31 shall be payable from the general revenues of the state, and the amount of
32 general revenues of the state as is necessary is and shall remain pledged to
33 the payment of debt service on the bonds.

34
35 6-20-2611. Payment of debt service on the bonds.

36 (a)(1) On or before the commencement of each fiscal year, the Chief

1 Fiscal Officer of the State shall determine the estimated amount required for
2 payment of all or a part of the debt service on the bonds issued under this
3 subchapter during the fiscal year to determine what amount of general
4 revenues of the state will be required.

5 (2) The Chief Fiscal Officer of the State shall certify the
6 estimated amount to the Treasurer of State.

7 (3) The Treasurer of State shall then make monthly transfers
8 from the State Apportionment Fund to the Bond Fund of the amount of general

10 issued under this subchapter.

11 (b)(1) The obligation to make monthly transfers of general revenues of
12 the state from the State Apportionment Fund to the Bond Fund shall constitute
13 a first charge against the general revenues of the state prior to all other
14 uses to which the general revenues of the state are devoted, either under
15 present law or under any laws that may be enacted in the future.

16 (2) However, to the extent other general obligation bonds of the
17 state have been issued or may subsequently be issued, all general obligation
18 bonds shall rank on a parity of security with respect to payment from general
19 revenues of the state.

20 (c) Moneys credited to the Bond Fund shall be used only to pay debt
21 service on the bonds, either at maturity or upon redemption prior to
22 maturity, and for such purposes the Treasurer of State is designated
23 Disbursing Officer to administer such funds in accordance with this
24 subchapter.

25 (d) Moneys in the Bond Fund over and above the amount necessary to
26 insure the prompt payment of debt service on the bonds, and the establishment
27 and maintenance of a reserve fund, if any, may be used for the redemption of
28 bonds prior to maturity under the provisions pertaining to redemption prior
29 to maturity, as set forth in the resolution or trust indenture authorizing or
30 securing the bonds.

31
32 6-20-2612. Bonds exempt from state, county, and municipal taxes.

33 Bonds and the interest on the bonds issued under this subchapter are
34 exempt from state, county, and municipal taxes, including income taxes,
35 inheritance taxes, and property taxes. The bonds shall be eligible to secure
36 deposits of all public funds and shall be legal for investment of bank funds,

1 fiduciary funds, insurance company funds, trust funds, and public funds.

2
3 6-20-2613. Refunding bonds.

4 (a)(1) Bonds may be issued under this subchapter to refund any
5 outstanding bonds issued under this subchapter.

6 (2) Bonds issued under this section:

7 (A) Do not require the commission to submit a written plan
8 to the Governor under § 15-20-1203(c); and

9 (B) Are not subject to the requirements for the approval
10 and proclamation of the Governor under § 15-20-1203(d).

11 (b)(1) The refunding bonds may be either sold for cash or delivered in
12 exchange for the outstanding obligations.

13 (2) If sold for cash, the proceeds may be applied to the payment
14 of the obligations refunded or may be deposited in irrevocable trust for the
15 retirement of the outstanding obligations either at maturity or on an
16 authorized redemption date.

17 (c)(1) Refunding bonds shall in all respects be authorized, issued,
18 and secured as provided for the bonds being refunded and shall have all the
19 attributes of the refunded bonds.

20 (2) To the extent that the refunding bonds are not in a greater
21 principal amount than the outstanding principal amount of the bonds being
22 refunded, the principal amount of the refunding bonds shall not be subject to
23 the limit of seven hundred fifty million dollars (\$750,000,000) set forth in
24 § 6-20-2603(a) or the limit of one hundred fifty million dollars
25 (\$150,000,000) set forth in § 6-20-2603(b).

26 (d) The resolution or trust indenture under which the refunding bonds
27 are issued shall provide that any refunding bonds shall have the same
28 priority of payment as the obligations refunded.

29
30 6-20-2614. Additional powers of the commission.

31 In addition to powers conferred under other laws, the commission may
32 take appropriate action to carry out the purposes of this subchapter.

33
34 6-20-2615. No impairment of bond obligations.

35 (a) This subchapter constitutes a contract between the state and the
36 registered owners of all bonds issued under this subchapter.

1 (b) The contract shall never be impaired, and any violation of its
2 terms whether under purported legislative authority or otherwise shall be
3 enjoined by the courts at the suit of any bondholder or any taxpayer.

4 (c) In like suit against the commission, the Treasurer of State, or
5 other appropriate agency, officer, or official of the state, the courts shall
6 prevent a diversion of any revenues pledged hereunder and shall compel the
7 restoration of diverted revenues by injunction or mandamus.

8 (d) Without limiting any other appropriate remedy at law or in equity,
9 a bondholder may by an appropriate action including without limitation
10 injunction or mandamus compel the performance of all covenants and
11 obligations of the state, its officers and officials, under this subchapter.

12
13 6-20-2616. No obligations until bonds issued.

14 This subchapter shall not create any right of any character unless the
15 first series of bonds authorized by this subchapter has been sold and
16 delivered.

17
18 6-20-2617. Election.

19 (a)(1)(A) Bonds shall not be issued under this subchapter except with
20 the consent of a majority of the qualified electors of the state voting on
21 the question in substantially the form described in this section at any
22 general election as determined by the Governor, unless the Governor, by
23 proclamation, calls a special election concerning the issuance of bonds under
24 this subchapter.

25 (B) If the Governor does not place the issue on the ballot
26 at any general election or call a special election concerning the issuance of
27 bonds under this subchapter on or before June 30, 2011, the provisions of
28 this subchapter shall be void and no bonds shall be issued.

29 (2) If the question is presented at a general election, notice
30 thereof shall be published by the Secretary of State by one (1) insertion in
31 a newspaper of general circulation in the state at least sixty (60) days
32 prior to the general election, and notice thereof shall be mailed to each
33 county board of election commissioners and the sheriff of each county at
34 least sixty (60) days prior to the general election.

35 (3) If a special election is called by the Governor, the
36 proclamation of the special election shall be made at least sixty (60) days

1 prior to the date fixed by the proclamation for the election, and notice of
2 the special election shall be given by publication of the proclamation for
3 one (1) insertion in one (1) newspaper of general circulation published in
4 each county in the state not less than thirty (30) days prior to the date of
5 the special election.

6 (4) If there is no newspaper regularly published in a county,
7 the proclamation may be published in any newspaper having a general
8 circulation in the county.

9 (b) In the case of the notice or proclamation for the election, it
10 shall not be necessary to publish this subchapter in its entirety, but the
11 notice or proclamation shall state that it is issued to submit to the people
12 substantially the following question:

19 General Assembly, one hundred fifty million dollars (\$150,000,000) in any
20 fiscal biennium, which bonds shall be secured by a pledge of the full faith
21 and credit of the State of Arkansas?"

22 (c) Whether the question is presented at a general election or at a
23 special election, the title of this subchapter shall be the ballot title, and
24 there shall be printed on the ballot the proposition as stated above and the
25 following:

26 "FOR Issuance of State of Arkansas Public School Academic Facilities General

34 matters as the law requires.

35 (2) The vote shall be canvassed and the result declared in each
36 county by the county boards of election commissioners.

1 (3) Within ten (10) days after the date of the election the
2 results shall be certified by the county boards of election commissioners to
3 the Secretary of State who shall tabulate all returns received by him or her
4 and certify to the Governor the total vote for and against the proposition
5 submitted under this section.

6 (e) The result of the election shall be proclaimed by the Governor by

18 further effect.

19
20 6-20-2619. No waiver of previous authority to issue bonds.
