

ARKANSAS SENATE
88th General Assembly - Regular Session, 2011
Amendment Form

Subtitle of Senate Bill No. 638

CONCERNING THE INCLUSION OF SERVICE SINKS IN CERTAIN BUILDINGS.

Amendment No. 1 to Senate Bill No. 638

Amend Senate Bill No. 638 as originally introduced:

Page 1, line 22, delete "a" and substitute "a(1)"

AND

Page 1, delete line 25 and substitute the following:

"uses.

(2) "Commercial building" does not include a food service establishment."

AND

Page 1, delete lines 26 through 29 and substitute the following:

"(b) A commercial building shall not be required to include a plumbing service sink, either at construction or as part of a renovation or remodeling, if the building owner or an agent of the building owner communicates to the plumbing code official at the time of construction or renovation that the actual or proposed number of persons that will occupy the building is fifteen (15) or less.

(c) For the purposes of determining the minimum number of plumbing service sink fixtures required in a building, the number shall not be determined by using building occupancy loads as calculated in the Arkansas Fire Prevention Code."

The Amendment was read the first time, rules suspended and read the second time and _____
