24
25 SECTION 1. Arkansas Code § 24-2-401, concerning definitions applicable
26 to reciprocal service credits, is amended to add additional subdivisions to
27 read as follows:

28 (5) "Member" means an employee of a state-retirement-plan-
29 covered employer as defined under the plan of the retirement system;

35 available.

36 (B) "Retirement benefit" does not exclusively mean a

1 monthly retirement benefit that is offered to a retired member in accordance
 2 with the law applicable to the retirement system; and

3 (7) "Service credit" means retirement credit earned by a member
 4 for time worked that is used as a factor that is applied to a retirement
 5 benefit formula under the law applicable to the retirement system in order to
 6 determine the monthly retirement benefit of the member.

7
 8 SECTION 2. Arkansas Code § 24-2-402 is amended to read as follows:

9 24-2-402. ~~Deferred annuity—Eligibility—Definition~~ Retirement
 10 eligibility – Calculation of reciprocal service using deferred service
 11 credit.

12 ~~If a member of a reciprocal system left or leaves a position covered by~~
 13 ~~a reciprocal system, if an employee in a position covered by a reciprocal~~
 14 ~~system left the employ of a state employer before the latter position was~~
 15 ~~covered by a reciprocal system, or if an employee in a position later covered~~
 16 ~~by a reciprocal system leaves that position before it is covered by a~~
 17 ~~reciprocal system, which in this section in each case is called the~~
 18 ~~“preceding system”, and if that person entered or enters a position covered~~
 19 ~~by a reciprocal system, which in this section is called the “succeeding~~
 20 ~~system”, and if the person is a member of the succeeding system after July 1,~~
 21 ~~1975, then the person shall be entitled to a deferred annuity payable by the~~
 22 ~~preceding system subject to the following conditions:~~

23 ~~(1) The person has credited service acquired in the employ of~~
 24 ~~the preceding state employer;~~

25 ~~(2)(A) The person does not withdraw his or her accumulated~~
 26 ~~contributions from the preceding reciprocal system, or if he or she has~~
 27 ~~withdrawn his or her accumulated contributions, he or she deposits with the~~
 28 ~~preceding reciprocal system the amount he or she withdrew, together with~~
 29 ~~interest from the date of withdrawal to the date of repayment at the rate in~~
 30 ~~effect for the preceding reciprocal system, but that deposit must be made~~
 31 ~~while he or she is an active member of a reciprocal system.~~

32 ~~(B) In addition to the forfeited credited service, the~~
 33 ~~active member of a reciprocal system shall receive credit for his or her~~
 34 ~~previous employment with a public employer upon his or her paying the~~
 35 ~~prescribed employee and employer contributions based upon the rate in effect~~
 36 ~~during the previous employment, together with regular interest from the dates~~

1 ~~for the previous service to the date of repayment.~~

2 ~~(C) The provisions for determining a year of service~~
 3 ~~credit shall be the prevailing rules of each reciprocal system;~~

4 ~~(3) The person qualifies for age and service retirement in the~~
 5 ~~succeeding reciprocal system using his or her credited service in force with~~
 6 ~~the preceding reciprocal system plus his or her credited service acquired in~~
 7 ~~the employ of succeeding state employers to meet the minimum service~~
 8 ~~requirements of the succeeding systems;~~

9 ~~(4)(A) The person's annuity payable by the preceding reciprocal~~
 10 ~~system shall be upon the basis of the annuity formula of the preceding~~
 11 ~~reciprocal system, exclusive of any minimum amount at the time the person~~
 12 ~~begins to receive monthly retirement benefits from that system.~~

13 ~~(B) The final average compensation to be used to determine~~
 14 ~~monthly benefits payable to that person shall be that of the reciprocal~~
 15 ~~system which furnishes the highest final average compensation at the time of~~
 16 ~~retirement, but each reciprocal system shall use the method of computing~~
 17 ~~final average compensation stipulated by its law, and compensation in the~~
 18 ~~Arkansas Judicial Retirement System shall not be used to determine final~~
 19 ~~average compensation.~~

20 ~~(C) Any person retiring on or after July 1, 1982, with~~
 21 ~~credited service in more than one (1) reciprocal system shall have his or her~~
 22 ~~benefits recomputed based on the provisions of this section;~~

23 (a)(1) A member who maintains deferred service credit in one (1) or
 24 more reciprocal systems may combine the deferred service credit with service
 25 credit earned under a reciprocal system to meet the separate eligibility
 26 requirements for receiving a monthly retirement benefit under each reciprocal
 27 system.

