23

24 SECTION 2. As used in this act:

25 (1) "Health benefit plan" means any public or private health plan,
26 program, policy, subscriber agreement or contract implemented in the State of
27 Arkansas which includes or may include payment, reimbursement (including
28 capitation) or financial compensation for provision of eye and/or vision care
29 benefits to covered persons, but does not include workers_ compensation
30 coverage or reimbursement.

31 (2) "Primary eye care provider" means an ophthalmologist or
32 optometrist licensed by the State of Arkansas who has been selected by a
33 person covered by a health benefit plan to provide eye and/or vision care
34 services and who agrees to provide these services in accordance with the
35 terms, conditions, reimbursement rates and standards of quality as set forth

1 within the specific health benefit plan.

2 (3) "Eye and/or vision care benefits" means those services and
3 materials which are provided by a primary eye care provider who is
4 functioning within the scope of his or her license. The conditions imposed
5 by any specific health benefit plan upon the provision of eye and/or vision
6 care benefits shall not:

7 (A) Prohibit the primary eye care provider from providing
8 covered services to covered persons at his or her highest level of licensure
9 and competence at any given time, as determined by his or her respective
10 licensing board; or

11 (B) Require that the primary eye care provider hold hospital
12 staff privileges or include any other condition as a requirement which would
13 have the practical effect of excluding any class of provider from
14 participation in the plan.

15 (4) "Gatekeeper system" means a system of administration used by any
16 health benefit plan in which a primary care provider furnishes basic patient
17 care and coordinates diagnostic testing, indicated treatment, and specialty

24 hospital organizations, that is authorized by the State of Arkansas to offer
25 or provide health benefit plans, policies, subscriber contracts, or any other
26 contracts of a similar nature which indemnify or compensate health care
27 providers for the provision of health care services.

28 (7) "Covered persons" means any individual or family who is enrolled
29 in a health benefit plan or policy from a health care insurer and on whose
30 behalf the health care insurer is obligated to pay for or provide eye and/or
31 vision care services.

2 and/or vision care benefits shall:

3 (1) Include all primary eye care providers who are selected by covered
4 persons of the plan for the provision of all eye and/or vision care benefits
5 provided by the plan.

6 (2) Permit any licensed optometrist or ophthalmologist who agrees to
7 abide by the terms, conditions, reimbursement rates and standards of quality
8 of the health benefit plan to serve as a primary eye care provider to any
9 person covered by that plan.

10 (3) Guarantee that all covered persons who are eligible for eye and/or
11 vision care benefits under a health benefit plan shall have direct access to
12 the primary eye care provider of their choice independent of, and without
13 referral from, any other provider or entity.

14 (4) Assure that those plans utilizing a gatekeeper system shall
15 designate the primary eye care provider as the gatekeeper, who shall provide
16 basic patient care and coordinate diagnostic testing, indicated treatment,
17 and specialty referral for those covered persons in the provision of eye
18 *and/or vision care benefits. Nothing in this act shall prevent a covered*
19 *person from having direct access to that person's primary care provider*
20 *(gatekeeper) for the treatment of eye disease or injury and being reimbursed*
21 *in accordance with the terms and fee schedule of the health benefit plan.*
22 *Further, nothing contained in this act, however, shall require payment of the*
23 *monthly patient management fee by the Arkansas Medicaid program to a Primary*
24 *Eye Care Provider Gatekeeper.*

25 (5) Not discriminate between individual providers or classes of
26 providers in the amount of reimbursement, co-payment, or other financial
27 compensation for the same or essentially similar services provided by the
28 health benefit plan.

29 (6) Not promote or recommend any individual provider or class of

3 care providers, their practice location and telephone number on a regular,
4 timely basis.

5

6 SECTION 4. Nothing in this act shall prevent any person covered by a
7 health benefit plan from receiving emergency eye care nor shall it prevent
8 any person from exercising his or her right to receive treatment from his or
9 her personal doctor *and being reimbursed in accordance with the terms and fee*
10 *schedule of the health benefit plan.*

11

12 SECTION 5. *Any person adversely affected by a violation of this act*

16 *(\$1,000) plus attorney fees and costs.*

17

18 SECTION 6. All provisions of this act of a general and permanent
19 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas
20 Code Revision Commission shall incorporate the same in the Code.

21

22 SECTION 7. If any provision of this act or the application thereof to
23 any person or circumstance is held invalid, such invalidity shall not affect
24 other provisions or applications of the act which can be given effect without
25 the invalid provision or application, and to this end the provisions of this
26 act are declared to be severable.

27

28 SECTION 8. All laws and parts of laws in conflict with this act are
29 hereby repealed. All of the terms and conditions of this act shall remain in
30 effect in their entirety unless and until a section or subsection is
31 specifically cited and repealed by subsequent legislation, or is found to be
32 invalid by a court of competent jurisdiction.

33

34 SECTION 9. EMERGENCY CLAUSE. It is hereby found and determined by the
35 Eightieth General Assembly that creation of the position of primary eye care

1 provider in health benefit plans and elimination of any form of
2 discrimination among such providers is in the public interest and should be
3 given effect immediately. Therefore, an emergency is hereby declared to
4 exist and this act being necessary for the preservation of the public peace,
5 health and safety shall be in full force and effect from and after its
6 passage and approval.
