17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
18

19 SECTION 1. Arkansas Code Title 17, Chapter 38, Subchapter 1 is amended
20 to add an additional section:

21 17-38-107. Service sinks.

22 (a)(1) As used in this section, "commercial building" means a building
23 for the transaction of business, professional services, other services
24 involving merchandise, office buildings, banks, light industrial and similar
25 uses.

26 (2) "Commercial building" does not include a food service
27 establishment.

28 (b) A commercial building shall not be required to include a plumbing
29 service sink, either at construction or as part of a renovation or
30 remodeling, if the building owner or an agent of the building owner
31 communicates to the plumbing code official at the time of construction or
32 renovation that the actual or proposed number of persons that will occupy the
33 building is fifteen (15) or less.

34 (c) For the purposes of determining the minimum number of plumbing
35 service sink fixtures required in a building, the number shall not be
36 determined by using building occupancy loads as calculated in the Arkansas

1 Fire Prevention Code.
