16
17
18 TO PROVIDE FOR A TYPE 3 TRANSFER OF THE
19 WEATHERIZATION ASSISTANCE PROGRAM (WAP);
20 AND TO DECLARE AN EMERGENCY.
21
22

23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
24

25 SECTION 1. Arkansas Code Title 25, Chapter 11, Subchapter 1, is
26 amended to add an additional section to read as follows:

27 25-11-103. Transfer of the Weatherization Assistance Program.

28 (a)(1) The Weatherization Assistance Program, a federally funded
29 program under § 42 U.S.C. 6861 et seq., operated by the Division of County
30 Operations of the Department of Human Services is abolished and all the
31 powers, duties and functions, records, property, personnel, unexpended
32 balances of appropriations, allocations, or other funds are transferred by a
33 Type 3 transfer to the Arkansas Energy Office of the Arkansas Economic
34 Development Commission.

35 (2) This transfer does not conflict with any duties,
36 responsibilities, or powers of the office.

1 (b) Unspent funds associated with the Weatherization Assistance
2 Program shall be transferred from the department to the commission within
3 thirty (30) days of the effective date of this act.

4 (c) The department annually shall transfer to the commission a minimum
5 of fifteen percent (15%) up to a maximum of twenty-five percent (25%), as
6 allowed by federal law or regulation, of the annual allocation for the Low
7 Income Home Energy Assistance Program to the commission to be used by the
8 program.

9
10 SECTION 2. EMERGENCY CLAUSE. It is found and determined by the
11 General Assembly of the State of Arkansas that the weatherization services
12 provided to eligible recipients of the Weatherization Assistance Program need
13 to be continued; that eligible recipients should not be subject to a lengthy
14 delay due to the transition of the Weatherization Assistance Program; that
15 the financial benefits of the weatherization services provided reduce the
16 amount of money spent on utilities and offer a greater level of comfort to
17 recipients; and that this act is immediately necessary to ensure there is no
18 delay in services provided to qualified individuals in need of weatherization
19 services. Therefore, an emergency is declared to exist, and this act being
20 immediately necessary for the preservation of the public peace, health, and
21 safety shall become effective on July 1, 2013.
