29 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

30

31 SECTION 1. Arkansas Code Title 20, Chapter 16, Subchapter 6, is
32 amended to add an additional section to read as follows:

33

20-16-603. Drug-induced abortions – Procedures – Penalties – Causes of
34 action.

35

(a) As used in this section:

36

(1) "Abortion" means the use or prescription of an instrument,

1 medicine, drug, or another substance or device to terminate the pregnancy of
2 a woman known to be pregnant with an intention other than to increase the
3 probability of a live birth, to preserve the life or health of the child
4 after live birth, or to remove a dead unborn child who died in utero as the
5 result of natural causes, accidental trauma, or a criminal assault on the
6 pregnant woman or her unborn child, and that causes the premature termination
7 of the pregnancy;

8 (2) "Attempt to perform or induce an abortion" means an act or
9 an omission of a statutorily required act that, under the circumstances as
10 the physician believes them to be, constitutes a substantial step toward the
11 performance or induction of an abortion in violation of this section;

12 (3) "Mifepristone" means the specific abortion-inducing drug
13 regimen known as RU-486; and

14 (4) "Physician" means a natural person licensed to practice
15 medicine in the State of Arkansas under the Arkansas Medical Practices Act, §
16 17-95-201 et seq., § 17-95-301 et seq., and § 17-95-401 et seq.

17 (b)(1) When mifepristone or another drug or chemical regimen is used
18 to induce an abortion, the initial administration of the drug or chemical
19 shall occur in the same room and in the physical presence of the physician
20 who prescribed, dispensed, or otherwise provided the drug or chemical to the
21 patient.

22 (2) The physician who induces the abortion, or a person acting
23 on behalf of the physician who induces the abortion, shall make all
24 reasonable efforts to ensure that the patient returns twelve (12) to eighteen
25 (18) days after the administration or use of mifepristone or another drug or
26 chemical for a follow-up visit so that the physician can confirm that the
27 pregnancy has been terminated and can assess the patient's medical condition.

28 (3) A brief description of the efforts made to comply with this
29 section, including the date, time, and identification by name of the person
30 making the efforts, shall be included in the patient's medical record.

31 (c) This section does not affect telemedicine practice that does not
32 involve the use of mifepristone or another drug or chemical to induce an
33 abortion.

34 (d)(1) If the Arkansas State Medical Board finds that a physician
35 licensed by the board has violated the rules of professional conduct by
36 performing an abortion in violation of this subchapter, the board shall

1 revoke the physician's license.

2 (2) A penalty shall not be assessed against the woman upon whom
3 the abortion is performed or attempted to be performed.

4 (e)(1)(A) A woman who receives an abortion, the father of the unborn
5 child who was the subject of the abortion if the father was married to the
6 woman who received the abortion at the time the abortion was performed, or a
7 maternal grandparent of the unborn child may maintain an action against the
8 person who performed the abortion in violation of this section for actual and
9 punitive damages.

10 (B) A woman who attempts to receive an abortion in
11 violation of this section may maintain an action against the person who
12 attempted to perform the abortion for actual and punitive damages.

13 (2)(A) A cause of action for injunctive relief against a person
14 who has knowingly or recklessly violated this section may be brought by the
15 woman who receives or attempts to receive an abortion in violation of this
16 section by a prosecuting attorney.

17 (B) An injunction under subdivision (e)(2)(A) of this
18 section shall prevent the abortion provider from performing further abortions
19 in violation of this section.

20 (f)(1) If a judgment is rendered in favor of the plaintiff who
21 prevails in an action under subsection (e) of this section, the court shall
22 award reasonable attorney's fees and costs in favor of the plaintiff against
23 the defendant.

24 (2) If a judgment is rendered in favor of the defendant and the
25 court finds that the plaintiff's suit was frivolous and brought in bad faith,
26 the court shall order the plaintiff to pay reasonable attorney's fees to the
27 defendant.

28 (g) A pregnant woman who obtains or possesses mifepristone or another
29 drug or chemical used for the purpose of inducing an abortion to terminate
30 her pregnancy shall not be subject to an action under subsection (e) of this
31 section.

32 (h)(1) In a civil or criminal proceeding or action brought under this
33 section, the court shall determine if the anonymity of a woman who receives
34 or attempts to receive an abortion shall be preserved from public disclosure
35 without her consent.

36 (2)(A) Upon determining that the woman's anonymity shall be

1 preserved, the court shall issue an order to the parties, witnesses, and
2 counsel and shall direct the sealing of the record and exclusion of
3 individuals from courtrooms or hearing rooms to the extent necessary to
4 safeguard the woman's identity from public disclosure.

5 (B) An order under subdivision (h)(2)(A) of this section
6 shall be accompanied by specific written findings explaining:

7 (i) Why the anonymity of the woman should be
8 preserved from public disclosure;

9 (ii) Why the order is essential to that end;

10 (iii) How the order is narrowly tailored to serve
11 that interest; and

12 (iv) Why no reasonable, less restrictive alternative
13 exists.

14 (C) In the absence of written consent of the woman who
15 receives or attempts to receive an abortion, anyone other than a public
16 official who brings an action under subsection (e) of this section shall
17 bring the action under a pseudonym.

18 (D) This subsection does not conceal the identity of the
19 plaintiff or of a witness from the defendant.

20 (i) This section does not create or recognize a right to abortion.
