(3) A statement acknowledging that:

(A)(i) The autonomous vehicle or fully autonomous vehicle is capable of complying with all applicable traffic and motor vehicle safety laws of this state and rules adopted by the Office of Motor Vehicle, including without limitation the laws and rules concerning the capability to safely negotiate railroad crossings unless an exemption for the operation of autonomous vehicles or fully autonomous vehicles at railroad crossings is granted by the Arkansas Department of Transportation.

AN AMENDMENT TO THE ARKANSAS CONSTITUTION TO AMEND THE PROCESS FOR THE SUBMISSION AND APPROVAL OF PROPOSED INITIATED ACTS, CONSTITUTIONAL AMENDMENTS, AND REFERENDA.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SECOND GENERAL ASSEMBLY OF THE STATE OF ARKANSAS, AND BY THE SENATE, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

THAT the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. The subsection of Arkansas Constitution, Article 5, § 1, titled "Initiative", is amended to read as follows:

Initiative. The first power reserved by the people is the initiative. Eight ~~per-cent~~ percent (8%) of the legal voters may propose any law and ten ~~per-cent~~ percent (10%) may propose a constitutional amendment by initiative petition and every such petition shall include the full text of the measure so proposed. Initiative petitions for state-wide measures shall be filed with the Secretary of State ~~not less~~ no later than ~~four months~~ January 15 before of the year of the election at which they are to be voted upon; provided, that at least thirty (30) days before the aforementioned filing, the proposed measure shall have been published once, at the expense of the petitioners, in some paper of general circulation.

SECTION 2. The subsection of Arkansas Constitution, Article 5, § 1 titled "Referendum" is amended to read as follows:

Referendum. The second power reserved by the people is the referendum, and any number not less than six ~~per-cent~~ percent (6%) of the legal voters may, by petition, order the referendum against any general Act, or any item of an appropriation bill, or measure passed by the General Assembly, but the filing of a referendum petition against one (1) or more items, sections or parts of any such act or measure shall not delay the remainder from becoming operative. Such petition shall be filed with the Secretary of State not later than ninety (90) days after the final adjournment of the session at which such Act was passed, except when a recess or adjournment shall be taken temporarily for a longer period than ninety (90) days, in which case such petition shall be filed not later than ninety (90) days after such recess or temporary adjournment. Any measure referred to the people by referendum petition shall remain in abeyance until such vote is taken. The total number of votes cast for the office of Governor in the last preceding general election shall be the basis upon which the number of signatures of legal voters upon state-wide initiative and referendum petitions shall be computed.

Upon all initiative or referendum petitions provided for in any of the sections of this article, it shall be necessary to file from at least ~~fifteen~~ three-fifths (3/5) of the counties of the State, petitions bearing the signature of not less than one-half (1/2) of the designated percentage of the electors of such county.

SECTION 3. The subsection of Arkansas Constitution, Article 5, § 1, titled "Court Decisions", is amended to read as follows:

Court Decisions. If the sufficiency of any petition is challenged such cause shall be a preference cause and shall be tried at once. A challenge to the sufficiency of a state-wide initiative petition shall be filed no later than April 15 of the year of the general election at which it shall be voted upon. ~~but the~~ The failure of the

courts to decide prior to the election as to the sufficiency of any such petition, shall not prevent the question from being placed upon the ballot at the election named in such petition, nor militate against the validity of such measure, if it shall have been approved by a vote of the people.

SECTION 4. The subsection of Arkansas Constitution, Article 5, § 1, titled "Amendment of Petition" is repealed.

~~Amendment of Petition.~~

~~(a)(1) If the Secretary of State, county clerk or city clerk, as the case may be, shall decide any petition to be insufficient, he or she shall without delay notify the sponsors of such petition, and permit at least thirty (30) days from the date of such notification, in the instance of a state-wide petition, or ten (10) days in the instance of a municipal or county petition, for correction or amendment.~~

~~(2) For a state-wide petition, correction or amendment of an insufficient petition shall be permitted only if the petition contains valid signatures of legal voters equal to:~~

~~(A) At least seventy-five percent (75%) of the number of state-wide signatures of legal voters required; and~~

~~(B) At least seventy-five percent (75%) of the required number of signatures of legal voters from each of at least fifteen (15) counties of the state.~~

~~(b) In the event of legal proceedings to prevent giving legal effect to any petition upon any grounds, the burden of proof shall be upon the person or persons attacking the validity of the petition.~~

SECTION 5. Arkansas Constitution, Article 5, § 1, is amended to add an additional subsections to read as follows:

EXTENSION OF TIME. If a deadline under this section occurs on a Saturday, Sunday, or legal holiday, the deadline shall be the next day which is not a Saturday, Sunday, or legal holiday.

