19

20 SECTION 1. Arkansas Code § 9-15-103, concerning definitions used
21 throughout the Domestic Abuse Act of 1991, is amended to add additional
22 subdivisions to read as follows:

23 (6) "Commercial mobile radio service" means commercial mobile
24 service as defined in 47 U.S.C. § 332; and

25 (7) "Wireless telephone service provider" means a commercial
26 mobile radio service provider or reseller.
27

28 SECTION 2. Arkansas Code Title 9, Chapter 15, Subchapter 2, is amended
29 to add an additional section to read as follows:

30 9-15-218. Commercial mobile radio service accounts – Transfer order.

31 (a) Commencing July 1, 2017, at an initial or subsequent hearing on a
32 petition filed under this subchapter, to ensure that the petitioner may
33 maintain his or her existing wireless telephone number and the wireless
34 numbers of minor children in the petitioner's care, the court may issue an
35 order directing a wireless telephone service provider to transfer the billing
36 responsibility for and rights to the wireless telephone number or numbers to

1 the petitioner if the petitioner is not the account holder.

2 (b)(1) An order transferring the billing responsibility for and rights
3 to the wireless telephone number or numbers to a petitioner under subsection
4 (a) of this section shall be a separate order that is directed to the
5 wireless telephone service provider.

6 (2) The order shall list:

7 (A) The name and billing telephone number of the account
8 holder;

9 (B) The name and contact information of the petitioner to
10 whom the telephone number or numbers will be transferred; and

11 (C) Each telephone number to be transferred to the
12 petitioner.

13 (3) The court shall ensure that the petitioner's contact
14 information is not provided to the account holder in proceedings held under
15 this subchapter.

16 (4) The order shall be served on the wireless telephone service
17 provider's agent for service of process listed with the Secretary of State.

18 (5) The wireless service provider shall notify the requesting
19 party if the wireless telephone service provider cannot operationally or
20 technically effectuate the order due to certain circumstances, including
21 when:

22 (A) The account holder has already terminated the account;

23 (B) Differences in network technology prevent the
24 functionality of a device on the network; or

25 (C) There are geographic or other limitations on network
26 or service availability.

27 (c)(1) Upon a wireless telephone service provider's transfer of
28 billing responsibility for and rights to a wireless telephone number or
29 numbers to a petitioner under subsection (b) of this section, the petitioner
30 shall assume:

31 (A) Financial responsibility for the transferred wireless
32 telephone number or numbers;

33 (B) Monthly service costs; and

34 (C) Costs for any mobile device associated with the
35 wireless telephone number or numbers.

36 (2) A transfer ordered under subdivision (c)(1) of this section

1 does not preclude a wireless telephone service provider from applying any
2 routine and customary requirements for account establishment to the
3 petitioner as part of the transfer of billing responsibility for a wireless
4 telephone number or numbers and any devices attached to that number or
5 numbers, including without limitation identification, financial information,
6 and customer preferences.

7 (d) This section does not affect the ability of the court to apportion
8 the assets and debts of the parties, or the ability to determine the
9 temporary use, possession, and control of personal property under § 9-12-301
10 et seq.

11 (e) Notwithstanding any other provision of the law, a wireless
12 telephone service provider, or an officer, employee, assign, or agent of the

14 action taken in compliance with an order issued under this subchapter or for
15 a failure to process an order issued under this subchapter.
