ARKANSAS SENATE
NINETY-SECOND GENERAL ASSEMBLY
REGULAR SESSION
Amendment No. 1 to HOUSE BILL NO. 1512

Amend House Bill No. 1512 as originally introduced:

Page 1, line 11, delete "HERBICIDES;" and substitute "HERBICIDES; TO DECLARE AN EMERGENCY;"

AND

Delete the subtitle in its entirety and substitute:

"TO AMEND THE ARKANSAS PLANT
ACT OF 1917; TO CLARIFY AN
EGREGIOUS VIOLATION IN RELATION
TO CERTAIN HERBICIDES; AND TO
DECLARE AN EMERGENCY."

AND

Immediately following SECTION 1, add an additional section to read as follows:

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that delay in implementation of this act would hinder the State Plant Board from enforcing egregious violations during the 2019 growing season, which could have a detrimental impact on the state's agricultural economy. Therefore, an emergency is declared to exist, and this act

being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.

(SIGNED) SENATOR DAVID WALLACE

The Amendment was read the first time, rules suspended, read the second time and adopted.

That the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SECOND GENERAL ASSEMBLY OF THE STATE OF ARKANSAS, AND BY THE SENATE, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

That the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for

approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. The Arkansas Constitution is amended to read as follows:

§ 1. Intent of amendment.

(a) Arkansas Constitution, Amendment 91, levies a one-half percent sales and use tax to provide additional funding for the state's four-lane highway system, county roads, and city streets.

(b) The one-half percent sales and use tax under Arkansas Constitution, Amendment 91, shall be abolished when there are no bonds outstanding to which tax collections are pledged as provided in this amendment.

(c) Notwithstanding Arkansas Constitution, Amendment 91, § 8, it is the intent of this amendment that the sales and use tax levied under Arkansas Constitution, Amendment 91, continue after the retirement of the bonds authorized in Arkansas Constitution, Amendment 91, to provide special revenue for use of maintaining, repairing, and improving the state's system of highways, county roads, and city streets.

§ 2. Excise tax.

(a)(1) Except for food and food ingredients, an additional excise tax of one-half percent (0.5%) is levied on all taxable sales of tangible personal property, specified digital products, a digital code, and services subject to the tax levied by the Arkansas Gross Receipts Act of 1941, Arkansas Code § 26-52-101 et seq.

(2) The tax shall be collected, reported, and paid in the same manner and at the same time as is prescribed by law for the collection, reporting, and payment of all other Arkansas gross receipts taxes.

(b)(1) Except for food and food ingredients, an additional excise tax of one-half percent (0.5%) is levied on all tangible personal property, specified digital products, a digital code, and services subject to the tax levied by the Arkansas Compensating Tax Act of 1949, Arkansas Code § 26-53-101 et seq.

(2) The tax shall be collected, reported, and paid in the same manner and at the same time as is prescribed by law for the collection, reporting, and payment of Arkansas compensating taxes.

§ 3. Disposition of revenue.

(a) The revenue from the taxes levied under § 2 of this amendment shall be distributed to the State Highway and Transportation Department Fund, the County

Aid Fund, and the Municipal Aid Fund in the percentages provided in sections § 27-70-201 and § 27-70-206 of the Arkansas Highway Revenue Distribution Law.

(b) No revenue derived from the taxes levied under § 2 of this amendment shall be used to secure bonds issued by the State Highway Commission.

§ 4. Effective date.

(a) If the Chief Fiscal Officer of the State determines that a written statement under Arkansas Constitution, Amendment 91, § 8(b), has been filed with the Chief Fiscal Officer of the State before June 1, 2023, the tax under § 2 of this amendment shall be levied and collected on and after July 1, 2023.

(b) If a written statement under Arkansas Constitution, Amendment 91, § 8(b), has not been filed with the Chief Fiscal Officer of the State before June 1, 2023, the tax under § 2 of this amendment shall not be levied and collected until the first day of the first calendar quarter beginning more than thirty (30) days after a written statement under Arkansas Constitution, Amendment 91, § 8(b), is filed with the Chief Fiscal Officer of the State.

