AND

Page 2, line 1, delete "The member" and substitute "Except for providing guidance and answering questions for the transition of the position to other employees, the member"

AND

Immediately following SECTION 1, add an additional section to read as follows:

"SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that recent reports indicate that some members of the Arkansas Public Employees' Retirement System were merely taking themselves off of the payroll for the specified period of time while continuing to perform their duties so that they could draw retirement in addition to their wages; that clarification is needed to prevent this from happening; and that this clarification is needed immediately. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
