimated to be incurred by the municipality which are listed in the project plan as costs of public works or improvements within a redevelopment project district, plus any costs incidental thereto, diminished by any income, special assessments, or other revenues, other than tax increments, received, or reasonably expected to be received, by the municipality in connection with the implementation of the plan. Project costs include, but are not limited to:

(A) ~~Capital costs, including, but not limited to, the actual costs of the construction of public works or improvements, new buildings, structures, and fixtures, the demolition, alteration, remodeling, repair, or reconstruction of existing buildings, structures, and fixtures; the acquisition of equipment; and the clearing and grading of land;~~

(B) ~~Financing costs, including, but not limited to, all interest paid to holders of evidences of indebtedness issued to pay for project costs and any premium paid over the principal amount of it because of the redemption of the obligation prior to maturity;~~

8 (H) The amount of any contributions made in connection with the  
9 implementation of the project plan;

10 (I) Payments made, in the discretion of the local legislative body,  
11 which are found to be necessary or convenient to the creation of  
12 redevelopment areas or the implementation of project plans;

13 (J) That portion of costs related to the construction or other environmental  
14 protection devices, storm or sanitary sewer lines, water lines, or amenities  
15 or streets or the rebuilding or expansion of streets, the construction,  
16 alteration, rebuilding, or expansion of which is necessitated by the project  
17 plan for a district, whether or not the construction, alteration, rebuilding,  
18 or expansion is within the area;

19 (6) "City" means any municipal corporation in this state;

20 (7) "Local legislative body" means the city council or board of  
21 directors;

25 the city has no such commission;

26 (9) "Real property" means all lands including improvements and  
27 fixtures on them and property of any nature appurtenant to them or used in  
28 connection with them and every estate, interest, and right, legal or  
29 equitable, in them including terms for years and liens by way of judgment,  
30 mortgage, or otherwise, and the indebtedness secured by the liens;

31 (10) "Tax increment" means that amount obtained by multiplying the  
32 total county, city, school, or other local general property taxes levied on  
33 all taxable property within a redevelopment project district in a year,  
34 except for that amount of the general property taxes which is equal to the  
35 amount obtained by multiplying the millage obligated to retire any bonded  
36 indebtedness of the school district in a redevelopment project district by

1 the assessed valuation of all taxable property within a redevelopment project  
 2 district, by a fraction having as its numerator the value increment for that  
 3 year in such district and as a denominator that year's equalized value of all  
 4 taxable property in the district. In any year, a tax increment is "positive"  
 5 if the value increment is positive; it is "negative" if the value increment  
 6 is negative;

7 (11) ~~"Tax incremental base" means the aggregate value, as equalized,~~  
 8 ~~of all taxable property within a redevelopment project district on the date~~

 13 ~~incremental base. In any year, the "value increment" is positive if the tax~~  
 14 ~~incremental base is less than the aggregate value of the equalized taxable~~  
 15 ~~property; it is negative if that base exceeds that aggregate value.~~

17 ~~The General Assembly declares that this subchapter is necessary for the~~  
 18 ~~welfare of this state and its inhabitants, and it is the intent of the~~  
 19 ~~General Assembly that it is to be broadly construed to effect its purpose.~~

20 ~~14-168-205. Powers supplemental.~~

8           ~~(a) In order to implement the provisions of this subchapter, the steps~~  
 9 ~~set forth in this section are required.~~

 12 ~~submit the recommendation to the local legislative body.~~

13           ~~(c)(1) The local legislative body or planning commission shall hold a~~  
 14 ~~public hearing at which interested parties are afforded a reasonable~~  
 15 ~~opportunity to express their views on the proposed creation of a~~  
 16 ~~redevelopment project district and its proposed boundaries.~~

17           ~~(2)(A) Notice of the hearing shall be published in a newspaper of~~  
 18 ~~general circulation in the municipality once a week for two (2) consecutive~~  
 19 ~~weeks. The first such publication shall be at least fifteen (15) days prior~~  
 20 ~~to the hearing.~~

21           ~~(B) Prior to this publication, a copy of the notice shall be sent by~~  
 22 ~~first class mail to the chief executive officer of all local governmental and~~  
 23 ~~taxing entities having the power to levy taxes on property located within the~~  
 24 ~~proposed redevelopment project district and to the school board of a school~~  
 25 ~~district which includes property located within the proposed district.~~