SECTION 2. BALLOT TITLE AND POPULAR NAME. When this proposed amendment is submitted to the electors of this state on the general election ballot:

(1) The title of this Joint Resolution shall be the ballot title; and

"23-79-1801. Findings.

The General Assembly finds that:

(1) Pediatric acute-onset neuropsychiatric syndrome, also known as "PANS", is a clinically defined disorder characterized by the sudden onset of obsessive-compulsive symptoms or eating restrictions, accompanied by two (2) or more symptoms of acute behavioral deterioration or motor and sensory changes, or both;

(2) Pediatric autoimmune neuropsychiatric disorder associated with streptococcal infections, also known as "PANDAS", is a term used to describe a subset of children and adolescents within the broader PANS classification;

(3) Some insurance companies are currently providing disparate insurance coverage for the treatment of PANS and PANDAS, including the State and Public School Life and Health Insurance Program, the University of Arkansas for Medical Sciences, Medicaid, and some insurance companies that serve the interests of Arkansans; and

(4) However, not all insurance providers in Arkansas provide coverage or sufficient coverage for PANS and PANDAS, and those insurance companies that do should be consistent in coverage of treatment of PANS and PANDAS.

23-79-1802. Interdisciplinary panel — University of Arkansas for Medical Sciences.

(a) The University of Arkansas for Medical Sciences has partnered with Arkansas Children's Hospital and the National Institute of Mental Health for the establishment and operation of a clinic that currently serves patients with pediatric acute-onset neuropsychiatric syndrome, also known as "PANS", and pediatric autoimmune neuropsychiatric disorder associated with streptococcal infections, also known as "PANDAS".

(b)(1) The University of Arkansas for Medical Sciences shall organize an interdisciplinary panel incorporating all components of those affected by PANS/PANDAS including without limitation working with national organizations.

(2) The interdisciplinary panel under subdivision (b)(1) of this section shall include:

(A) A member at large from the Arkansas PANS/PANDAS Advisory Council;

(B) A member at large who is a medical professional with a minimum experience of two (2) years working with PANS/PANDAS patients and who is recommended by the Arkansas PANS/PANDAS Advisory Council with final approval by the University of Arkansas for Medical Sciences; and

(C) A member at large who is a medical director or medical officer from an insurance company licensed in this state to assist in the development of diagnostic criteria for future insurance coverage purposes.

(c) An interdisciplinary team shall be established to create a protocol for the treatment of and diagnostic framework for the coverage of PANS and PANDAS by June 1, 2019, to allow for the assignment of an International Classification of Diseases Code, such as an ICD-9 code or other applicable medical code for insurance coverage purposes.

(d) The interdisciplinary team shall report to the Senate Committee on Public Health, Welfare and Labor, the House Committee on Public Health, Welfare and Labor, the Senate Committee on Insurance and Commerce, and the House Committee on Insurance and Commerce no later than August 31, 2019.

(e) Once the interdisciplinary team determines appropriate diagnostic criteria for the protocol, a final report with recommendations shall be submitted to the Senate Committee on Public Health, Welfare and Labor, the House Committee on Public Health, Welfare and Labor, the Senate Committee on Insurance and

Commerce, the House Committee on Insurance and Commerce, and the General Assembly to include recommendations concerning mandating insurance coverage for the treatment of PANS and PANDAS for the next scheduled regular session that convenes after the submission of the report or the Governor is encouraged to add the recommendation to the call of any special session that is convened before the next scheduled regular session.

(f) The expectation for the interdisciplinary team is that:

(1) Every available tool will be utilized to make healthcare services for the treatment of PANS and PANDAS available statewide through the University of Arkansas for Medical Sciences network and available services, including telemedicine; and

(2) Once the interdisciplinary team determines the diagnostic criteria for purposes of insurance coverage, all insurance companies and health benefit plans that are licensed in this state shall provide coverage for the treatment of PANS and PANDAS diagnosed according to the established diagnostic criteria recommended by the interdisciplinary team.

(g) The goal of the interdisciplinary team is to have that the diagnostic criteria shall be finalized and ready to be presented at the December 2019 meeting of the Senate Committee on Public Health, Welfare and Labor, the House Committee on Public Health, Welfare and Labor, the Senate Committee on Insurance and Commerce, and the House Committee on Insurance and Commerce.

