13 The General Assembly finds that:

14 (1) It is vital that the State and Public School Life and Health

16 (2) It is the responsibility of the House Committee on Education
 17 and the Senate Committee on Education, through the biennial adequacy review
 18 process required under § 10-3-2102, to determine the health insurance
 19 contribution rate to be paid by each public school district each month for
 20 each eligible employee electing to participate in the public school
 21 employees' health insurance program; and

22 (3) In order to determine the contribution rate, the House
 23 Committee on Education and the Senate Committee on Education shall review the
 24 amount of funding provided through the matrix and state appropriation for
 25 public school employee health insurance.

26
 27 SECTION 2. Arkansas Code § 6-17-1117(a), concerning the funding of the

13 ~~(4) A change to the local contribution rate under subdivision~~
 14 ~~(a)(3) of this section is effective for the plan year after the change to the~~
 15 ~~licensed salary schedule is adopted by a school district.~~

2
3 SECTION 7. EMERGENCY CLAUSE. It is found and determined by the
4 General Assembly of the State of Arkansas that the State and Public School
5 Life and Health Insurance Program is inadequate to provide sustainable
6 affordable health benefits for public school employees and state employees;
7 that an urgent need exists to address the state's funding and administration
8 of benefits for public school employees and state employees in order for the
9 program to remain viable and to avoid severe financial hardship to plan
10 participants; and that this act is immediately necessary to provide
11 affordable health benefit options in a timely manner to the state's public
12 school employees participating in the program and state employees
13 participating in the program. Therefore, an emergency is declared to exist,
14 and this act being immediately necessary for the preservation of the public
15 peace, health, and safety shall become effective on:

16 (1) The date of its approval by the Governor;

17 (2) If the bill is neither approved nor vetoed by the Governor,
18 the expiration of the period of time during which the Governor may veto the
19 bill; or

20 (3) If the bill is vetoed by the Governor and the veto is
21 overridden, the date the last house overrides the veto."