26           ~~(d) The local legislative body shall adopt an ordinance which:~~

27           ~~(1) Describes the boundaries, which may, but need not, be the same as~~  
 28 ~~those recommended by the planning commission, of a redevelopment project~~  
 29 ~~district sufficiently definite to identify with ordinary and reasonable~~  
 30 ~~certainty the territory included in it. In this connection, the local~~

 36 ~~City of . . . . . Each subsequently created district shall be~~

1 assigned the next consecutive number; and

2 ~~(4) Contains findings that:~~

 4 ~~property within the district meets at least one (1) of the following~~  
 5 ~~criteria:~~

6 ~~(i) Is a blighted area; or~~

7 ~~(ii) Is in need of rehabilitation or conservation work within the~~  
 8 ~~meaning as set forth in § 14-169-703;~~

9 ~~(B) The improvement of the area is likely to enhance significantly the~~  
 10 ~~value of substantially all of the other real property in the area. It shall~~  
 11 ~~not be necessary to identify the specific parcels meeting the criteria; and~~

12 ~~(C) The aggregate value of taxable property of the district plus all~~  
 13 ~~existing districts does not exceed twenty five percent (25%) of the total~~  
 14 ~~value of taxable property within the city.~~

15 ~~14-168-208. Project plan Approval.~~

16 ~~(a) In order to implement the provisions of this subchapter, the steps~~  
 17 ~~set forth in this section are required.~~

18 ~~(b) Upon the creation of the redevelopment project district, the~~  
 19 ~~planning commission shall cause the preparation and adoption by the local~~  
 20 ~~legislative body of a project plan for each redevelopment project district~~  
 21 ~~and submit the plan for adoption by the local legislative body. This process~~  
 22 ~~shall conform to the procedures set forth in this section.~~

23 ~~(c)(1) The planning commission shall prepare and adopt a project plan~~  
 24 ~~for each redevelopment project district as set forth in §§ 14-56-422—14-56-~~  
 25 ~~424 and shall submit the plan to the local legislative body.~~

26 ~~(2) The plan shall include:~~

27 ~~(A) A statement listing the kind, number, and location of all proposed~~  
 28 ~~public works or improvements within the district or, to the extent provided,~~  
 29 ~~outside the district;~~

30 ~~(B) An economic feasibility study;~~

31 ~~(C) A detailed list of estimated project costs; and~~

32 ~~(D) A description of the methods of financing all estimated project~~  
 33 ~~costs and the time when the costs or monetary obligations related thereto are~~  
 34 ~~to be incurred.~~

35 ~~(E) The plan shall also include:~~

36 ~~(i) A map showing existing uses and conditions of real property in the~~

1 ~~district;~~

2 ~~(ii) A map of proposed improvements and uses in the district;~~

3 ~~(iii) Proposed changes of zoning ordinances;~~

4 ~~(iv) Master plan, map, building codes, and city ordinances;~~

5 ~~(v) A list of estimated nonproject costs; and~~

6 ~~(vi) A statement of the proposed method for the relocation of any~~  
 7 ~~persons to be displaced.~~

8 ~~(d)(1) The local legislative body shall hold a public hearing at which~~  
 9 ~~interested parties are afforded a reasonable opportunity to express their~~  
 10 ~~views on the proposed project plan.~~

11 ~~(2) The hearing may be held in conjunction with the hearing set forth~~  
 12 ~~in §§ 14-56-422—14-56-424.~~

13 ~~(3) Prior to publication, a copy of the notice shall be sent by first-~~  
 14 ~~class mail to the chief executive officer of all local governmental entities~~  
 15 ~~having the power to levy taxes on property within the district and to the~~  
 16 ~~school board of any school district which includes property located within~~  
 17 ~~the proposed district.~~

18 ~~(e)(1) Approval by the local legislative body of a project plan within~~  
 19 ~~one (1) year after county assessor certifies the tax incremental base of the~~  
 20 ~~district.~~

21 ~~(2) The approval shall be by resolution which contains findings that~~  
 22 ~~the plan is feasible and in conformity with the master plan, if any, of the~~  
 23 ~~municipality.~~

24 ~~14-168-209. Project plan—Amendment.~~

25 ~~(a) In order to implement the provisions of this subchapter, the steps~~  
 26 ~~set forth in this section are required.~~

27 ~~(b) The planning commission may, by resolution, adopt an amendment to~~  
 28 ~~a project plan, which amendment shall be subject to approval by the local~~  
 29 ~~legislative body.~~

30 ~~(c) Approval of the amendment shall require the same findings as~~  
 31 ~~provided in § 14-168-208(e)(2).~~