28 (2) The combined service credit calculated under subdivision
 29 (a)(1) of this section shall:

30 (A) Be used for the purpose of establishing the
 31 eligibility of a member to receive a retirement benefit from a retirement
 32 system; and

33 (B) Not be used to calculate the monthly retirement
 34 benefit for service credit earned by a member under each retirement system.

35 (b)(1) To establish the eligibility of a member to receive a monthly
 36 retirement benefit from each retirement system, the credited service under

1 all reciprocal systems shall be totaled, and the total credited service shall
2 be used to determine the eligibility of a member to receive a retirement
3 benefit from each retirement system according to the eligibility requirements
4 of that retirement system.

5 (2)(A) The separate retirement system's eligibility requirements
6 for receiving a monthly retirement benefit, the calculation of a monthly
7 retirement benefit, or a deferred retirement option plan, if available, under
8 one (1) retirement system shall not apply to the eligibility requirements for
9 receiving a monthly retirement benefit or a deferred retirement option plan,
10 if available, under a reciprocal system.

11 (B) Any interest credited to the deferred retirement
12 account shall be paid to the member's account under the deferred retirement
13 option benefit program in effect for that retirement system.

14 (c)(1) Once a member meets the eligibility requirements to receive a
15 retirement benefit, the monthly retirement benefit received by the member
16 from a reciprocal system shall be limited to the member's service credit
17 under the reciprocal system and calculated separately under the retirement
18 benefit formula of that reciprocal system.

19 (2) A retirement system shall not use a member's service credit
20 from a reciprocal system to calculate or increase the monthly retirement
21 benefit of the member.

22 (d)(1) Service credit earned by a member under a retirement system
23 shall not be combined with service credit earned by the member under a
24 reciprocal system if the member withdraws his or her employee contributions
25 from either the retirement system or the reciprocal systems.

26 (2) Service credit may be combined under this section if:

27 (A) A member withdraws his or her employee contributions
28 from a retirement system; and

29 (B) After the withdrawal of his or her employee
30 contributions from the retirement system, the member reestablishes service
31 credit by depositing the amount required in accordance with the law
32 applicable to the retirement system from which the employee contributions
33 were withdrawn.

34 (e)(1) The final average compensation used to determine a monthly
35 retirement benefit payable to a member by a reciprocal system shall be the
36 final average compensation calculated for credited service under the

1 reciprocal system as provided by the law applicable to the reciprocal system.

2 (2)(A) A retirement system is not required to calculate a
 3 monthly retirement benefit based on the final highest salary or final average
 4 compensation under the reciprocal system in which the member has service
 5 credit.

6 (B) If a retirement system uses the highest final average
 7 compensation of the reciprocal system to determine a monthly benefit payable
 8 to a member, the retirement system shall use the method of computing final
 9 average compensation prescribed by the law applicable to the retirement
 10 system.

11 (3) Compensation and salary earned in the Arkansas Judicial
 12 Retirement System shall not be used to determine the final highest salary of
 13 a member who has service credit in both the Arkansas Judicial Retirement
 14 System and a reciprocal system under this section.

15 (f) Each reciprocal system that has a minimum benefit provision in the
 16 plan of the reciprocal system shall pay only a proportionate share of the
 17 minimum benefit amount based on the ratio of service credit in the reciprocal
 18 system to the total service in all reciprocal systems.

19 ~~(5)(A)(g)(1) It is the expressed intention of this subdivision~~
 20 ~~(5) to provide the~~ This section does not prohibit providing the same death-

 22 died while an active member of a reciprocal ~~retirement~~ system.

23 ~~(B)(2)~~ (1) A member who dies in service while a member of one
 24 (1) reciprocal system shall be considered as currently employed by all
 25 reciprocal systems in which the member retains credited service.

26 ~~(C)(3)~~ (3) If a member has accrued credited service under the
 27 provisions of this subchapter but dies before retirement or before becoming
 28 eligible to retire, then the benefits payable shall be those provided by the
 29 reciprocal ~~retirement~~ system ~~named in this subchapter~~ in which the member has
 30 deferred service, with ~~each~~ the reciprocal system being responsible for the
 31 payment of the death-in-service benefits provided by the applicable
 32 provisions of ~~its~~ the reciprocal system's retirement laws.

33 ~~(D)(4)~~ (4) If death-in-service benefits are payable by more
 34 than one (1) reciprocal system to eligible survivors of a deceased member,
 35 the survivors shall not receive more, as a percentage of the deceased
 36 member's final pay or as a minimum dollar amount, than the largest amount

1 payable by any single reciprocal system.

2 ~~(E)(5)~~ Each reciprocal system that has a minimum benefit
 3 provision in its plan shall pay only a proportionate share of that minimum
 4 amount based on the ratio of service in that reciprocal system to the total
 5 service in all reciprocal systems.

