.

1	8-9-401. Title — Legislative intent — Findings.
2	(a) This subchapter shall be known and may be cited as the "Used Tire
3	Recycling and Accountability Act" "Arkansas Commerce Tire Program Act".
4	(b) The purpose of this subchapter is to :
5	(1) Protect protect the public health and the state's
6	environmental quality by setting and implementing standards to be followed in
7	the hauling, collection, storage, and recycling or disposal of recyclable
8	tires, and waste tires, and used tires culled for resale;
9	(2) Provide accountability and sustainability for used tire
10	programs by requiring use of the electronic uniform used tire manifest system
11	developed by the Division of Environmental Quality and business plans for
12	used tire programs;
13	(3) Equalize the application of fees for all tires removed from
14	rims; and
15	(4) Ensure that reimbursements for used tire programs are
16	related to the overall used tire program goals.
17	(c) The General Assembly finds that:
18	(1) If not properly managed, used tires pose a potential threat
19	to human health and safety and the environment because used tires:
20	(A) Are a known breeding habitat for mosquitoes and other
21	disease-transmitting vectors; and
22	(B) Pose substantial fire hazards;
23	(2) The state must have a used tire program for recyclable
24	tires, waste tires, and used tires culled for resale that is accountable,
25	effective, and efficient After years of state-managed used tire programs, the
26	removal of government from the commercial transactions and control of waste
27	tire disposal to allow for private commerce to manage and dispose of waste
28	tires will save the state money and provide opportunities for private
29	enterprise; and
30	(3) The primary goal of the used tire program <u>Arkansas Commerce</u>
31	Tire Program is to recycle or put to beneficial use as many used tires as
32	possible.

3	SECTION 13. EMERGENCY CLAUSE. It is found and determined by the
4	General Assembly of the State of Arkansas that there is an urgent need to
5	amend the Used Tire Recycling and Accountability Program within the state to
6	better serve Arkansans; that the changes to the Used Tire Recycling and
7	Accountability Program necessitates changes to the current used tire funding
8	system that needs to begin in the new fiscal year for a workable transition
9	to the new system; that the Used Tire Recycling Fund will no longer receive
10	or distribute funding; and that this act is necessary because failure to
11	amend the Used Tire Recycling and Accountability Program and the Used Tire
12	Recycling Fund by the start of the fiscal year could deprive Arkansans with a
13	way to safely manage used tires and waste tires throughout the state and
14	create a hazard to public peace, health, and safety. Therefore, an emergency
15	is declared to exist, and this act being necessary for the preservation of
16	the public peace, health, and safety shall become effective on July 1, 2023.
