SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that school district litigation is a complex and costly endeavor; that a new venue statute would resolve many issues regarding where a lawsuit should be brought; and that this act is immediately necessary because future litigants are currently relying on venue statutes that would require litigation in an inconvenient forum. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