"SECTION 1. DO NOT CODIFY. Legislative findings and intent.

(a) The General Assembly finds that:

(1) The citizens of this state are being negatively affected by illegal robocalls from telemarketers and from others seeking to perpetrate scams on them;

(2) While these illegal robocalls are frustrating for most, the robocalls are costly and dangerous for far too many Arkansans;

(3) An alarming number of illegal robocalls originate from scammers using automatic telephone dialing systems to send out thousands of phone calls per minute with fictitious or misleading names or telephone numbers displaying on unsuspecting consumers' telephone caller identification service;

(4) These scammers are engaging in insidious schemes and targeting seniors and other vulnerable groups by soliciting personal information such as credit or debit card information and Social security numbers;

(5) Displaying fictitious or misleading names or telephone numbers, or "spoofing", is the predominant means by which a robocaller protects their identities and entices consumers to answer the telephone; and

(6) Spoofing is the gateway for illegal robocalls and scams.

(b) It is the intent of the General Assembly:

(1) To protect the citizens of this state from being spoofed by receiving illegal robocalls from telemarketers and from others seeking to perpetrate scams on unsuspecting or vulnerable citizens;

(2) To provide the citizens of this state who use a caller identification service with accurate information about the identities and locations of callers;

(3) To encourage telecommunications providers to swiftly implement technologies that will allow telecommunications providers to identify and stop illegal calling practices; and

"SECTION 1. DO NOT CODIFY. Legislative intent.

The General Assembly finds that:

(1) Full implementation of Arkansas' goal of a student-focused education system for all students will require most schools to rethink, if not restructure, their entire educational program and reallocate all current and any new resources to a restructured and more effective educational delivery;

(2) Since 2005, two billion six hundred eighty-six million eight hundred five thousand eight hundred fifty dollars (\$2,686,805,850) in national school lunch funds have been sent to public schools in Arkansas;

(3) National school lunch state categorical programs are designed to provide extra help and strategies for struggling students and must be focused to target the needs of struggling students;

(4) Current flexibility in national school lunch state categorical funding allowable expenditures has not shown that the funds have had a positive impact on student outcomes or successfully closed achievement gaps;

(5) Public school districts spend the highest amount of national school lunch state categorical funds on curriculum specialists and instructional facilitators and other activities that are not specified by law or Department of Education rule that have been approved by the Department of Education, and transfer national school lunch state categorical funds to other categorical programs;

(6) Thirty-four percent (34%) of Arkansas public students in grades three through ten (3-10) are scoring at the lowest level of performance on the ACT Aspire reading test;

(7) Six (6) Core Strategies were included in the Odden and Picus Original 2003 Adequacy Report, the 2006 Recalibration report, and the 2014 Desk Audit, and all educational initiatives included in these reports and the funding used for the educational initiatives are backed by evidence-based research;

(8) Arkansas's students must be prepared for college, careers, and citizenship in the current global economy, and work in the knowledge-based economy requires the same skills and expertise to go to college or to enter the work force after high school;

(9) Public schools must deploy more powerful instructional strategies and use resources more productively, and need to change the curriculum that is used, the means of organizing instruction, and how resources are used;

(10) Teacher development opportunities must be redesigned to provide personalized opportunities so that all teachers acquire the instructional expertise to educate all students by using the extensive professional development resources that are included in the funding model in the most effective ways;

(11) Schools must reinforce achievement for struggling students by providing a series of extended learning opportunities, such as some combination of one-on-one and small group tutoring by a licensed teacher, extended-day learning, and summer school programs, and must hold performance standards high and vary instructional time so all students can achieve rigorous standards in order to work towards closing the achievement gap; and

(12) The House Committee on Education and the Senate Committee on Education, meeting jointly, find it necessary to revise current national school lunch state categorical funding allowable expenditures in order to maximize the most effective use of funds and focus allowable expenditures on targeted programs that maximize student achievement.

SECTION 2. Arkansas Code § 6-15-2913(a), concerning levels of school district support, is amended to add an additional subdivision to read as follows:

(3) Beginning with the 2019-2020 school year, the department shall provide:

(A)(i) Level 3 — Coordinated support to a public school district in which forty percent (40%) or more of the public school district's students score "in need of support" on the state's prior year summative assessment for reading.

