| 7 | |
| 8 | SECTION 6. EMERGENCY CLAUSE. It is found and determined by the |
| 9 | General Assembly of the State of Arkansas that due to the coronavirus 2019 |
| 10 | (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine |
| 11 | in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these |
| 12 | emergency actions will expire when the emergency proclamation expires, which |
| 13 | could occur quickly; that on February 26, 2021, the Governor announced that |
| 14 | the public health emergency was extended but that the Governor was going to |
| 15 | lift some regulations related to the pandemic; that removing barriers to the |
| 16 | use of telemedicine ensured that the citizens of Arkansas had the services |
| 17 | that they needed, and removing these emergency proclamations regarding |
| 18 | telemedicine would greatly disadvantage and harm the citizens of Arkansas who |
| 19 | are utilizing telemedicine for healthcare services; that this bill maintains |
| 20 | the policy changes allowed under the emergency proclamation, which would |
| 21 | allow the citizens of Arkansas greater access to the use of telemedicine for |
| 22 | healthcare services; and that this act is immediately necessary to ensure |
| 23 | that the citizens of Arkansas have access to healthcare services provided via |
| 24 | telemedicine. Therefore, an emergency is declared to exist, and this act |
| 25 | being immediately necessary for the preservation of the public peace, health, |
| 26 | and safety shall become effective on: |
| 27 | (1) The date of its approval by the Governor; |
| 28 | (2) If the bill is neither approved nor vetoed by the Governor, |
| 29 | the expiration of the period of time during which the Governor may veto the |
| 30 | bill; or |
| 31 | (3) If the bill is vetoed by the Governor and the veto is |
| 32 | overridden, the date the last house overrides the veto. |