SECTION 6. Arkansas Constitution, Article 19, § 22, is amended to read as follows:

§ 22. Constitutional amendments.

Either branch of the General Assembly, at a regular session thereof, may propose amendments to this Constitution; and if the same be agreed to by a majority three-fifths (3/5) of all members elected to each house, such proposed

amendments shall be entered on the journals with the yeas and nays, and published in at least one (1) newspaper in each county, where a newspaper is published, ~~for six months immediately~~ in a manner provided by law preceding the next general election for Senators and Representatives, at which time the same shall be submitted to the electors of the State, for approval or rejection; and if a majority of the electors voting at such election adopt such amendments, the same shall become a part of this Constitution. But no more than three (3) amendments shall be proposed or submitted at the same time. They shall be so submitted as to enable the electors to vote on each amendment separately.

SECTION 7. Arkansas Constitution, Amendment 70, § 2, is amended to read as follows:

§ 2. Additional Constitutional amendments authorized.

(a) In addition to the three (3) amendments to ~~the~~ this Constitution allowed pursuant to Article 19, § 22, either branch of the General Assembly at a regular session thereof may propose an amendment to ~~the~~ this Constitution to change the salaries for the offices of Governor, Lieutenant Governor, Attorney General, Secretary of State, Treasurer of State, Commissioner of State Lands, and Auditor of State and for members of the General Assembly. ~~If the same be agreed to by a majority of all members elected to each house, such proposed amendment shall be entered on the journals with the yeas and nays, and published in at least one newspaper in each county, where a newspaper is published, for six months immediately preceding the next general election for Senators and Representatives, at which time the same shall be submitted to the electors of the State for approval or rejection. If a majority of the electors voting at such election adopt the amendment the same shall become a part of this Constitution.~~

(b) Only one (1) amendment to ~~the~~ this Constitution may be referred pursuant to this section.

(c) An amendment proposed under the authority of this section shall comply with the requirements of Article 19, § 22, of this Constitution.

SECTION 8. EFFECTIVE DATE. This amendment shall be effective on and after January 1, 2021.

SECTION 9. BALLOT TITLE AND POPULAR NAME. When this proposed amendment is submitted to the electors of this state on the general election ballot:

SECTION 2. Arkansas Code § 17-1-108, as added by Acts 2019, No. 426, is amended to read as follows:

17-1-108. Expedited temporary and provisional licensure – Legislative intent.

(a)(1) It is the intent of the General Assembly to ensure that an individual may be credentialed to work in Arkansas if he or she generally demonstrates the skills and ethics required by state law based on the individual's experience and credentials in another state.

(2) It is not the intent of the General Assembly to cause the licensing entity to engage in simple comparisons of the required hours of training and other personal qualifications under Arkansas's occupational licensing statutes with those qualifications required in the state where the individual is credentialed.

~~(a)~~(b) As used in this section:

(1) "Individual" means a natural person, firm, association, partnership, corporation, or other entity that may hold an occupational licensure;

(2) "Occupational licensing entity" means an office, board, commission, committee, department, council, bureau, or other agency of state government having authority to license, certify, register, permit, or otherwise authorize an individual to engage in a particular occupation or profession; and

(3) "Occupational licensure" means a license, certificate, registration, permit, or other form of authorization required by law or rule that is required for an individual to engage in a particular occupation or profession.

~~(b)~~(c) An occupational licensing entity shall by rule adopt the least restrictive requirements for occupational licensure for an individual who:

(1) Demonstrates that he or she:

(A) Holds an occupational licensure that is substantially similar to practice in the field of his or her occupation or profession in another state, territory, or district of the United States;

(B) Holds his or her occupational licensure in good standing;

(C) Has not had his or her occupational licensure revoked for:

(i) An act of bad faith; or

(ii) A violation of law, rule, or ethics;

(D) Is not holding a suspended or probationary occupational licensure in any state, territory, or district of the United States; and

(E) Is sufficiently competent in his or her field; and

(2) Pays any occupational licensure fee required by law or rule.