(ii) Level 3 — Coordinated support shall be provided in collaboration with the public school district's educational service cooperative; and

(B) Level 4 — Directed support to a public school district in which fifty percent (50%) or more of its students score "in need of support" on the state's prior year summative assessment for reading.

SECTION 3. Arkansas Code § 6-15-2914(d), concerning required public school district support plans, is amended to add an additional subdivision to read as follows:

(3)(A) A public school district in which forty percent (40%) or more of the public school district's students scored "in need of support" on the state's prior year summative assessment for reading shall develop a literacy plan as part of the public school district support plan required under this section.

(B) The public school district literacy plan shall include without limitation:

(i) Goals for improving reading achievement throughout the public school district; and

(ii) Information regarding the prioritization of funding, including without limitation national school lunch state categorical funds received under § 6-20-2305, for strategies to improve reading achievement throughout the public school district.

SECTION 4. Arkansas Code § 6-20-2305(b)(4)(C)(i), concerning approved programs and purposes for which national school lunch state categorical funds may be expended, is amended to add an additional subdivision to read as follows:

(c) The list of approved programs established before the passage of this act by the state board under subdivision (b)(4)(C)(i)(a) of this section shall expire on June 30, 2022."

ARKANSAS SENATE
NINETY-SECOND GENERAL ASSEMBLY
REGULAR SESSION
[Amendment No. 1 to SENATE BILL NO. 352](#)

Amend [Senate Bill No. 352](#) as originally introduced:

Delete the title in its entirety and substitute:

"AN ACT TO AMEND THE LAW CONCERNING PROTECTIONS FOR CHILD WELFARE AGENCIES; AND FOR OTHER PURPOSES."

AND

Delete the subtitle in its entirety and substitute:

"TO AMEND THE LAW CONCERNING PROTECTIONS FOR CHILD WELFARE AGENCIES."

AND

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. Legislative findings.

The General Assembly finds that:

(1) Child placement agencies serve children, birth mothers, and families;

(2) Child placement agencies provide some of the most vital services to those in need;

(3) There are currently over four hundred thousand (400,000) children in the foster care system, one hundred thousand (100,000) of whom are awaiting adoption;

(4) Private, faith-based child placement agencies expand the pool of qualified parents who want to adopt as child placement agencies excel at recruiting adoptive and foster parents from their own faith-based communities, including without limitation for special needs and hard-to-place children;

(5) Despite the vital work performed by child welfare agencies, providers of child placement services across the country are being forced to close or face lawsuits due to state and local governments threatening these providers with the loss of support, funding, and licensing they need to serve children, birth mothers, and families;

(6) Ensuring protections for a diversity of child placement agencies and the ability of child placement agencies to operate according to their sincerely held beliefs, and with families who share those beliefs, makes it more likely that the greatest possible number of children will be connected with permanent, loving families;

(7) It is the policy of this state to allow all willing and qualified child placement agencies to serve free from government discrimination; and

(8) It is the policy of this state to protect all child placement agencies from government discrimination and to keep children first by ensuring that all qualified providers stay in the field to serve a diverse community of children, birth mothers, and families.

SECTION 2. Arkansas Code Title 9, Chapter 28, Subchapter 4, is amended to add additional sections to read as follows:

9-28-415. Child welfare agencies — Conscience clause.

(a) To the fullest extent allowed under the Arkansas Constitution and federal law, a child welfare agency shall be required to perform, assist, counsel, recommend, consent to, refer, or otherwise participate in any placement of a child in foster care or adoption unless the proposed placement would violate the sincerely held religious beliefs of the child welfare agency.

(b) A state agency or a political subdivision of the state shall not take the following action against a child welfare agency solely due to the decision of the child welfare agency to not perform, assist, counsel, recommend, consent to, refer, or otherwise participate in a child placement that violates the sincerely held religious beliefs of the child welfare agency:

(1) Deny a license, permit, or other authorization, or the renewal thereof; or

(2) Suspend or revoke a license, permit, or other authorization.

