16
17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
18

19 SECTION 1. Arkansas Code § 11-4-405 is repealed.

20 ~~11-4-405. Payment on discharge.~~

21 ~~(a) An employer that discharges an employee is required to pay all~~
22 ~~wages due by the next regular payday.~~

23 ~~(b) An employer that fails to make the payment required under~~
24 ~~subsection (a) of this section within seven (7) days of the next regular~~
25 ~~payday shall owe the employee double the wages due.~~
26

27 SECTION 2. Arkansas Code Title 11, Chapter 4, is amended to add an
28 additional subchapter to read as follows:

29 Subchapter 7 - Right to Know and Get Your Pay Act

30
31 11-4-701. Title.

32 This subchapter shall be known and may be cited as the "Right to Know
33 and Get Your Pay Act".
34

35 11-4-702. Legislative findings and purpose.

36 (a) The General Assembly finds that:

1 (1) The public policy of this state is to require an employer to
2 provide an employee the information concerning the number of hours of labor
3 performed, what deductions have been taken from the employee's gross wages,
4 and other reasonable notification to determine how the employee's net wages
5 have been calculated;

6 (2) The failure of an employer to issue a pay stub, especially
7 to low-wage earners, frequently leads to wage theft that results in an
8 inability of earners to meet personal expenses, including without limitation
9 costs related to health care, rent, and food, which has negative effects on
10 the economy, including a significantly increased need for welfare support;

11 (3) Wage theft results in a loss of tax revenue to this state,
12 as well as the loss of sales tax revenue to the state and localities; and

13 (4) Businesses should be able to compete on a level playing
14 field, but businesses that perpetrate wage theft have an unfair competitive
15 advantage, which jeopardizes the competitive position of business and
16 industry in this state.

17 (b) The purpose of this subchapter is to promote the general welfare
18 of the people of this state related to the issue of wage theft.

19

28 partial payment is void.

29
30 11-4-709. Enforcement by civil action.

12 in addition to the amount of the unpaid wages, an employee shall be entitled
13 to recover an additional twenty-five percent (25%) of the amount of the
14 unpaid wages as damages, in addition to reasonable attorney's fees,
15 litigation costs, and the unpaid wages due, for the prosecution and
16 collection of the unpaid wages as well as any other damages the employee is
17 entitled to recover under this subchapter.

18 (C) If the court or the jury finds that the employer
19 intentionally violated §§ 11-4-706 and 11-4-707, the employee shall be
20 awarded double damages as well as any other damages to which the employee is
21 entitled to recover under this subchapter.

22 (2) As part of a civil action for failure to pay wages, an
23 employee may include any claim under this subchapter.