~~(e)(1)(A)~~(d)(1)(A) An occupational licensing entity shall comply with the requirements under subsection ~~(b)~~(c) of this section by adopting the least restrictive rule that allows for reciprocity or licensure by endorsement.

(B) The rule adopted under subdivision ~~(e)(1)(A)~~(d)(1)(A) of this section shall provide the procedure by which an occupational licensing entity shall grant a temporary and provisional occupational licensure for ninety (90) days or longer to an individual under subsection ~~(b)~~(c) of this section if presented with evidence of a current and active occupational licensure that is substantially similar to practice in the field of his or her occupation or profession in another state, territory, or district of the United States.

(2) If a state, territory, or district of the United States does not require occupational licensure for a profession that requires occupational licensure in this state, an occupational licensing entity shall adopt a rule that is least restrictive to permit an individual who is sufficiently competent in his or her field to obtain occupational licensure for that occupation or profession in this state.

(3) The occupational licensing entity may require additional state-specific education for an individual with an occupational licensure in another state,

territory, or district of the United States that does not offer reciprocity similar to reciprocity under this section to individuals with occupational licensure in this state.

~~(d)(1)~~(e)(1) Except as provided under subdivision ~~(d)(1)~~(e)(2) of this section, an occupational licensing entity shall not require an individual who meets the requirements of subsection ~~(b)~~(c) of this section to participate in the apprenticeship, education, or training required as a prerequisite to occupational licensure of a new professional in the field.

(2) The occupational licensing entity may require the individual to participate in continuing education or training if the continuing education or training is required for all professionals in the field to maintain the occupational licensure.

~~(e)~~(f) If a criminal background check is required of an applicant for an initial occupational licensure or of ~~a person~~ an individual currently holding an occupational licensure, then the occupational licensing entity may require ~~a person~~ an individual seeking his or her occupational licensure under this section to meet the same criminal background check requirements as the applicant for an initial occupational licensure or as the ~~person~~ individual currently holding an occupational licensure.

~~(f)~~(g) The occupational licensing entity may require the individual applying for occupational licensure under this section to meet any bonding, financial statement, or insurance requirements that are applicable to all applicants.

~~(g)~~(h) This section shall not apply to:

(1) Reciprocity or license by endorsement provisions under §§ 17-12-308, 17-26-315, 17-27-308, 17-28-306, 17-31-308, 17-36-304, 17-42-305, 17-43-307, 17-83-305, 17-88-305, 17-89-305, 17-90-302, 17-92-114, 17-92-308, 17-93-414, 17-97-306, 17-99-304, 17-100-304, and 17-103-302; or

(2) The occupational licensing entities that administer the reciprocity provisions under subdivision ~~(g)(1)~~(h)(1) of this section.

~~(h)~~(i) An occupational licensing entity may enter into written agreements with similar occupational licensing entities of another state, territory, or district of the United States as necessary to assure ~~for~~ that licensees in this state have comparable nonresident licensure opportunities as those opportunities available to nonresidents by occupational licensing entities in this state."

AN AMENDMENT TO THE ARKANSAS CONSTITUTION TO AMEND THE PROCESS FOR THE SUBMISSION, CHALLENGE, AND APPROVAL OF PROPOSED INITIATED ACTS, CONSTITUTIONAL AMENDMENTS, AND REFERENDA.

Subtitle

AN AMENDMENT TO THE ARKANSAS CONSTITUTION TO AMEND THE

PROCESS FOR THE SUBMISSION AND APPROVAL OF PROPOSED INITIATED ACTS, CONSTITUTIONAL AMENDMENTS, AND REFERENDA.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SECOND GENERAL ASSEMBLY OF THE STATE OF ARKANSAS, AND BY THE SENATE, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

THAT the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. The subsection of Arkansas Constitution, Article 5, § 1, titled "Initiative", is amended to read as follows:

Initiative. The first power reserved by the people is the initiative. Eight ~~per cent~~ percent (8%) of the legal voters may propose any law and ten ~~per cent~~ percent (10%) may propose a constitutional amendment by initiative petition and every such petition shall include the full text of the measure so proposed. Initiative petitions for state-wide measures shall be filed with the Secretary of State ~~not less~~ no later than four months January 15 before of the year of the election at which they are to be voted upon; provided, that at least thirty (30) days before the aforementioned filing, the proposed measure shall have been published once, at the expense of the petitioners, in some paper of general circulation.

