Act 495 of the Regular Session

1 State of Arkansas
2 86th General Assembly
3 Regular Session, 2007
4

As Engrossed: S3/15/07

A Bill

SENATE BILL 928

5 By: Senator Bryles
6
7

For An Act To Be Entitled

9 AN ACT TO EXTEND THE TEMPORARY LICENSING OF
10 ELECTRICIANS FOR WORK ON INDUSTRY PROJECTS; TO
11 PROVIDE FOR THE REGISTRATION OF ELECTRICAL
12 APPRENTICES FOLLOWING COMPLETION OF
13 APPRENTICESHIP TRAINING; AND FOR OTHER PURPOSES.
14

Subtitle

15 AN ACT TO EXTEND THE TEMPORARY LICENSING
16 OF ELECTRICIANS AND TO REGISTER
17 APPRENTICES.
18
19
20

21 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
22

23 SECTION 1. Arkansas Code § 17-28-301(d), concerning the temporary
24 licensing of electricians, is amended to read as follows:

25 (d) The board shall be authorized to issue a temporary license as a
26 master electrician or journeyman electrician which shall be valid for no more
27 than six (6) months and be renewable one (1) time only for industry projects
28 as defined in this chapter, upon submission by the applicant of the
29 following:

30 (1) A temporary license fee in the amount established by §
31 ~~17-25-303(a)~~ subsection (a) of this section;

32 (2) A completed application on a form furnished and approved
33 by the board; and

34 (3) Evidence that the applicant holds a current license of
35 the same classification issued by another state or has otherwise met the

1 experience qualifications required under this chapter for the type of license
2 being applied for.

3
4 SECTION 2. Arkansas Code § 17-28-301, concerning electrician
5 licensing, is amended to add an additional subsection to read as follows:

6 (e) Notwithstanding any restrictions in subsection (d) of this
7 section, the board may issue and renew a temporary license as a master
8 electrician or journeyman electrician for regularly scheduled or emergency
9 maintenance work or shut-downs of not longer than six (6) weeks on industry
10 projects as defined in this chapter.

11
12 SECTION 3. Arkansas Code § 17-28-308, concerning electrical
13 apprentices, is amended to add an additional subsection to read as follows:

14 (c) Notwithstanding the provisions of subsection (a) of this section,
15 an apprentice who has successfully completed a certified school or training
16 program and has been released for testing may continue to renew his or her
17 apprentice registration card, if otherwise qualified, without enrolling in a
18 school or training program.

19
20 SECTION 4. EMERGENCY CLAUSE. It is found and determined by the
21 General Assembly of the State of Arkansas that capital improvement and
22 maintenance projects at industry facilities often require substantial numbers
23 of qualified electricians to perform electrical work on a temporary basis. A
24 significant number of qualified electricians from outside Arkansas have been
25 performing such work under temporary licenses authorized by law. However,
26 the limitations on the renewal of the temporary licenses are making it more
27 difficult to find qualified electricians to work on Arkansas projects, and
28 are threatening to substantially increase industry construction and
29 maintenance costs, delay desirable projects, and place Arkansas industries at
30 a competitive disadvantage compared to industries in other states.
31 Additionally, requiring an apprentice electrician to re-enroll in a school or
32 training program he or she has just completed in order to work is an economic
33 hardship on the apprentice as well as the electrical contractor who employs
34 such an apprentice. Therefore, an emergency is declared to exist and this
35 act being immediately necessary for the preservation of the public peace,
36 health, and safety shall become effective on:
