31 the agency for which the appropriations in this Act are provided, and that in
32 the event of an extension of the Regular Session, the delay in the effective
33 date of this Act beyond July 1, 2001 could work irreparable harm upon the
34 proper administration and provision of essential governmental programs.
35 Therefore, an emergency is hereby declared to exist and this Act being
36 necessary for the immediate preservation of the public peace, health and

1 safety shall be in full force and effect from and after July 1, 2001.