SECTION 2. The subsection of Arkansas Constitution, Article 5, § 1 titled "Referendum" is amended to read as follows:

Referendum. The second power reserved by the people is the referendum, and any number not less than six ~~per cent~~ percent (6%) of the legal voters may, by petition, order the referendum against any general Act, or any item of an appropriation bill, or measure passed by the General Assembly, but the filing of a referendum petition against one (1) or more items, sections or parts of any such act or measure shall not delay the remainder from becoming operative. Such petition shall be filed with the Secretary of State not later than ninety (90) days after the final adjournment of the session at which such Act was passed, except when a recess or adjournment shall be taken temporarily for a longer period than ninety (90) days, in

which case such petition shall be filed not later than ninety (90) days after such recess or temporary adjournment. Any measure referred to the people by referendum petition shall remain in abeyance until such vote is taken. The total number of votes cast for the office of Governor in the last preceding general election shall be the basis upon which the number of signatures of legal voters upon state-wide initiative and referendum petitions shall be computed.

Upon all initiative or referendum petitions provided for in any of the sections of this article, it shall be necessary to file from at least ~~fifteen~~ three-fifths (3/5) of the counties of the State, petitions bearing the signature of not less than one-half (1/2) of the designated percentage of the electors of such county.

SECTION 3. The subsection of Arkansas Constitution, Article 5, § 1, titled "Court Decisions", is amended to read as follows:

Court Decisions. If the sufficiency of any petition is challenged such cause shall be a preference cause and shall be tried at once; A challenge to the sufficiency of a state-wide initiative petition shall be filed no later than April 15 of the year of the general election at which it shall be voted upon. ~~but the~~ The failure of the courts to decide prior to the election as to the sufficiency of any such petition, shall not prevent the question from being placed upon the ballot at the election named in such petition, nor militate against the validity of such measure, if it shall have been approved by a vote of the people.

SECTION 4. The subsection of Arkansas Constitution, Article 5, § 1, titled "Amendment of Petition" is repealed.

~~Amendment of Petition.~~

~~(a)(1) If the Secretary of State, county clerk or city clerk, as the case may be, shall decide any petition to be insufficient, he or she shall without delay notify the sponsors of such petition, and permit at least thirty (30) days from the date of such notification, in the instance of a state-wide petition, or ten (10) days in the instance of a municipal or county petition, for correction or amendment.~~

~~(2) For a state-wide petition, correction or amendment of an insufficient petition shall be permitted only if the petition contains valid signatures of legal voters equal to:~~

~~(A) At least seventy-five percent (75%) of the number of state-wide signatures of legal voters required; and~~

~~(B) At least seventy-five percent (75%) of the required number of signatures of legal voters from each of at least fifteen (15) counties of the state.~~

~~(b) In the event of legal proceedings to prevent giving legal effect to any petition upon any grounds, the burden of proof shall be upon the person or persons attacking the validity of the petition.~~

But no more than three (3) amendments shall be proposed or submitted at the same time. They shall be so submitted as to enable the electors to vote on each amendment separately.

SECTION 7. Arkansas Constitution, Amendment 70, § 2, is amended to read as follows:

§ 2. Additional Constitutional amendments authorized.

(a) In addition to the three (3) amendments to ~~the~~ this Constitution allowed pursuant to Article 19, § 22, either branch of the General Assembly at a regular session thereof may propose an amendment to ~~the~~ this Constitution to change the salaries for the offices of Governor, Lieutenant Governor, Attorney General, Secretary of State, Treasurer of State, Commissioner of State Lands, and Auditor of State and for members of the General Assembly. ~~If the same be agreed to by a majority of all members elected to each house, such proposed amendment shall be entered on the journals with the yeas and nays, and published in at least~~
