"SECTION 2. TEMPORARY LANGUAGE. DO NOT CODIFY. Study of State employee position management, control, and efficiency.

(a) The Legislative Council shall study state employee position management, control and efficiency to identify means by which the state can increase efficiency and transparency in state budgeting through the elimination of unnecessary or unused positions at executive branch agencies.

(b) The study shall include:

(1) Studying possible plans for increasing efficiency and transparency in state budgeting by eliminating unnecessary or unused positions at state agencies within the executive branch; and

(2) Developing recommendations for ways in which the state can increase efficiency and transparency in state budgeting.

(c) The Legislative Council may assign the study under this section to a subcommittee of the Legislative Council.

(d) A report summarizing the results of the study shall be filed with the Legislative Council no later than December 1, 2022."