(c) A child welfare agency shall not be denied a grant, contract, or participation in a local government program based on the decision of the child welfare agency to refrain from performing, assisting, counseling, recommending, consenting to, referring, or otherwise participating in a child placement that violates the sincerely held religious beliefs of the child welfare agency.

(d) The decision of a child welfare agency to refrain from performing, assisting, counseling, recommending, consenting to, referring, or otherwise participating in a child placement that violates the sincerely held religious beliefs of the child welfare agency shall not form the basis for the imposition of a civil fine, other adverse administrative action, or any claim or cause of action under any state or local law.

9-28-416. Claim or defense against state action.

A child welfare agency may assert a violation of § 9-28-415 as a claim or defense in a judicial or administrative proceeding and obtain appropriate relief against a state government."

VERBAL DISCLOSURE CONFLICT FORM

Pursuant to **Senate Rule 24.06**, I am disclosing the following conflict with **Senate Bill No. 99**.

3-27-2019 My husband is a physician who is in private practice. He accepts and treats Medicaid patients. This is a public disclosure as it relates to the appropriation bill for the Division of Medical Services. Nearly 60-70% of his patients are Medicaid recipients as well as the many patients that are "unassigned" that he treats at the hospital for free.

I am submitting this conflict disclosure to the Secretary of the Senate for inclusion in the Senate Journal and I intend to participate and vote on this legislation.

Respectfully submitted,

"SECTION 1. DO NOT CODIFY. Legislative intent.

It is the intent of the General Assembly to implement the same self-defense scheme as have our neighbors in Tennessee, as of January 1, 2019.

SECTION 2. Arkansas Code § 5-2-606 is amended to read as follows:

5-2-606. Use of physical force or deadly physical force in defense of a person.

~~(a)(1) A person is justified in using physical force upon another person to defend himself or herself or a third person from what the person reasonably believes to be the use or imminent use of unlawful physical force by that other person, and the person may use a degree of physical force that he or she reasonably believes to be necessary.~~

~~(2) However, the person may not use deadly physical force except as provided in § 5-2-607.~~

~~(b) A person is not justified in using physical force upon another person if:~~

~~(1) With purpose to cause physical injury or death to the other person, the person provokes the use of unlawful physical force by the other person;~~

~~(2)(A) The person is the initial aggressor.~~

~~(B) However, the initial aggressor's use of physical force upon another person is justifiable if:~~

~~(i) The initial aggressor in good faith withdraws from the encounter and effectively communicates to the other person his or her purpose to withdraw from the encounter; and~~

~~(ii) The other person continues or threatens to continue the use of unlawful physical force; or~~

~~(3) The physical force involved is the product of a combat by agreement not authorized by law.~~

(a) As used in this section:

(1) "Business" means a commercial enterprise or establishment owned by a person as all or part of the person's livelihood or is under the person's control, or who is an employee or agent of the commercial enterprise or establishment with responsibility for protecting persons and property that includes the interior and exterior premises of the business;

(2) "Curtilage" means the area surrounding a dwelling that is necessary, convenient, and habitually used for domestic purposes and for those activities associated with the sanctity of a person's home;

(3) "Dwelling" means a building or conveyance of any kind, including an attached porch, whether the building or conveyance is temporary or permanent, mobile or immobile, that has a roof over it, including a tent, and is designed for or capable of being used by people;

(4) "Residence" means a dwelling in which a person resides, either temporarily or permanently, or is visiting as an invited guest, or a dwelling, building or other appurtenance within the curtilage of the residence; and

(5) "Vehicle" means a motorized vehicle that is self-propelled and designed for use on public highways to transport people or property.

(b)(1) A person who is not engaged in unlawful activity and is in a place where the person has a right to be has no duty to retreat before threatening or using physical force against another person when and to the degree the person reasonably believes the physical force is immediately necessary to protect against the other person's use or attempted use of unlawful physical force.

(2) A person who is not engaged in unlawful activity and is in a place where the person has a right to be has no duty to retreat before threatening or using physical force intended or likely to cause death or serious physical injury, if:

(A) The person has a reasonable belief that there is an imminent danger of death or serious physical injury;

(B) The danger creating the belief of imminent death or serious physical injury is real, or honestly believed to be real at the time; and

(C) The belief of danger is founded upon reasonable grounds.

