

Hall of the House of Representatives

90th General Assembly - Regular Session, 2015

Amendment Form

Subtitle of House Bill No. 1937

TO AMEND THE ARKANSAS EMERGENCY SERVICES ACT OF 1973; TO ADVANCE PUBLIC SAFETY;
TO ENHANCE AND STRENGTHEN INTEROPERABILITY ACROSS ARKANSAS; AND TO ESTABLISH
THE ARKANSAS INTEROPERABLE COMMUNICATIONS EXECUTIVE COUNCIL.

Amendment No. 1 to House Bill No. 1937

Amend House Bill No. 1937 as originally introduced:

Add Senator B. Pierce as a cosponsor of the bill

AND

Delete everything after the enacting clause and substitute the following:

" SECTION 1. DO NOT CODIFY. Legislative Intent.

The General Assembly finds that:

(1) In order to advance public safety, federal, state, and local governments strive to achieve interoperability and rely on governance as the central factor in achieving a robust interoperable communications capability;
and

(2) Governance that allows first responders to coordinate activities across jurisdictions will provide structure for policy, protocols, and program development among state and local partners.

SECTION 2. Arkansas Code § 12-75-103, concerning definitions, is amended to add an additional subdivision to read as follows:

(23) "Statewide interoperable communications system" means a system that enables emergency responders and government officials to continue to communicate in the event of a disaster.

SECTION 3. Arkansas Code Title 12, Chapter 75, Subchapter 1, is amended to add an additional section to read as follows:

12-75-134. Arkansas Interoperable Communications Executive Council.

(a) The Arkansas Interoperable Communications Executive Council is created.

(b) The members of the council are:

(1) The Director or the Arkansas Department of Emergency Management or his or her designee;

(2) The Director of the Department of Arkansas State Police or his or her designee;

(3) The Director of the Department of Information Systems or his or her designee;

(4) The president of the Arkansas Emergency Management Association or his or her designee;

(5) The Adjutant General or his or her designee;

(6) The president of the County Judges Association or his or her designee;

(7) The Director of the Department of Finance and Administration or his or her designee; and

(8) The Statewide Interoperability Coordinator.

(c) The council shall develop and enforce guidelines and procedures concerning the:

(1) Use of a statewide interoperable communications systems;

(2) Management and operation of a statewide interoperable communications system;

(3) Future needs of a statewide interoperable communications system; and

(4) Acceptance of funds for the cost of expanding and sustaining the use of a statewide interoperable communications system.

(d) The council shall:

(1) Review the progress and status of the statewide interoperable communications system program;

(2) Develop methods to review and approve projects and programs that affect a statewide interoperable communications system;

(3) Examine and resolve public safety issues regarding the use of a statewide interoperable communications system;

(4) Advise public safety agencies in the state concerning the acquisition, contracting, repair, renovation, alteration, maintenance, construction, and equipping of communications sites for use by the public safety agencies;

(5) Develop advice concerning the need for public safety regarding the potential radio access network deployment by the First Responder Network Authority;

(6) Ensure that the communications equipment acquired under this subchapter complies with federal communications rules and laws; and

(7) Ensure that the communications equipment acquired under this subchapter is used for the transmission of public safety communications.

(e) Communications equipment acquired under this subchapter shall not be used for commercial purposes.

(f) The Governor may decide under § 6302(e)(2) of the Middle Class Tax Relief and Job Creation Act of 2012, Pub. L. No. 112-96 whether the state will:

(1) Participate in the deployment of the nationwide public safety broadband network in the state as proposed by the First Responder Network Authority; or

(2) Conduct its own deployment of a radio access network in the state.

(g)(1) The council may by rule set a fee for a public safety agency to join the use of the statewide interoperable communications system.

(2) Revenues from fees collected under this subchapter shall be deposited into the Arkansas Interoperable Communications Trust Fund.

(h)(1) Assets, commodities, and other property purchased with funds

collected under this section are the property of the Department of Information Systems.

(2) The council shall promulgate rules concerning the administration of funds collected under this subsection.

SECTION 4. Arkansas Code Title 19, Chapter 5, Subchapter 11, is amended to add an additional section to read as follows:

19-5-1142. Arkansas Interoperable Communications Trust Fund.

(a) There is established on the books of the Treasurer of State, the Auditor of State, and the Chief Fiscal Officer of the State a trust fund to be known as the "Arkansas Interoperable Communications Trust Fund".

(b) The fund shall consist of funds received by the Arkansas Interoperable Communications Executive Council, fees and revenues collected under § 12-75-101 et seq., and any other moneys as may be provided by law.

(c) The fund shall be used for the operation, maintenance, and improvement of the statewide interoperable communications system."