32 ~~(d)(1) Adoption of an amendment to a project plan shall be preceded by~~  
 33 ~~a public hearing held by the planning commission as provided in § 14-168-~~  
 34 ~~208(d), at which interested parties shall be afforded a reasonable~~  
 35 ~~opportunity to express their views on the amendment.~~

36 ~~(2)(A) Notice of the hearing shall be published in a newspaper of~~

1 ~~general circulation in the municipality once a week for two (2) consecutive~~  
2 ~~weeks. The first such publication shall be fifteen (15) days prior to the~~  
3 ~~hearing.~~

4 ~~(B) Prior to publication, a copy of the notice shall be sent by first-~~  
5 ~~class mail to the chief executive officer of all local governmental entities~~  
6 ~~having the power to levy taxes on property within the district and to the~~  
7 ~~school board of any school district which includes property located within~~  
8 ~~the proposed district.~~

9 ~~14-168-210. Overlapping districts.~~

10 ~~(a) Subject to any agreement with bondholders, a redevelopment project~~  
11 ~~district may be created, the boundaries of which overlap one (1) or more~~  
12 ~~existing districts. However, districts created as of the same date may not~~  
13 ~~have overlapping boundaries.~~

14 ~~(b) If the boundaries of two (2) or more districts overlap, in~~  
15 ~~determining how positive tax increments generated by that area which is~~  
16 ~~within two (2) or more districts are allocated among the districts, but for~~  
17 ~~no other purpose, the aggregate value of the taxable property in the~~  
18 ~~district, as equalized by the county assessor and board of equalization in~~  
19 ~~any year as to each earlier created district, is deemed to be that portion of~~  
20 ~~the tax incremental base of the district next created which is attributable~~  
21 ~~to the overlapped area.~~

22 ~~14-168-211. Valuation of real property.~~

23 ~~(a)(1) Upon and after the effective date of the creation of a~~  
24 ~~redevelopment project district, the county assessor of the county in which~~  
25 ~~the district is located shall transmit to the county clerk, upon the request~~  
26 ~~of the municipality, the assessed tax incremental base and shall certify to~~  
27 ~~it, in each year thereafter, the current assessed valuation for assessment of~~  
28 ~~taxable real property in the project district.~~

29 ~~(2)(A) The assessor shall undertake, upon request of the municipality,~~  
30 ~~an investigation, examination, and inspection of the taxable real property in~~  
31 ~~the district and shall reaffirm or revalue the current value for assessment~~  
32 ~~of the property in accordance with the findings of the investigation,~~  
33 ~~examination, and inspection.~~

34 ~~(B) The assessor shall determine, according to his best judgment from~~  
35 ~~all sources available to him, the full aggregate value of the taxable~~  
36 ~~property in the district which aggregate valuation, upon certification~~

1 thereof by him to the clerk, constitutes the tax incremental base of the  
 2 area.

3 (b)(1) The assessor shall not certify the district tax incremental  
 4 base until he determines that each of the procedures and documents required  
 5 has been timely completed and all notices required timely given.

6 (2) The facts supporting any document adopted or action taken to  
 7 comply shall not be subject to review by the assessor.

8 (c)(1)(A) The assessor shall, annually, give notice to the designated  
 9 finance officer of all governmental entities having the power to levy taxes  
 10 on property within each district as to the assessed value of the property and  
 11 the assessed value of the tax incremental base.

12 (B) The notice shall also explain that the entire amount in excess of  
 13 the tax incremental base allocable to a municipality will be paid to the  
 14 special fund of the redevelopment project district.

15 (2) The assessor shall identify upon the assessment roll those parcels  
 16 of property which are within each existing district specifying on it the name  
 17 of each district.

18 (d)(1) It is a rebuttable presumption that any property within a  
 19 district acquired or leased as lessee by the municipality, or any agency or  
 20 instrumentality thereof, within the one (1) year immediately preceding the  
 21 date of the creation of the district was so acquired or leased in  
 22 contemplation of the creation of the district.

23 (2)(A) This presumption may be rebutted by the municipality with proof  
 24 that the property was so leased or acquired primarily for a purpose other  
 25 than to reduce the redevelopment district tax incremental base.

26 (B) If this assumption is not rebutted, then, in determining the tax  
 27 incremental base of the district, but for no other purpose, the taxable  
 28 status of the property shall be determined as though the lease or acquisition  
 29 had not occurred.

