(2)(A) Only individual retirement account benefits received by
an individual retirement account participant after reaching the age of fifty-
nine and one-half (59 1/2) years qualify for the exemption.

(B) The only other distributions or withdrawals from an
individual retirement account that qualify for the exemption before the

1 individual retirement account participant reaches the age of fifty-nine and
 2 one-half (59 1/2) years are those made on account of the participant's death
 3 or disability.

4 (C) All other premature distributions or early withdrawals
 5 including, but not limited to, those taken for medical-related expenses,
 6 higher education expenses, or a first-time home purchase do not qualify for
 7 the exemption.

8 (3) The exemption provided for in subdivision (a)(1) of this
 9 section shall be adjusted annually according to subsection (e) of this
 10 section.

11 (b)(1)(A) Except as provided in subdivision (b)(2) of this section,
 12 the exemption provided for in subsection (a) of this section for benefits
 13 received from an individual retirement account or from a public or private
 14 employment-related retirement system, plan, or program shall be the only
 15 exemption from the state income tax allowed for benefits received from an
 16 individual retirement account or from any publicly or privately supported
 17 employment-related retirement system, plan, or program, excepting only
 18 benefits received under systems, plans, or programs which are by federal law
 19 exempt from the state income tax.

20 (B) No taxpayer shall receive an exemption greater than
 21 ~~six thousand dollars (\$6,000)~~ the amount allowed in this section for the
 22 applicable tax year during any tax year under the provisions of this section.

2 who does not claim an exemption under subsection (a) of this section shall be
3 entitled to an additional state income tax credit of twenty dollars (\$20.00).

4 (2) This credit is in addition to all other credits allowed by
5 law.

6 (e) For taxable years beginning January 1, 2009, and thereafter, the
7 Chief Fiscal Officer of the State shall calculate and implement a yearly cost
8 of living adjustment (COLA), if any, for the exemption in subdivision (a)(1)
9 of this section, rounding to the nearest one-hundred dollar (\$100) any
10 subsequent exemption amount calculated.

11 (f) For purposes of subsection (e) of this section, the cost-of-living
12 adjustment to the exemption for any taxable year shall be calculated by
13 multiplying the most current adjusted exemption by the Consumer Price Index
14 for All Urban Consumers (CPI-U), published by the United States Department of
15 Labor, as published on or before the last day of the preceding calendar year.

16 (g) The Consumer Price Index for All Urban Consumers (CPI-U) for any
