16
17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
18

19 *SECTION 1. Arkansas Code Title 14, Chapter 58, Subchapter 1, is*
20 *amended to add an additional section to read as follows:*

21 14-58-105. Purchase of commodities or services by municipalities
22 through competitive bidding -- Preference among bidders -- Definitions.

23 (a) As used in this section:

24 (1) "Commodities" means all property, including without
25 limitation equipment, printing, stationery, supplies, insurance, and capital
26 improvements, but excluding leases on real property, real property, or a
27 permanent interest in real property, and exempt commodities and services;

28 (2) "Firm resident in the municipality" means any
29 individual, partnership, association, or corporation, whether domestic or
30 foreign, that:

31 (A) Maintains at least one (1) staffed place of
32 business located within the corporate limits of the municipality; and

33 (B) For not less than two (2) successive years
34 immediately before submitting a bid, has paid taxes to the county that
35 benefit the municipality on either real or personal property used or intended
36 to be used in connection with the firm's business;

1 (3) “Lowest qualified bid” means the lowest bid that
2 conforms to the specifications and request for bids;

3 (4) “Municipality” means an incorporated town, a city of
4 the first class, and a city of the second class;

5 (5) “Nonresident firm” means a firm that is not included
6 in the definition of a “firm resident in the municipality”; and

7 (6) “Services” means labor, time, or effort furnished by a
8 contractor.

9 (b)(1)(A) In the purchase of commodities or services by competitive
10 bidding, a municipality may grant by ordinance a percentage preference to the
11 lowest qualified bid from a firm resident in the municipality.

12 (B) The ordinance may provide a preference of up to five
13 percent (5%) for a bidder that qualifies as a firm resident in the
14 municipality.

15 (C) The ordinance may place a specific dollar cap on the
16 total monetary amount of preference granted, regardless of the bid amount or
17 percentage of preference designated in the ordinance.

18 (D)(i) In calculating the preference to be allowed, the
19 appropriate procurement officials shall take the total amount of each bid of
20 each firm resident in the municipality who claimed the preference and deduct
21 the percentage mandated by ordinance, if applicable, from the total amount of
22 each bid.

23 (ii) If after making the deduction the bid of any
24 firm resident in the municipality claiming the preference is lower than the
25 bid of the nonresident firm, then the award shall be made to the firm
26 resident in the municipality that submitted the lowest qualified bid, whether
27 or not that particular firm resident in the municipality claimed the
28 preference.

29 (2)(A) The preference provided for in this section only applies
30 in comparing bids when one (1) or more bids are by a firm resident in the
31 municipality and the other bid or bids are by a nonresident firm.

32 (B) The preference provided for in this section does not
33 apply to competing bids if each bidder is a firm resident in the
34 municipality.

35 (C)(i) If any provision or condition of this section or
36 the municipal ordinance conflicts with any provision of federal or state law

1 or any rule or regulation made under federal or state law pertaining to
2 federal grants-in-aid programs or other federal or state aid programs, the
3 provision or condition shall not apply to the state-supported or federal-
4 supported contracts for the purchase of commodities or services to the extent
5 that the conflict exists.

6 (ii) However, all provisions or conditions of this
7 section with which there is no conflict apply to contracts to purchase
8 commodities or services to be paid, in whole or in part, from federal funds.

9 (c) The provisions of this section, if adopted by local ordinance,
10 shall apply to public works projects, capital improvements, commodities,
11 materials, equipment, and services procured by the municipality.

12 (d) When circumstances arise to which this section and § 19-11-259
13 apply, both the preference provided under this section and the preference
14 provided under § 19-11-259 also apply.

15 (e) To the extent that federal purchasing laws or bidding preferences
16 conflict, this section does not apply to projects related to supplying water
17 or wastewater utility services, operations, or maintenance to a federal
18 military installation by a municipality of the state.

19
20 SECTION 2. The lead-in language of Arkansas Code § 22-9-203(a),