6 ~~(F)(6)~~ If the reciprocal system is an alternate retirement
 7 plan under § 24-7-801 et seq. or § 24-7-901 et seq., death-in-service

 18 final average compensation under ~~that~~ the reciprocal system. ~~However, nothing~~
 19 ~~in this subdivision (6)(A) shall diminish the General Assembly member’s right~~
 20 ~~to a benefit for which the person is qualified under the provisions of § 24-~~
 21 ~~4-706 [repealed]; and~~

22 ~~(B)(i)~~ ~~“Final average compensation” as used in this~~
 23 ~~section means the combined highest salaries from the preceding and succeeding~~
 24 ~~systems equaling thirty six (36) complete months divided by three (3) if a~~
 25 ~~member has+.~~

26 ~~(a)~~ ~~Fewer than twenty (20) years of credited~~
 27 ~~service on July 1, 2009; and~~

28 ~~(b)~~ ~~Fewer than three (3) years of service in a~~
 29 ~~succeeding reciprocal system+.~~

30 ~~(ii)~~ ~~If the member is a state police officer covered~~
 31 ~~under § 24-6-401 et seq., the combined salaries shall be from the preceding~~
 32 ~~system and State Police Retirement System equaling forty eight (48) months~~
 33 ~~divided by four (4);~~

34 ~~(7)(A)(i)(1)~~ If the ~~preceding or succeeding~~ reciprocal system is
 35 the Arkansas Judicial Retirement System and the member’s benefits are
 36 determined under § 24-8-201 et seq., the benefit payable by the Arkansas

1 Judicial Retirement System shall be determined by multiplying the benefit
2 provided by § 24-8-218 by the following fraction:

3 ~~(i)(A)~~ The numerator shall be the number of the
4 actual years of service credited in the Arkansas Judicial Retirement System

12 ~~(8)(A)(i)~~ ~~If the preceding or succeeding reciprocal system~~
13 ~~offers a deferred retirement option plan for its members, both service in the~~
14 ~~preceding and the succeeding reciprocal system may be counted to meet the~~
15 ~~minimum service credit requirements for benefits under a system's deferred~~
16 ~~retirement option plan.~~

17 ~~(ii)~~ ~~The benefit payable by the preceding reciprocal~~
18 ~~system shall be based on the annuity formula of the preceding reciprocal~~
19 ~~system, exclusive of any minimum amount at the time the person begins to~~
20 ~~receive monthly retirement benefits from that system under its deferred~~
21 ~~retirement option provisions.~~

22 ~~(iii)~~ ~~The final average compensation to be used to~~
23 ~~determine monthly benefits payable to that person shall be that of the~~
24 ~~reciprocal system which furnishes the highest final average compensation at~~
25 ~~the time of retirement, but each reciprocal system shall use the method of~~
26 ~~computing final average compensation stipulated by its law, and compensation~~
27 ~~in the Arkansas Judicial Retirement System shall not be used to determine~~
28 ~~final average compensation.~~

29 ~~(iv)~~ ~~Any interest credited to the deferred~~
30 ~~retirement account will be paid to the member's account under the deferred~~
31 ~~retirement option benefit program in effect for that system.~~

32 ~~(B)~~ ~~The boards of trustees of each preceding or succeeding~~
33 ~~system shall promulgate such rules as are necessary to coordinate their~~

36 system, the board of trustees of each retirement system shall establish the

11 24-7-901 et seq., the benefits payable shall be in accordance with terms
12 specified in the written alternate retirement plan document for purchasing
13 the insurance policies or annuity contracts, both fixed and variable in
14 nature, for the participants.

15
16 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
17 General Assembly of the State of Arkansas that certain provisions concerning
18 the use of reciprocal service credit for the purpose of providing retirement
19 benefits to public employees of the state are in need of revision and
20 updating to maintain the retirement laws in conformance with sound public
21 pension policy; that the law concerning reciprocal service credit uses
22 archaic language that is in need of updating so that retirement benefits may
23 be administered between each reciprocal retirement system; that the
24 retirement systems of this state operate on a fiscal year of July 1 to June
25 30; that a July 1, 2021, effective date is necessary to allow the provisions
26 of this act to take effect on the first day of the fiscal year and enable the
27 proper administration of the procedures required under this act; that
28 revising and updating the provisions concerning reciprocal service credit is
29 of great importance to the actuarial process and the protection of retirement
30 benefits payable to members of the retirement systems of this state; and that
31 this act is necessary to maintain an orderly system of retirement benefits
32 for the members of the retirement systems of this state. Therefore, an
33 emergency is declared to exist, and this act being necessary for the
34 preservation of the public peace, health, and safety shall become effective
35 on July 1, 2021.