(c) A person using physical force intended or likely to cause death or serious physical injury to another person within a residence, business, dwelling, or vehicle is presumed to have held a reasonable belief of imminent death or serious physical injury to himself or herself, a family member, a member of the household, or a person visiting as an invited guest, when the physical force is used against another person who unlawfully and forcibly is attempting to enter or has unlawfully and forcibly entered the residence, business, dwelling, or vehicle, and the person using defensive physical force knew or had reason to believe that an unlawful and forcible entry was attempted or had occurred.

(d) The presumption established in subsection (c) of this section shall not apply, if:

(1)(A) The person against whom the physical force is used has the right to be in or is a lawful resident of the dwelling, business, residence, or vehicle, such as an owner, lessee, or titleholder.

(4) The person against whom physical force is used is a law enforcement officer who enters or attempts to enter a dwelling, business, residence, or vehicle in the performance of the law enforcement officer's official duties, and the law enforcement officer identified himself or herself in accordance with any applicable law, or the person using physical force knew or reasonably should have known that the person entering or attempting to enter was a law enforcement officer.

(e) The threat or use of physical force against another person is not justified:

(1) If the person using physical force consented to the exact physical force used or attempted by the other person;

(2) If the person using physical force provoked the other person's use or attempted use of unlawful physical force, unless:

(A) The person using physical force abandons the encounter or clearly communicates to the other person the intent to do so; and

(B) The other person continues or attempts to use unlawful physical force against the person; or

(3) To resist a halt at a roadblock, arrest, search, or stop and frisk that the person using physical force knows is being made by a law enforcement officer, unless:

(A) The law enforcement officer uses or attempts to use greater physical force than necessary to make the halt at a roadblock, arrest, search, stop and frisk; and

(B) The person using physical force reasonably believes that the physical force is immediately necessary to protect against the law enforcement officer's use or attempted use of greater physical force than necessary.

SECTION 3. Arkansas Code § 5-2-607 is repealed.

~~5-2-607. Use of deadly physical force in defense of a person.~~

~~(a) A person is justified in using deadly physical force upon another person if the person reasonably believes that the other person is:~~

~~(1) Committing or about to commit a felony involving physical force or violence;~~

~~(2) Using or about to use unlawful deadly physical force; or~~

~~(3) Imminently endangering the person's life or imminently about to victimize the person as described in § 9-15-103 from the continuation of a pattern of domestic abuse.~~

~~(b) A person may not use deadly physical force in self-defense if the person knows that he or she can avoid the necessity of using deadly physical force:~~

~~(1)(A) By retreating.~~

~~(B) However, a person is not required to retreat if the person is:~~

~~(i) Unable to retreat with complete safety;~~

~~(ii) In the person's dwelling or on the curtilage surrounding the person's dwelling and was not the original aggressor; or~~

~~(iii) A law enforcement officer or a person assisting at the direction of a law enforcement officer; or~~

~~(2) With complete safety by surrendering possession of property to a person claiming a lawful right to possession of the property.~~

~~(c) As used in this section:~~

~~(1) "Curtilage" means the land adjoining a dwelling that is convenient for residential purposes and habitually used for residential purposes, but not necessarily enclosed, and includes an outbuilding that is directly and intimately connected with the dwelling and in close proximity to the dwelling; and~~

(b) A person may use deadly physical force under the circumstances set forth in subsection (a) of this section if:

(1) Use of deadly physical force is authorized by ~~§ 5-2-607~~ § 5-2-606;

or

(2) The person reasonably believes the use of deadly physical force is necessary to prevent the commission of arson or burglary by a trespasser.

SECTION 5. Arkansas Code § 5-2-615(b) and (c), concerning use of physical force by a pregnant woman in defense of her unborn child, are amended to read as follows:

(b) A pregnant woman is justified in using physical force or deadly physical force against another person to protect her unborn child if, under the circumstances as the pregnant woman reasonably believes them to be, she would be justified under ~~§ 5-2-606 or § 5-2-607~~ in using physical force or deadly physical force to protect herself against the unlawful physical force or unlawful deadly physical force she reasonably believes to be threatening her unborn child.

