15

## Subtitle

16 TO PROTECT THE HEALTH AND SAFETY OF  
17 PUBLIC SCHOOL STUDENTS WITH DIABETES BY  
18 AUTHORIZING CERTAIN PUBLIC SCHOOL  
19 PERSONNEL TO BE TRAINED IN THE  
20 ADMINISTRATION OF INSULIN AND GLUCAGON.  
21  
22  
23

24 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
25

26 SECTION 1. Arkansas Code Title 6, Chapter 18, Subchapter 7, is amended  
27 to add an additional section to read as follows:

28 6-18-711. Administration of medication for diabetes.

29 (a) Upon written request of a parent or guardian of a student with  
30 diabetes and authorization by the treating physician of the student, a  
31 student, in the classroom, in another area designated at the school, on  
32 school grounds, or at a school-related activity may

33 (1) Perform blood glucose checks;

34 (2) Administer insulin through the insulin delivery system the  
35 student uses;

36 (3) Treat hypoglycemia and hyperglycemia;

1           (4) Possess on his or her person the necessary supplies and  
 2 equipment to perform diabetes monitoring and treatment functions.

3           (b) A student shall have access to a private area to perform diabetes  
 4 monitoring and treatment functions upon request of the parent or guardian of  
 5 a student, as outlined in the student's health plan.

6  
 7           SECTION 2. Arkansas Code § 17-87-103(11), concerning exceptions to the  
 8 nurse practice act, is amended to read as follows:

9           (11)(A) The administration of glucagon, insulin, or both to a  
 10 student who is ~~suffering~~ diagnosed with diabetes by trained volunteer school  
 11 personnel designated as care providers in a ~~plan developed under Section 504~~  
 12 ~~of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq., as it existed on~~  
 13 ~~July 1, 2013~~ health plan that covers diabetes management and is based on the  
 14 orders of a treating physician, who have been trained by a licensed  
 15 registered nurse employed by a school district or other health care  
 16 professional to administer glucagon, insulin, or both to a child with  
 17 diabetes in an emergency situation.

18           (B)(i) A licensed registered nurse employed by a school  
 19 district or other health care professional shall annually train volunteer  
 20 school personnel designated as care providers in a health plan ~~developed~~  
 21 ~~under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq.,~~  
 22 ~~as it existed on July 1, 2013,~~ of a student submitted under subdivision  
 23 (11)(A) of this section to administer glucagon, insulin, or both to a student  
 24 with diabetes.

25           (ii) ~~The~~ If a parent or guardian of a student with  
 26 diabetes chooses to have care provided by a care provider, the parent or  
 27 guardian of a student with diabetes shall sign an authorization to allow the  
 28 administration of glucagon or insulin to the student by volunteer school  
 29 personnel designated as ~~care providers~~ a care provider who shall be  
 30 incorporated into the health plan of a student submitted under subdivision  
 31 (11)(A) of this section.

32           (iii) The school district shall maintain a copy of  
 33 the health plan ~~developed~~ provided under ~~Section 504 of the Rehabilitation~~  
 34 ~~Act of 1973, 29 U.S.C. § 701 et seq., as it existed on July 1, 2013~~  
 35 subdivision (11)(A), a list of volunteer school personnel who are designated  
 36 as care providers and trained to administer glucagon, insulin or both, and a

1 copy of the parent's or guardian's signed authorization.

2 (C)(1) A school district shall strive to achieve the  
 3 following staffing ratios for students with diabetes at each public school,  
 4 at least:

5 (i) One (1) care provider for a public school  
 6 with one (1) full-time licensed registered nurse; and

7 (ii) Three (3) care providers for a public  
 8 school without one (1) full-time licensed registered nurse.

9 (2) The school district may recruit and identify  
 10 public school personnel to serve as care providers to administer glucagon,  
 11 insulin, or both when a licensed registered nurse is not available.

12 (3) A school district shall not require or pressure  
 13 a parent or guardian of a student with diabetes to provide diabetes care at  
 14 school or a school-related activity.

15 (D) A school district, school district employee, or an  
 16 agent of a school district, including a health-care professional who trained  
 17 volunteer school personnel designated as care providers and a care provider,  
 18 shall not be liable for any damages resulting from his or her actions or  
 19 inactions under this section.

20 ~~(D)~~(E) The Arkansas State Board of Nursing and the State  
 21 Board of Education shall promulgate rules necessary to administer this  
 22 subdivision (11); or
