8 criminal drug related cases filed throughout the state additional state
9 resources are needed to examine and identify evidence turned over to the State
10 Crime Laboratory; that constructing and equipping regional crime laboratories
11 will provide the most efficient and effective method of meeting these demands;
12 and that the effectiveness of this Act on the date of its passage and approval
13 is essential to the operation of the agency for which the appropriations in
14 this Act are provided, and that in the event of an extension of the Regular
15 Session, the delay in the effective date of this Act beyond the date of its
16 passage and approval could work irreparable harm upon the proper
17 administration and provision of essential governmental programs. Therefore, an
18 emergency is hereby declared to exist and this Act being necessary for the
19 immediate preservation of the public peace, health and safety shall be in full
20 force and effect from and after the date of its passage and approval. If the
