"SECTION 2. Arkansas Code Title 12, Chapter 10, Subchapter 3, is amended to add a new section to read as follows:

12-10-329. Telephone cardiopulmonary resuscitation — Definition — Rules.

(a) As used in this section, "telephone cardiopulmonary resuscitation" means the delivery of compression or ventilation instructions to callers who are reporting suspected cases of out-of-hospital cardiac arrest.

(b) The staff and supervisors of a public safety answering point or dispatch center shall be trained in telephone cardiopulmonary resuscitation if the public safety answering point or dispatch center offers pre-arrival instructions for emergency medical conditions.

(c) The training required in subsection (b) of this section shall:

(1) Use protocols and scripts based on evidence-based and nationally recognized guidelines for telephone cardiopulmonary resuscitation; and

(2) Include without limitation:

(A) Recognition protocols for out-of-hospital cardiac arrest;

(B) Compression-only cardiopulmonary resuscitation instructions; and

(C) Continuing education.

(d)(1) A caller may decline to receive instruction on telephone cardiopulmonary resuscitation.

(2) If a caller declines instruction under subdivision (d)(1) of this section, the staff and supervisors of a public safety answering point or dispatch center are not required to provide the instruction.

(e) The Division of Law Enforcement Standards and Training may assess a fee on a private safety agency invited to attend training or receive instruction under this section to reimburse the division for costs associated with the training or instruction."
