35 local state of disaster or emergency to the Director of the Arkansas  
36 Department of Emergency Management, to be followed by a written declaration

1 as soon as practical.

2 (2)(A) Only upon such declaration may the resources of the state

 25 caused by possible disasters or their consequences thereof.

26 (4) The Governor, from time to time, shall make recommendations  
 27 to the General Assembly, local government, and other appropriate public and  
 28 private entities as may facilitate measures for prevention or reduction of  
 29 the harmful consequences of disasters.

30 (b)(1) If the department believes, on the basis of the studies or  
 31 other competent evidence, that an area is susceptible to a disaster of  
 32 catastrophic proportions without adequate warning, that existing building  
 33 standards and land use control in that area are inadequate and could add  
 34 substantially to the magnitude of the disaster, and that changes in zoning  
 35 regulations, other land use regulations, or building requirements are  
 36 essential in order to further the purposes of this section, it shall specify

1 the essential changes to the Governor.

2 (2) If the Governor, upon review of the recommendation, finds  
3 after public hearing that the changes are essential, he or she shall so

11 recommendations pursuant to subsection (b) of this section, the Governor may

13 protect the public safety and by regulation place a new standard or control  
14 in effect.

15 (2) The new standard or control shall remain in effect until  
16 rejected by concurrent resolution of both houses of the General Assembly or  
17 amended by the Governor.

18 (3) During the time it is in effect, the standard or control

22 (4) The Governor's action is subject to judicial review in  
23 accordance with the Arkansas Administrative Procedure Act, § 25-15-201 et

25  
26 SECTION 11. Arkansas Code § 12-75-116 is amended to read as follows:

27 12-75-116. State and local governmental entities - Liaison officers.

28 (a)(1) It is the policy of this chapter that each department,  
29 commission, agency, or institution of state and local government actively and  
30 aggressively support the state and local offices of emergency ~~services~~  
31 management to the end of providing the best possible preparation for ~~and~~  
32 response to, or recovery from any emergency situation which may occur.

33 (2) In furtherance of this policy, it is directed that the head  
34 of each state department, commission, agency, or institution with an  
35 emergency management role or responsibility appoint a member or members of  
36 his or her staff as agency emergency ~~services~~ management liaison officer or

1 officers to act on his or her behalf in ensuring the agency's capability to  
 2 fulfill its role in emergency services activities and will ensure Arkansas  
 3 Department of Emergency Management is notified of any change in the

5 (b) It will be the responsibilities of this officer to:

6 (1) Maintain close and continuous liaison with the Arkansas  
 7 Department of Emergency Management, as applicable;

 9 local emergency operations plans which are compatible with this chapter and  
 10 with guidance provided by the department;

11 (3) Report to State Emergency Operations Center as required for  
 12 any disaster training or exercises or emergency training or exercises;

13 ~~(3)~~(4) Maintain files of agency resources to include personnel,  
 14 facilities, and equipment available for disaster operation;

15 ~~(4)~~(5) Ensure that the agency can respond promptly and  
 16 cooperatively with other agencies in any disaster or major emergency  
 17 situation under the overall management of the department;

18 ~~(5)~~(6) Advise, assist, and evaluate the capabilities of  
 19 counterpart local or federal government agencies in preparing for and  
 20 carrying out disaster operations;

21 ~~(6)~~(7) Designate personnel available for assignment to mobile  
 22 support units and train such personnel in the tasks to be performed; and

23 ~~(7)~~(8) Perform other related functions necessary to carry out  
 24 the purpose of this chapter.

25 (c) As conditions or situations may require or dictate, the Director  
 26 of the Arkansas Department of Emergency Management may request a state  
 27 department, agency, or institution not currently participating in the  
 28 emergency ~~services~~ management liaison officer program to appoint an officer  
 29 in accordance with this section.

30 (d) Nothing in the subsections (a)-(c) of this section shall be  
 31 interpreted as relieving or otherwise abridging the responsibility and  
 32 authority of agency directors in carrying out disaster operations for which  
 33 their agencies are solely responsible.

34  
 35 SECTION 12. Arkansas Code § 12-75-117 is amended to read as follows:  
 36 12-75-117. Interjurisdictional disaster planning and service areas.

1 (a)(1)(A) By executive order, the Governor may combine two (2) or more  
2 established local offices of emergency ~~services~~ management as an  
3 interjurisdictional office of emergency ~~services~~ management.

4 (B)(i) Prior to such combination, the jurisdictions  
5 involved shall prepare for the Governor's approval a written mutual agreement  
6 that specifies how and by whom the emergency ~~services~~ management coordinator  
7 shall be appointed.

