"the permission request on file.

(f)(1)(A) A federal law enforcement agency may enter into an agreement with a county sheriff that results in a memorandum of understanding between the federal law enforcement agency and the county sheriff instead of obtaining the required written permission as described in subsection (e) of this section.

(B) For a memorandum of understanding to be valid, notification must be given prior to an arrest, a search, or a seizure instead of obtaining the required written permission as described in subsection (e) of this section.

(2) A copy of the signed memorandum of understanding shall be kept on file at the county sheriff's office and with the Attorney General.

(3) A memorandum of understanding under this subsection expires at the end of each term served by a county sheriff.
