25  
26 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
27

28 SECTION 1. DO NOT CODIFY. Legislative findings and intent.

29 (a) The General Assembly finds that:

30 (1) Arkansas Constitution, Article 2, § 3 provides that the  
31 equality of all persons before the law is recognized and shall ever remain  
32 inviolate;

33 (2) Arkansas Constitution, Article 2, § 18 further provides that  
34 the General Assembly shall not grant to any citizen, or class of citizens,  
35 privileges or immunities which, upon the same terms, shall not equally belong  
36 to all citizens;

1           (3) Section 1 of the Fourteenth Amendment of the United States  
2 Constitution requires that "No State shall [...] deny to any person within  
3 its jurisdiction the equal protection of the laws";

4           (4) Innocent human life, created in the image of God, should be  
5 equally protected under the laws from the time of fertilization to natural  
6 death;

7           (5) To ensure the right to life and equal protection of the  
8 laws, all unborn children should be protected under the state homicide laws  
9 as all other persons;

10           (6) All persons potentially subject to the state homicide laws  
11 are entitled to due process protections; and

12           (7) A pregnant woman should be protected from being pressured  
13 through solicitation, advisement, encouragement, or coercion to abort her  
14 unborn child.

15           (b) The intent of this act is to add protections for unborn children,  
16 allow appropriate prosecution when a person causes the death of an unborn  
17 child, and repeal provisions that may allow a person to solicit, advise,  
18 encourage, or coerce a pregnant woman to abort her unborn child.

19

 34 actions, is amended to read as follows:

35 (a)(1) Whenever the death of a person, including ~~or~~ an unborn child as  
 36 defined in § 5-1-102, is caused by a wrongful act, neglect, or default and

1 the act, neglect, or default would have entitled the party injured to  
2 maintain an action and recover damages in respect thereof if death had not  
3 ensued, then and in every such case, the person or company or corporation  
4 that would have been liable if death had not ensued shall be liable to an  
5 action for damages, notwithstanding the death of the person, including ~~or~~ an

26 SECTION 4. DO NOT CODIFY. Applicability.

27 This act is prospective only and does not apply to conduct committed  
28 before the effective date of this act.

29  
30 SECTION 5. EMERGENCY CLAUSE. It is found and determined by the  
31 General Assembly of the State of Arkansas that unborn children are at risk of  
32 being aborted in this state and are currently being denied the equal  
33 protection of laws in violation of the Fourteenth Amendment to the United  
34 States Constitution; that amending state laws would grant unborn children  
35 protections that they do not currently possess in this state and would ensure  
36 that they receive the equal protections of laws in this state; and that this

1 act is immediately necessary to provide equal protection to unborn children  
2 and to comply with the United States Constitution. Therefore, an emergency is  
3 declared to exist, and this act being immediately necessary for the  
4 preservation of the public peace, health, and safety shall become effective  
5 on:

6 (1) The date of its approval by the Governor;

7 (2) If the bill is neither approved nor vetoed by the Governor,  
8 the expiration of the period of time during which the Governor may veto the  
9 bill; or

10 (3) If the bill is vetoed by the Governor and the veto is  
11 overridden, the date the last house overrides the veto.
