33	-	e procedure, or both, that will be or h	
34 25)(i) In a critical access hospital, a	
35		sthetist may administer anesthetics und	-
36	<u>ot or in consultation</u>	n with a licensed physician, licensed d	<u>entist, or other</u>

.

1	person lawfully entitled to order anesthesia, in accordance with the bylaws
2	and policies of the facility in which the certified registered nurse
3	anesthetist is practicing.
4	(ii) The critical access hospital shall disclose the
5	model of supervision or consultation upon request of the patient.
6	(D) As used in this subdivision (7):
7	(i)(a) "Consultation" means an agreement between a
8	licensed physician, licensed dentist, or other person lawfully entitled to
9	order anesthesia performing the procedure or directly involved with the
10	procedure and the certified registered nurse anesthetist working jointly
11	toward a common goal of providing services for the same patient.
12	(b) "Consultation" involves the joint
13	formulation, discussion, and agreement of the anesthesia plan by both
14	parties.
15	(c) In "consultation", the consulting party
16	shall remain physically present throughout the duration of the anesthetic,
17	the name of the consulting party shall be documented in the case record, and
18	the consulting party shall also sign the anesthesia record;
19	(ii) "Critical access hospital" means the same as in