30 ~~14-168-212. Division of ad valorem real property taxes.~~

31 (a) A redevelopment project plan may contain a recommendation that ad  
 32 valorem taxes levied each year by any public body upon real property in the  
 33 project shall be divided, in the manner specified in subsection (b) of this  
 34 section, for a period not to exceed twenty (20) years after the recommended  
 35 effective date of such a project plan.

36 (b) If the local legislative body of the municipality in which the

1 proposed project is located finds that the project is in conformance with its  
 2 redevelopment plan, it may approve a division of ad valorem tax revenues in  
 3 the following manner for the time specified and shall specify an effective  
 4 date of the division.

5 (1) That portion of the ad valorem taxes which are produced by the  
 6 levy at the rate fixed each year by or for each public body upon the tax  
 7 incremental base shall be paid to each public body.

8 (2)(A) That portion of the ad valorem taxes on real property in the  
 9 district excluding taxes voted to retire school district bonds in excess of  
 10 the tax incremental base, if any, shall be allocated to and when collected,  
 11 paid into a special fund of the redevelopment project district to pay the  
 12 principal of, the interest on, and any premiums due in connection with the  
 13 bonds of, loans, notes, or advances of money to, or indebtedness incurred by,  
 14 a district, whether funded, refunded, assumed, or otherwise, for financing or  
 15 refinancing, in whole or in part, a project.

16 (B) When such bonds, loans, notes, advances of money, or indebtedness,  
 17 if any, including interest thereon and any premiums due in connection with  
 18 them, have been paid, the municipality shall so notify the county assessor  
 19 and county tax collector. All subsequent ad valorem taxes upon taxable real  
 20 property in such a redevelopment project district shall be paid into the  
 21 general funds of the respective public bodies.

22 ~~14-168-213. Tax receipts—Duties of county officials.~~

23 (a)(1) In each year subsequent to the determination of a tax increment  
 24 base, the county assessor and the county board of equalization shall include  
 25 no more than the tax incremental base and school millage rates for bonds of  
 26 the taxable real property in the project in the assessed valuation upon which  
 27 are computed the mill rates of all taxes levied by any public body in the  
 28 district.

29 (2) In each year for which the current assessed valuation on taxable  
 30 real property in the project exceeds the tax incremental base, the county  
 31 treasurer shall remit to the special fund of the redevelopment project  
 32 district, instead of to any public body, that portion of the ad valorem taxes  
 33 on the real property in the district in excess of the tax incremental base.

34 (3) The city treasurer shall deposit additional moneys into the fund  
 35 pursuant to an appropriation by the local legislative body and shall deposit  
 36 any additional moneys dedicated to the fund from other sources.

1           ~~(b) Moneys shall be paid out of the fund only to pay project costs~~  
 2 ~~with respect to the district to reimburse the city for such payments or to~~  
 3 ~~satisfy claims of holders of redevelopment bonds or notes with respect to the~~  
 4 ~~district.~~

5           ~~(c) Subject to any agreement with bondholders, moneys in the fund may~~  
 6 ~~be temporarily invested in the same manner as other municipal funds.~~

7           ~~(d) After all project costs and all redevelopment bonds and notes with~~  
 8 ~~respect to the district have been paid or the payment thereof provided for,~~  
 9 ~~subject to any agreement with bondholders, any moneys remaining in the fund~~  
 10 ~~shall be paid over to the treasurer of each county, school district, or other~~  
 11 ~~public tax levying entity or to the general fund of the municipality in such~~  
 12 ~~amounts as belong to each, respectively, having due regard for what portion~~  
 13 ~~of such moneys, if any, represents tax increments not allocated to the city~~  
 14 ~~and what portion thereof, if any, represents voluntary deposits of the city~~  
 15 ~~into the fund.~~

16           ~~14-168-214. Bonds generally.~~

17           ~~(a) Without limiting the generality of § 14-168-213, bonds may be~~  
 18 ~~issued for project costs which may include interest prior to and during the~~  
 19 ~~carrying out of a project and for a reasonable time thereafter, with such~~  
 20 ~~reserves as may be required by any agreement securing the bonds and all other~~  
 21 ~~expenses incidental to planning, carrying out, and financing the project.~~

22           ~~(b) Bonds issued under this subchapter shall be payable solely from~~  
 23 ~~project revenues and shall not be deemed to be a pledge of the faith and~~  
 24 ~~credit of the municipality.~~

25           ~~(c) Every bond issued under this subchapter shall recite on its face~~  
 26 ~~that it is a special obligation bond payable solely from project revenues~~  
 27 ~~pledged for its repayment.~~

28           ~~14-168-215. Redevelopment bonds or notes—Authority to issue.~~

29           ~~For the purpose of paying project costs or of refunding notes issued~~  
 30 ~~under this subchapter for the purpose of paying project costs, the local~~  
 31 ~~legislative body may issue redevelopment bonds or notes payable out of~~  
 32 ~~positive tax increments.~~

33           ~~14-168-216. Redevelopment bonds or notes—Authorizing resolution.~~

34           ~~(a)(1) Redevelopment bonds and notes shall be authorized by resolution~~  
 35 ~~of the local legislative body.~~

36           ~~(2) The referendum or election may be held following the procedures~~

1 set forth in § 14-163-207.