(c) The justification for using physical force or deadly physical force against another person to protect a pregnant woman's unborn child is not available if:

(1) The use of the physical force or deadly physical force for protection was used by a person other than the pregnant woman; or

(2)(A) The use of the deadly physical force for protection would not be allowed under ~~§ 5-2-607(b)~~ § 5-2-606.

(B) However, the pregnant woman is not obligated to retreat or surrender possession of property as described in ~~§ 5-2-607(b)~~ § 5-2-606 unless the pregnant woman knows she can avoid the necessity of using deadly physical force and simultaneously ensure the complete safety of her unborn child.

SECTION 6. Arkansas Code § 16-120-302 is amended to read as follows:
16-120-302. Use of deadly physical force.

(2) Closing any fossil fuel-fired electric generating unit; or

(3) Imposing a statewide greenhouse gas goal or other statewide greenhouse gas emissions limitation.

(c) The department shall not seek a waiver under subsection (a) of this section until the United States Environmental Protection Agency promulgates emission guidelines for the regulation of carbon dioxide emissions from existing fossil fuel-fired electric generating units under § 111(d) of the Clean Air Act, 42 U.S.C. § 7411(d).

(d) An affirmative majority vote of the Legislative Council is required to grant a waiver of review and approval procedures for a state plan.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that ensuring the lawful and ethical behavior of elected public officials is of utmost importance to the state; that the provisions of this act provide a powerful disincentive for unlawful conduct and relieve the state from paying certain retirement benefits to persons who abuse their office for personal gain; and this act should become effective as soon as possible to discourage and punish illegal conduct. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

Delete the title in the entirety and substitute the following:

"AN ACT TO ALLOW THE PAROLE BOARD AT ITS DISCRETION TO MODIFY THE CALCULATION OF PAROLE ELIGIBILITY OF CERTAIN INMATES IN THE DEPARTMENT OF CORRECTION WHO WERE SENTENCED FOR CONTROLLED SUBSTANCE-RELATED FELONIES; AND FOR OTHER PURPOSES."

AND

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. Legislative findings.

The General Assembly finds that:

(1) The revised sentencing provisions of Acts 2011, No. 570, have resulted in extreme differences between the parole eligibility dates of inmates sentenced before the enactment of Acts 2011, No. 570, and those sentenced for the same conduct after the enactment of Acts 2011, No. 570; and

(2) The Parole Board and its staff have the necessary training and experience to determine on a case-by-case basis when it is appropriate to modify the calculation of the parole eligibility date of an inmate sentenced for a controlled substance offense before the enactment of Acts 2011, No. 570.

SECTION 2. DO NOT CODIFY. Temporary language.

(a) When calculating the parole eligibility date for an inmate who is serving a sentence for violating a former section in § 5-64-401 et seq. or any other offense for possession, distribution, sale, or manufacture of a controlled substance that was committed before the effective date of this act, the Parole Board may base the calculation on the maximum term of years of imprisonment currently allowed by law for the type and amount of the controlled substance involved in the inmate's conviction.

(b) Notwithstanding § 16-93-612, when determining parole eligibility for an inmate serving a sentence for an offense described in subsection (a) of this section, the board may evaluate the nature of the offense, including the type and amount of the controlled substance involved, and determine the parole eligibility as if the inmate were sentenced under a currently comparable offense under §§ 5-64-402 — 5-64-444.

(c) In an application for parole, the inmate shall bear the burden of establishing the type and amount of the controlled substance involved in his or her conviction.

(d) The board shall promulgate rules to implement this section.

SECTION 3. DO NOT CODIFY. Temporary language.

(a) When adopting the initial rules to implement this act, the final rule shall be filed with the Secretary of State for adoption under § 25-15-204(f):

(1) On or before December 31, 2019; or

(2) If approval under § 10-3-309 has not occurred by December 31, 2019, as soon as practicable after approval under 10-3-309.

(b) The Parole Board shall file the proposed rule with the Legislative Council under § 10-3-309(c) sufficiently in advance of December 31, 2019, so that the Legislative Council may consider the rule for approval before December 31, 2019."