8 (ii) The agreement shall also include specific  
9 provisions addressing the funding, administration, staff, and operational  
10 control of the interjurisdictional office.

11 (C) The interjurisdictional office of emergency ~~services~~  
12 management shall meet the same minimum standards and requirements as a  
13 single-jurisdiction office of emergency services in order to maintain  
14 eligibility for state and federal emergency management funding and program  
15 assistance.

16 (2) A finding of the Governor pursuant to this subsection shall  
17 be based on an assessment conducted by the Director of the Arkansas  
18 Department of Emergency Management using one (1) or more factors related to  
19 the difficulty of maintaining an efficient, effective, and economical system  
20 for disaster and emergency preparedness, mitigation, response, and recovery  
21 such as:

22 (A) Small or sparse population;

23 (B) Limitations on public financial resources severe  
24 enough to make maintenance of a separate established local office of  
25 emergency ~~services~~ management unreasonably burdensome;

26 (C) Unusual vulnerability to disasters and emergencies  
27 based on geographical, geological, hydrological, meteorological, or  
28 technological disaster potential; and

29 (D) Other relevant conditions or circumstances.

30 (b)(1) If the Governor finds that a vulnerable area lies only partly  
31 within this state and includes territory in another state or states and that  
32 it would be desirable to establish an interstate relationship, mutual aid, or  
33 an area organization for disaster, he or she shall take steps toward that end  
34 as may be desirable.

35 (2) If this action is taken with jurisdictions having enacted  
36 the Interstate Civil Defense and Disaster Compact, § 12-76-101 et seq., any

1 resulting agreement or agreements may be considered supplemental agreements  
2 pursuant to Article VI of that compact.

3 (3)(A) If the other jurisdiction or jurisdictions with which the  
4 Governor proposes to cooperate pursuant to subdivisions (b)(1) and (2) of  
5 this section have not enacted that compact, then he or she may negotiate a  
6 special agreement with the jurisdiction or jurisdictions.

7 (B) Any agreement, if sufficient authority for the making  
8 thereof does not otherwise exist, becomes effective only after its text has  
9 been communicated to the General Assembly and neither house of the General  
10 Assembly has disapproved it by adjournment of the next ensuing session  
11 competent to consider it or within thirty (30) days of its submission,  
12 whichever is longer.

13  
14 SECTION 13. Arkansas Code § 12-75-118 is amended to read as follows:

15 12-75-118. Local and interjurisdictional disaster agencies and  
16 services.

17 (a)(1) Each political subdivision within this state shall be within  
18 the jurisdiction of and served by the Arkansas Department of Emergency  
19 Management and by a local or interjurisdictional office of emergency ~~services~~  
20 management.

21 (2) Local or interjurisdictional offices of emergency management  
22 shall be established as public safety agencies of their respective political  
23 subdivisions and be under the direction and control of the appropriate chief  
24 executive for the purposes of mitigation of, planning for, response to, and  
25 recovery from disaster and major emergency occurrences and for operation of  
26 public safety information networks.

27 (b)(1) Each county within the state and those municipalities  
28 specifically designated by the Governor shall establish, fund, and maintain  
29 an established local office of emergency ~~services~~ management or, as  
30 necessary, make arrangements through an interjurisdictional agreement to  
31 receive such services.

32 (2) Unless a municipality has been specifically designated as a  
33 local ~~organization~~ office of emergency ~~services~~ management, it shall receive  
34 emergency services support from the county or counties within which its  
35 corporate limits are situated.

36 (c)(1) The Governor shall determine if additional municipal or

1 interjurisdictional offices of emergency ~~services~~ management are required  
2 based on an assessment conducted by the Director of the Arkansas Department  
3 of Emergency Management using one (1) or more of the factors enumerated in §  
4 12-75-117(a).

5 (2) The department shall publish and keep current a list of  
6 municipalities required to have offices of emergency ~~services~~ management  
7 under this subsection.

8 (d) Any provision of this chapter or other law to the contrary  
9 notwithstanding, the Governor may require a political subdivision to  
10 establish and maintain an office of emergency ~~services~~ management jointly  
11 with one (1) or more contiguous political subdivisions if he or she finds  
12 that the establishment and maintenance of any agency or participation therein  
13 is made necessary by circumstances or conditions that make it unusually  
14 difficult to provide disaster or major emergency prevention, preparedness,  
15 response, or recovery services under other provisions of this chapter.

16 (e) Each political subdivision which does not have an office of  
17 emergency ~~services~~ management and has not made arrangements to secure or  
18 participate in the services of an agency shall have a liaison officer  
19 designated to facilitate the cooperation and protection of that subdivision  
20 in the work of disaster and major emergency prevention, preparedness,  
21 response, and recovery.