2 (b)(1) ~~The resolution shall state the name of the redevelopment~~  
 3 ~~project district, the amount of bonds or notes authorized, and the interest~~  
 4 ~~rate to be borne by the bonds or notes.~~

5 (2) ~~The resolution may prescribe the terms, form, and content of the~~  
 6 ~~bonds or notes and such other matters as the local legislative body deems~~  
 7 ~~useful.~~

8 ~~14-168-217. Redevelopment bonds or notes — Terms, conditions, etc.~~

9 (a)(1) ~~Redevelopment bonds or notes may not be issued in an amount~~  
 10 ~~exceeding the aggregate project costs.~~

11 (2) ~~These bonds and notes shall not be included in the computation of~~  
 12 ~~the constitutional debt limitation of a city.~~

13 (b)(1) ~~The bonds or notes shall mature over a period not exceeding~~  
 14 ~~twenty (20) years from their date of issuance or a period terminating with~~  
 15 ~~the date of termination of the redevelopment project district, whichever~~  
 16 ~~period terminates earlier.~~

17 (2) ~~The bonds or notes may contain a provision authorizing their~~  
 18 ~~redemption, in whole or in part, at stipulated prices, at the option of the~~  
 19 ~~municipality on any interest payment date and shall provide the method of~~  
 20 ~~selecting the bonds or notes to be redeemed.~~

21 (3) ~~The principal and interest on the bonds and notes may be payable~~  
 22 ~~at any time and at any place.~~

23 (4) ~~The bonds or notes may be payable to bearer or may be registered~~  
 24 ~~as to the respective interests of the persons, firms, or corporations which~~  
 25 ~~purchase or own the bonds or notes.~~

26 (5) ~~The bonds or notes may be in any denominations.~~

27 (6) ~~Each such bond or note and all interest coupons appurtenant to it~~  
 28 ~~are declared to be negotiable instruments.~~

29 (c) ~~The bonds or notes may be sold at public or private sale.~~

30 (d) ~~Insofar as they are consistent with subdivisions (a)(1), (b)(1)~~  
 31 ~~(5), and subsection (c) of this section, the provisions of §§ 14-169-220 and~~  
 32 ~~14-169-221 relating to procedures for issuance, form, contents, execution,~~  
 33 ~~negotiation, and registration of municipal bonds and notes are incorporated~~  
 34 ~~by reference therein.~~

35 ~~14-168-218. Redevelopment bonds or notes — Security — Marketability.~~  
 36 ~~To increase the security and marketability of redevelopment bonds or~~

1 notes, the city may:

2 (1) Create a lien for the benefit of the bondholders upon any public  
3 improvements or public works financed by them or the revenues from them; or

4 (2) Make such covenants and do any and all such actions, not  
5 inconsistent with the Arkansas Constitution, which may be necessary or  
6 convenient or desirable in order to additionally secure the bonds or notes or  
7 which tend to make the bonds or notes more marketable according to the best  
8 judgment of the local legislative body.

9 14-168-219. Redevelopment bonds or notes—Special fund for repayment.

10 (a) Redevelopment bonds and notes are payable only out of the special  
11 fund created under this subchapter.

12 (b)(1) The local legislative body shall irrevocably pledge all or part  
13 of the special fund to the payment of the bonds or notes.

14 (2) The special fund, or the designated part thereof, may thereafter  
15 be used only for the payment of the bonds or notes and their interest until  
16 they have been fully paid.

17 (c) A holder of the bonds or notes, or any coupons appurtenant to them  
18 shall have a lien against the special fund for payment of the bonds or notes  
19 and interest on them and may bring suit, either at law or in equity, to  
20 enforce the lien.

21 14-168-220. Redevelopment bonds or notes—Tax exemption.

22 Bonds and notes issued under §§ 14-168-215—14-168-219, together with  
23 the interest and income therefrom, shall be exempt from all state, county,  
24 and municipal income taxes.