22 (f)(1) The chief executive of each political subdivision shall  
23 exercise comparable authority within his or her political subdivision, and  
24 within the limits of the Arkansas Constitution and laws of the state, as the  
25 Governor exercises over the state government during disasters and major  
26 emergencies. The chief executive shall ensure, to the maximum extent  
27 possible, that his or her jurisdiction meets the minimum expected capability  
28 for disaster and emergency mitigation, planning, response, and recovery.

29 (2) The chief executive shall notify the department of the  
30 manner in which the political subdivision is providing or securing disaster  
31 planning and emergency ~~services~~ management, provide a staffing pattern for  
32 the local office of emergency ~~services~~ management, identify the person who  
33 heads the local office, and furnish additional information relating thereto  
34 as the department requires.

35 (g)(1) Each local and interjurisdictional office of emergency ~~services~~  
36 management shall prepare and keep current an emergency operations plan for

1 its area.

2 (2)(A) The basic plan and all annexes must be approved by the  
3 office of emergency ~~services~~ management of the political subdivision and  
4 receive concurrence of the chief executive.

5 (B) The plan must then be submitted to the department for  
6 approval prior to implementation.

7 (h) The local or interjurisdictional office of emergency ~~services~~  
8 management, as the case may be, shall prepare a statement. This statement  
9 shall be distributed to all appropriate officials in written form and shall  
10 be a clear and complete statement of the emergency responsibilities of all  
11 local agencies and officials and of the disaster and major emergency chain of  
12 command.

13 (i)(1)(A) The county judge of each county and the chief executive  
14 officer of those municipal jurisdictions specifically designated as  
15 established offices of emergency ~~services~~ management shall appoint an  
16 emergency ~~services~~ management coordinator for their respective offices of  
17 emergency ~~services~~ management.

18 (B) The written mutual agreement between the participating  
19 jurisdictions in an interjurisdictional office of emergency ~~services~~  
20 management, executed pursuant to § 12-75-117(a), shall govern the appointment  
21 of the emergency ~~services~~ management coordinator of the interjurisdictional  
22 office.

23 (C) The emergency ~~services~~ management coordinator shall  
24 act for and on behalf of the appropriate chief executive officer to manage  
25 and coordinate the functions, duties, and activities of the established local  
26 office of emergency ~~services~~ management.

27 (2) The local emergency ~~services~~ management coordinator and such  
28 supporting staff of an established local office of emergency ~~services~~  
29 management as may be employed in part, or in whole, by state and federal  
30 emergency management program funds, shall be responsible for meeting all  
31 standards and requirements stipulated for funding under the programs.

32 (3)(A) The director shall establish and periodically review  
33 criteria necessary to ensure compliance with minimum standards and  
34 requirements.

35 (B) Failure to meet or maintain minimum standards and  
36 requirements or noncompliance with any part of this chapter by an established

1 local office of emergency ~~services~~ management may result in a decision by the  
 2 director to reduce, withhold, or terminate partial or full funding for any or  
 3 all offices of emergency ~~services~~ management programs in which the political  
 4 subdivision participates or for which it may be otherwise eligible.

5 (j)(1) Local offices of emergency management shall operate and  
 6 maintain as a minimum an information systems link with the department.

7 (2)(A) When authorized by the chief executive of the political  
 8 subdivision and properly staffed, the local office of emergency ~~services~~  
 9 management may operate a public safety communications center for the purposes  
 10 of coordination, dispatch, and information services for local government  
 11 public safety agencies and private or volunteer agencies with an emergency  
 12 ~~services~~ management mission.

13 (B) The public safety communications center must be  
 14 staffed by paid office of emergency ~~services~~ management public safety

20 ~~(a) The Governor or his or her duly designated representative is~~  
 21 ~~authorized to create and establish such number of mobile support units as may~~  
 22 ~~be necessary to reinforce disaster organizations in stricken areas and with~~  
 23 ~~due consideration of the plans of the federal government and of other states.~~

24 ~~(b) The Governor shall appoint a commander for each unit who shall~~  
 25 ~~have primary responsibility for the organization, administration, and~~  
 26 ~~operation of such unit.~~

27 ~~(c) Mobile support units shall be called to duty upon orders of the~~  
 28 ~~Governor or his or her director and shall perform their functions in any part~~

 30 ~~states.~~

31 ~~(d) Personnel of mobile support units while on duty, whether within or~~  
 32 ~~without this state, shall:~~

33 ~~(1) If they are employees of this state have the powers, duties,~~  
 34 ~~rights, privileges, and immunities and receive the compensation incidental to~~  
 35 ~~their employment;~~

36 ~~(2) If they are employees of a political subdivision of this~~
